Defy is a smutty, insta-love, insta-lust short novella. Defy is a prequel

to *Vicious (Sinners of Saint #1)*. It is recommended, but unnecessary, to read *Defy* before reading *Vicious*. My name is Melody Greene, and I have a confession to make. I slept with my student, a senior in high school. Multiple times. I had multiple orgasms. In multiple positions. I slept with my student and I enjoyed it. I slept with my student and I'd do it all over again if I could turn back time. My name is Melody Greene, and I got kicked out of my position as a teacher and did my walk of shame a la Cersei Lannister from the principal's office, minutes after said principal threatened to call the cops on me. My name is Melody Greene, and I did something bad because it made me feel good. Here is why it was totally worth it.

Lo Moving to River's Edge was supposed to be a fresh start. Away from chaos. Away from bad influences and worse relationships. All I wanted was to give my little brother more of a chance than I ever had. It should've been simple. I didn't count on my transgressions following me. And I definitely didn't count on meeting Dare. Tall, tortured, and tattooed. A *Lost Boy* through and through. Falling for someone like him was asking for heartache. But I was a sucker for punishment. Dare I had a routine. Eat, work, sleep, repeat, only ever doing the bare minimum to keep up appearances. I kept my circle small and my guard high. I spent years making sure I didn't repeat the mistakes of my past, forming an impenetrable layer of ice around my heart. Then Logan showed up in my town, in my tattoo shop, testing my patience along with my self-control. She was fire and I was ice. I should've stayed away. But I had been cold for far too long. *Echoes at Dawn* Berkley

Highlander Taken

#1 USA Today and New York Times bestselling author Maya Banks continues her suspenseful and sizzling *Slow Burn* series with this fourth book—a mesmerizingly sexy tale of a strong, brilliant woman who encounters the one man who makes her lose all control. Eliza Cummings

fought free of a monster who terrorized her when she was an innocent teenager and helped put him away for good. She took a job with Devereaux Security Services and devoted every hour to taking down the very thing she'd nearly become. No one, not even those closest to her, know her darkest, shameful secrets. But now the killer has been set free on a legal loophole and it's only a matter of time before he comes for her. Eliza's only choice is to run and lead the monster away from the people she loves. Wade Sterling has

always lived by his own rules, a law unto himself who answers to no one. He's never professed to be a good man, and he's definitely not hero material. Wade never allows anyone close enough to see the man behind the impenetrable mask—but one woman threatens his carefully leashed control. He took a bullet for her and the result was more than a piece of metal entrenched in his skin. She was under his skin and nothing he did rid himself of the woman with the courage of a warrior and who

thinks nothing of putting her life before others. But when Wade sees a panicked and haunted Eliza he knows something is very wrong, because the fool woman has never been afraid of anything. And when she tries to run, the primal beast barely lurking beneath his deceptively polished façade erupts in a rage. She may not know it, but she belongs to him. This time, Eliza isn't going to play the protector. She was damn well going to be the protected. And as long as Wade breathes, no one will ever hurt what is his.
