Charles (Darkness, 8) Penguin

He taught me that there are no such things as heroes. I thought he saved my life. I thought him a hero, just like every other fawning human in this city. I would have died if it hadn't been for him. But the supernatural creature who crept into my apartment later that night to claim his payment is anything but a hero. He owns me now, and his control over my body is complete. He demands - I surrender. It's for my own protection, he says. I will die without his claim. Someone worse than him will take me. And break me. Someone like the darkest evil in the city, lurking in the shadows. Waiting to capture his enemy's new pet for his own perverted pleasures... Book 1 in Nora Ash's dark Paranormal Romance ménage serial, *Darkness*.

"An absolutely unstoppable love story in an unputdownable book. It is sure to leave you thirsting for more!" - Diane Alberts, USA Today Bestselling Author
 hr Charlotte Ruzikova is an ordinary girl, but in a world of magic and monsters, it's exactly what makes her an outcast. In occult Prague, Witches draw enchantment spells, Shifters throw tea parties, and markets glow like stardust as jack-o'-lanterns jeer from cobblestone paths. For humans on the mundane side of town, the occult city is a fairy tale for storybooks, but for Charlotte, it's home. When she catches the eye of an Elven prince and spurns his advances, Charlotte sparks a devastating war between the creatures of the light and those lurking in the darkness. Worst of all, she endangers the person she loves most: the man who

brought her to the occult city. Joining forces with a coven of outcast monsters, Charlotte rebels against an empire to preserve the magic in her city and in her heart. But can her allies set aside their differences for the greater good?

Loyalties are tested and grudges grow thorny roots, but no matter the cost, Charlotte will fight to save the shadows.

In the occult city, the dawn cannot consume the night. Warning: Guillermo del Toro-style monsters with the heart of

a Studio Ghibli film roam free in the streets of Occult Prague. Fans of *THE MORTAL INSTRUMENTS* and *THE VAMPIRE CHRONICLES* will be eager to visit.

hr "I love a vampire that does what a vampire is supposed to do...I highly recommend this story as a must read!

Goodbye Bella and Edward!" - I Heart YA Books "This was such a magical and beautifully written tale of love and found

family. The plot had all the dynamic twists and turns to keep me enthralled to see what would happen next. I

support any book that takes the "good versus evil" theme and flips it so the "evil" beings are misunderstood and hated by the "good" for being different.

Also, I just really like vampires." - Verified Reviewer "Leighton had shown off her talents as a world builder, with an

ability to create an atmosphere the reader can feel a part of. Her characters arrive on the scene fully fleshed out,

each with their own quirks and backstory." - Steve Taintor, Vine Voice

"Holy f***ing s***! This woman is an f***ing genius! I mean, seriously! I was

hooked in from the very first word to the f***ing last! This book deserves 1,000s of stars because its just that f***ing epic.

EPIC!!! That's the perfect word for this book." -Verified Reviewer

 "Freak. Witch. Crazy. Schizo. Ember Brycin has been called them all. She's always known she's different. No one has ever called her normal, even under the best circumstances. Bizarre and inexplicable things continually happen to her, and having two different colored eyes, strange hair, and an unusual tattoo only contributes to the gossip about her. When the latest school explosion lands her in a facility for trouble teens, she meets Eli Dragen, who's hot as hell and darkly mysterious. Their connection is full of passion, danger, and secrets. Secrets that will not only change her life, but what and who she is--leading her down a path she never imagined possible. Between Light and Dark, Ember finds a world where truth and knowledge are power and no one can be trusted. But her survival depends on finding out the truth about herself. In her pursuit, she is forced between love and destiny and good and evil, even when the differences between them aren't always clear. At worst, she will incite a war that could destroy both worlds. At best, she will not only lose her heart but her life and everyone she loves. Once the truth is out, however, there will be no going back. And she'll definitely wish she could."--Back cover.
