*A Hidden Legacy Novel*  
 Penguin  
 Fernando Soto dreamed of owning a business. For years he worked and struggled, never imagining that he could have a better life and then one day he woke up and believed that he could. In *What's Next for You?*, Mr. Soto shares the secrets to the fulfillment of his dream. But guess what? It's no secret at all. Living your dream is possible through hard

work, dedication and an unrelenting will to succeed. Today, Mr. Soto owns a contract janitorial services company that services a broad range of clients in a variety of industries, from small office clients to automobile dealerships, manufacturing facilities, office buildings, medical practices and universities. One of his largest clients has annual revenues exceeding

\$550 million with over ten thousand employees! He built his business from the ground up, taking notes and sketching his ideas on the manufacturing floor where he worked for years as an employee. The company where he last worked is now one of his valued clients. "Anything is possible," Mr. Soto says. Just keep your dream front and center and with Mr. Soto's help, you could be living your dream life,

too.  
*Henry in a Hurry* Penguin  
Kate Daniels's  
central myth  
is that of  
Niobe, the  
mother in  
Greek  
mythology  
whose  
children were  
killed by the  
gods because  
of her great  
pride in them.  
She taps the  
lasting power  
of the ancient  
story in poems  
about  
personal loss  
and political  
insanity.  
Though the  
subjects are  
frequently  
grim, the final  
effect of the  
book is not,  
since  
Daniels's

central theme  
is endurance,  
the discovery  
of what we  
need to  
survive.  
**Halfway to  
the Grave**  
Penguin  
Have you ever  
questioned life  
and wonder  
why you? Can  
you hear  
yourself  
saying, "Is  
there more to  
life than this?"  
I can identify  
this with you.  
Did you know?  
Our brain

approximately  
70,000

this book I will  
show you how  
to rise above

for the Order of the Knights of Merciful Aid, officially as a liaison with the mercenary guild. Unofficially, she cleans up the paranormal problems no one else wants to handle—especially if they involve Atlanta’s shapeshifting community. When she’s called in to investigate a fight at the Steel Horse, a bar midway between the territories of the shapeshifters and the

necromancers , Kate quickly discovers there’s a new player in town. One who’s been around for thousands of years—and rode to war at the side of Kate’s father. This foe may be too much even for Kate and Curran, the Lord of the Beasts, to handle. Because this time, Kate will be taking on family... *The Tripartite Soul* CreateSpace Nevada Frida Baylor and Connor Ander Rogan cordially invite

you to join their wedding celebration. Summoning, weather manipulation, and other magical activities strictly forbidden. overruns his mother's home. Someone is cheating, someone is lying, and someone is plotting murder. To make this wedding happen, Catalina will have to do the thing she fears most: use her magic. But she's a Baylor and there's nothing she wouldn't do for her sister's happiness. Nevada will have her fairy tale wedding, even if Catalina has to tear the mansion apart

brick by brick to get it done. CreateSpace "On the outside, Dina Demille is the epitome of normal. She runs a quaint Victorian Bed and Breakfast in a small Texas town, owns a Shi-tzu named Beast, and is a perfect neighbor, whose biggest problem should be what to serve her guests for breakfast. But Dina is... different: Her broom is a deadly weapon; her Inn is magic and thinks for itself. Meant to be a lodging for

otherworldly visitors, the only permanent guest is a retired Galactic aristocrat who can't leave the grounds because she's responsible for the deaths of millions and someone might shoot her on sight. Under the circumstances , 'normal' is a bit of a stretch for Dina. And now, something with wicked claws and deepwater teeth has begun to hunt at night... Feeling responsible for

her neighbors, Dina decides to get involved. Before long, she has to juggle dealing with the annoyingly attractive, ex-military, new neighbor, Sean Evans -- an alpha-strain werewolf -- and the equally arresting cosmic vampire soldier, Arland, while trying to keep her inn and its guests safe. But the enemy she's facing is unlike anything she's ever encountered

before. It's smart, vicious, and lethal; and putting herself between this creature and her neighbors might just cost her everything."-- Page 4 of cover.

This title addresses the creation of God, the New World, and what's referred to as the "metaphysical" side of Elijah Muhammad's teaching. It eloquently delves into

the subject of form and spirit in the simplest terms. The relationship of Jesus, Joseph and Mary is given a critical analysis as it relates to blacks in America.
