The Joshua Files: Ice Shock Oxford University Press

NEW YORK TIMES BESTSELLER • The classic work that predicted the anxieties of a world upended by rapidly emerging technologies—and now provides a road map to solving many of our most pressing crises. “Explosive . . . brilliantly formulated.” —The Wall Street Journal Future Shock is the classic that changed our view of tomorrow. Its startling insights into accelerating change led a president to ask his advisers for a special report, inspired composers to write symphonies and rock music, gave a powerful new concept to social science, and added a phrase to our language. Published in over fifty countries, Future Shock is the most important study of change and adaptation in our time. In many ways, Future Shock is about the present. It is about what is happening today to people and groups who are overwhelmed by change. Change affects our products, communities, organizations—even our patterns of friendship and love. But Future Shock also illuminates the world of tomorrow by exploding countless clichés about today. It vividly describes the emerging global civilization: the rise of new businesses, subcultures, lifestyles, and human relationships—all of them temporary. Future Shock will intrigue, provoke, frighten, encourage, and, above all, change everyone who reads it.

"What corporations fear most are consumers who ask questions. Naomi Klein offers us the arguments with which to take on the superbrands." Billy Bragg from the bookjacket.

Desert Notebooks Catapult

The blockbuster, action-packed opening to the best-selling Joshua Files series. Josh's father is missing in Mexico, presumed dead. Then Josh discovers that his dad was murdered. Suddenly he is caught in a race to find the legendary Ix Codex—a lost Mayan

prophecy that predicts the end of the world and holds the key to unmasking his father's killers.

The True Power of Water Office of the Secretary, Historical Office
In a dark fantasy based on the fairy tale "Snow White," Arpazia and her unwanted daughter, Coira, are lured into the woods by the elder gods, who are seeking to restore their worship in a land where a new religion threatens to transform life for everyone.

Penpal Atheneum Books for Young Readers

Josh and Ixchel have landed in the Mayan era, when the prophecy about the world ending in 2012 was first foretold. And they cannot believe who they have found there. But a bigger surprise awaits the pair when they return to the 21st century. Nothing is quite as they remember it - and it's up to them to work out why.

The second of six titles, set in a thrilling world of wild cat clans. Firepaw, the warrior brave, is now Fireheart, warrior cat. Fireheart finds new danger lurking in the woods as the chill of winter sets in. This new series will have particular appeal for fans of Brian Jacques' Redwall series.

White As Snow 1000Vultures

Josh thinks he has discovered the key to time travel. Should he use it to go back in time and save his father? Ixchel knows what he intends to do. Should she stop him? Before they can decide, Ixchel is kidnapped by the people who want to see an ancient prophecy predicting the end of the world in 2012 come true. It's up to Josh to save Ixchel - and possibly the world. Time is running out in the exhilarating third part of the best-selling 'Joshua Files'. Praise for 'The Joshua Files': "As thrilling as a rollercoaster ride, this fantastical world of spies, spirits, ancient prophecies and hidden cities tests Josh to his limits." The Book Trust "This series is awesome and I have really enjoyed it. 5/5 stars!" Guardian Children's Books "A very well-crafted saga... Has a compelling energy." The Bookbag "Indiana Jones would have stiff competition in young Joshua Garcia, the protagonist of this fast-paced action

adventure. Highly Recommended." Library Media Connection, starred review

The bestselling author of No Logo shows how the global "free market" has exploited crises and shock for three decades, from Chile to Iraq In her groundbreaking reporting, Naomi Klein introduced the term "disaster capitalism." Whether covering

Baghdad after the U.S. occupation, Sri Lanka in the wake of the tsunami, or New Orleans post-Katrina, she witnessed something remarkably similar. People still reeling from catastrophe were being hit again, this time with economic "shock treatment," losing their land and homes to rapid-fire corporate makeovers. The Shock Doctrine retells the story of the most dominant ideology of our time, Milton Friedman's free market economic revolution. In contrast to the popular myth of this movement's peaceful global victory, Klein shows how it has exploited moments of shock and extreme violence in order to implement its economic policies in so many parts of the world from Latin America and Eastern Europe to South Africa, Russia, and Iraq. At the core of disaster capitalism is the use of cataclysmic events to advance radical privatization combined with the privatization of the disaster response itself. Klein argues that by capitalizing on crises, created by nature or war, the disaster capitalism complex now exists as a booming new economy, and is the violent culmination of a radical economic project that has been incubating for fifty years.

The Everything Store One World

Part biography, part true-crime narrative, this painstakingly researched book chronicles the improbable rise and stunning fall of Roscoe "Fatty" Arbuckle from his early big screen success to his involvement in actress Virginia Rappe's death, and the resulting irreparable damage to his career. It describes how during the course of a rowdy party hosted by the comedian in a San Francisco hotel, Rappe became fatally ill, and Arbuckle was subsequently charged with manslaughter. Ultimately acquitted after three trials, neither his career nor his reputation ever recovered from this devastating incident. Relying on a careful examination of documents, the book finally reveals what most likely occurred that Labor Day weekend in 1921 in that fateful hotel room. In addition, it covers the evolution of the film industry—from the first silent experiments to the connection

between Arbuckle's scandal and the implementation of industry-wide censorship that altered the course of Hollywood filmmaking for five decades.

A Book of Golden Deeds of All Times and All Lands Chicago Review Press

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*
