Meant to Be Mine

That one word has never meant so much. JANABallet was my life, but after getting injured, that dream faded. I still needed fast money, so I sucked up my pride and decided to

strip.Clubs could use a virgin stripper, right?But from the moment I saw Cole Savage, owner of the strip club I was trying to get in to, all rational thought left me.He was dark and dangerous, and his personality screamed arrogance.I wanted him, and by the way he looked at me, I knew he wanted me as well.But I should keep it strictly

business. That's what I told myself anyway. COLE From the moment I first saw Jana, I wanted her. She needed a job at my club, but the possessive side of me rose up, demanding she was only mine. I might have just met her, but I was already so damn territorial of her. If she wanted a job, I'd give her one, but she'd be keeping her clothes on. I'd been celibate for years, but it was time to change that with her. Jana would soon realize what it meant to be mine. Warning: This is a short story featuring an over-the-top possessive hero who makes no secret that the heroine is his. It's got dirty dancing, raunchy scenes, but is safe and has the Happily Ever After that

comes with reading a Real Man story.

"Sir, what are you doing?" I asked as I slowly backed away. "There's no need to call me sir, I'm only sweet 21 years old." He walked further towards me. I put my hands up in a defensive manner. "Please, don't come so close. You're making me feel afraid." "So do you want that ride or not?" "No, I told you

I could hear the door being closed behind me, and then the lights flickered on, letting me see the whole room. It was apparently a living room, two black couches and an armchair surrounded a square table. The walls were in a soft gray, and there were modern looking lamps on the ceiling. A flight of stairs led up to probably an upstairs level. The guy pushed me further into the room, making me fall on the floor. I turned around to look at him. He was towering over me, proudly smirking. "Welcome to your new home, slave." eBook categories: Kidnapping
