Nothing compares to the physical chemistry between an immortal and his life mate—or to the spellbinding thrills in a new Argeneau novel by New York Times bestselling author Lynsay Sands... A simple promise to protect her friend's infant son has turned Allie Chambers' existence upside down. Caring for—and feeding—an orphaned vampire baby has been tricky enough. But as little Liam grows, so does his appetite. He needs more blood than she can personally supply. And when her attempts to steal from a blood bank go awry, Allie wakes up surrounded by doctors, cops...and the gorgeous, mesmerizing Magnus, who she can neither trust nor resist. Magnus never expected to find his life mate breaking into a blood bank. Clearly, Allie is already entwined with his world—in deeper, more dangerous ways than she realizes. A band of vicious rogue immortals is in pursuit, and Magnus' first task is to keep her safe. His second: to awaken her to mind-blowing pleasure, and hope she'll accept the life, and the passion, that only he can offer.

In the newest Argeneau novel from New York Times bestselling author Lynsay Sands, an immortal barely escapes a raging fire only to kindle a sizzling

passion with his potential life mate. Mac Argeneau knows all too well: immortals can be killed. Not with holy water or silver crosses, but by decapitation or being set on fire. So when Mac's house bursts into flames—with him inside—he's sure it was no accident. But who would want to kill a scientist specializing in hematology? There is a silver lining: a blonde investigator appears on the scene and sparks feelings in him that have been dormant for centuries. CJ Cummings is in town on a special investigation, but she's been waylaid by the local police to deal with this arson case. The biggest mystery is how this sexy scientist with silvery blue eyes has emerged from a blazing inferno without a burn mark on him. He's clearly hiding something. Sure, she'd love to see him without his lab coat, but she's got a job to do—despite his insistence that he needs a bodyguard and...he wants her. But when a second attempt on their lives puts CJ in harm's way, it's Mac who will do anything to safeguard the woman who's destined to be his life mate.
