Fun with Language John Wiley & Sons

On Being a Language Teacher provides an innovative, personal approach to second-language teaching. Through illustrative personal anecdotes, this text guides new and aspiring language teachers through key pedagogical strategies while encouraging productive reflection by classroom veterans. An ancillary website provides online videos to complement the text by showing an experienced teacher applying the book's lessons. In a market dominated by dense theoretical approaches to language pedagogy, this text provides an instantly accessible, practical set of teaching tools for educators at all levels. Its accessible style and affordability give it the flexibility to serve as either a primary or a supplemental text for teaching assistants, students in credential programs, or undergraduates in applied linguistics courses.

Fun English Modern

Language Association SILLY UNICORN COVER TEACHER NOTEBOOK AND JOURNAL This funny teacher inspired notebook and journal is just what a teacher, teaching assistant, school education faculty or staff member needs to stay inspired and excited for the day. Even better than a teacher or professor simply having such a book, is when it's provided to them as a give at the beginning or end of the year, or during Teacher Appreciation Week. Not only is this journal visually appealing, it also allows for simple note taking or writing about whatever is going on in everyday life. With a unicorn cartoon and a colorful text color, it also displays the grade or teaching subject of choice. All teachers help make the world go round and are educating our countries youth all the time. They also aren't getting the salary, love, appreciation and attention they deserve. While this book is a simple gift, it could make the world of a difference for the teacher who it might be given to. Unlike other notepads and journals that just have blank pages and nothing to work off of, this book features 120 pages of

lined paper which allows for writing in any style or direction the book owner likes. The setup of this writing book is perfect for notes, reminders, creating to-do lists and highlighting your top priorities -- all of which allows for easy navigation and complete creativity. Need to take notes? Write down school education and lesson plans? Jot down a new business plan? Have a daily diary or journal? It's all possible with this inspiring notebook and journal that is completely original and customized to fit your needs. SIZE: 6 X 9 PAPER: Lined White Paper FEATURES: Original Art Cover PAGES: 120 Pages COVER: Soft Cover (Matte) Limited Time Offer Perfect for note taking, journaling and to-do lists Printed on high quality interior stock paper Premium matte finish cover with amazing art work Order your copy today!

them for classroom use. *The Funny Life of Teachers* Key Education Publishing Uncover the ridiculously funny life of teachers (and some things that have nothing to do with teachers but are still splendidly funny) according to James Campbell, comedian extraordinaire. Ever wondered what teachers do when they're not in the classroom? Are they undercover detectives, champion roller-blade dancers or do they spend their evenings playing with their 576 cats? This face-achingly funny book will also teach you why you should carry an emergency banana with you at all times, how to fart in class silently without anyone knowing it was you and how to catapult yourself to school by building a medieval style catapult in your back garden! Whether you love or loathe your teachers, want to become one when you grow up or don't give two figs about your teacher but simply love a HILARIOUS read, this book is for you. Prepare to roll around the floor laughing with the snot-inducingly brilliant *The Funny Life of Teachers*. But be warned – this is NOT a normal book. You can read it forwards,

backwards, sideways and in approximately 861,000 different ways in between. Whichever way you read it, look no further for fantastic real-life teacher facts, incredibly funny illustrations, imaginary stories and an impossibly silly read! *Spanish is Fun Create Your World Books* Be a successful, fun teacher with this action-packed games book for children learning English & FREE BONUS How would you like to have happy, motivated pupils who love learning English with you ? By applying over 100 simple tips to things you already do, such as listening to music or surfing the Web, you can experience the joy of "fluency" in any language without having to study abroad or spend money on private tutors. In *Language is Music*, Susanna Zaraysky masterfully shares her listening methods so that anyone can have fun learning any language. With over 100 tips and 100 free or low-cost Internet resources, you will learn how to use daily activities, such as watching T.V. or listening to music; conversation partners; and attendance at cultural events to become a masterful

speaker of any tongue. "Learning foreign languages is like learning to sing a song or play music," says self-made linguist Susanna Zaraysky and author of *Language is Music*. Zaraysky has what you might call "an ear" for languages, having used music to successfully learn English, Russian, French, Spanish, Italian, Portuguese, and Serbo-Croatian-all with excellent accents. Advance Praise for *Language is Music* "I love it! I think it will help people who want to learn, and those who are curious about additional language learning. Many people want to learn a language but are frightened, or disappointed by the courses they have taken. Reading *Language is Music* will encourage them to try again, on their own and with friendly supporters." -Dr. Elba Maldonado-Colon, Professor Department of Elementary Education Bilingual Program, San Jose State University LET IT JUST ROLL OFF YOUR TONGUE. With lyrical insight and solid experience, Susanna Zaraysky, author of *Language is Music*, provides easy steps for learning a language. Gone are the boring, disconnected strategies

that most of us remember from school. You've never learned a language this quickly and easily. Zaraysky's methods embody fun, connection, rhythm, and above all...music. -Suzanne Lettrick, M.Ed Educator and Founder of The Global Education and Action Network "Forget dictionaries and phrase books . . . Susanna Zaraysky's easy-to-use guide to language learning is indispensable for any serious language learner wanting to become fluent--not just conversationally proficient--in another language. Language is Music will teach you how to make language acquisition a part of your daily life, and to recreate the kind of total-immersion environment necessary for fluency. Highly recommended reading for aspiring polyglots. Pick up this book and you too will be all ears!" -Justin Liang, Japanese, Mandarin, Cantonese, Marshallese, intermediate Spanish Back in France, I spent many years learning "academic" English in school. But I progressed much faster when I forced myself to listen to the BBC or not look at the subtitles when watching an

American movie. I wish I had Susanna's book with me then. It's full of creative ideas and practical tips that are indispensable complements to the traditional methods of learning foreign languages -- and it's coming from someone you can trust, she speaks so many of them! - Philippe Levy, French native speaker This book is great. It showed me another aspect and a new approach of learning a language. I will put the book to good use. As a foreign English speaker, I spent many years at school learning English and did not make much progress. A lot of the tips that I read in this book, I learned them with time. However if I had read this book earlier, it would have made my life much easier and I would have saved so much time. I am going to apply the tips in Language is Music into learning a third language: Spanish. This time, I am sure I will make huge progress much faster. Not only is Language is Music useful in acquiring a foreign language, but the resources and websites in the book are valuable for someone who wants to travel abroad. -Fabien Hsu, French native

speaker

Notebook specification cute design saying World's Okayest language teacher, 100 pages, soft cover, black and white interior, lined and special space for date, 6x9 inches **Teaching English as a Foreign Language For Dummies** Cambridge University Press Students learning modern foreign languages often comment that it is just too hard to learn, and remember, all of vocabulary presented to them. Yes, there is a lot of content that needs to be covered, and a lot of vocabulary that needs to be learned. But there is a way of making this process engaging and motivating. Language lessons needn't be full of grammar worksheets, endless drilling and rote learning lists of vocabulary. Learning languages isn't always fun and games. But these aren't games; they are fun learning activities. And they can help revolutionise language teaching; enabling teachers to authoritatively impart knowledge while fostering a thirst for knowledge and love of learning in their students. First, the Vocab Fun Learning Activities

(VFLAs) learn the vocabulary in ways which will improve recognition and recall. Then, the Fun Learning Activities use this vocabulary knowledge to build sentences and paragraphs; explore and use this language while keeping the whole class engaged and actively learning. The activities are designed to encourage all students to participate and learn more through enjoyment. Based on the author's extensive classroom experience, and underpinned by research into how students learn best, each activity comes complete with a detailed explanation and plenty of ideas for variations, differentiations and extensions. The activities come with example vocabulary lists in French, German and Spanish as a starting point, which are all available for download via a link provided in the book. However, the activities will work effectively in any language and with any vocabulary list of the teacher's choosing, and can be adapted to suit every topic, learning objective and age range. Discover ready to use activities which will make for outstanding lessons in

every class and ensure engagement, motivation, rapport, progress and attainment over time.
