switched-on, excited, and critical. Written with one single focus in mind: students. Criminology - Paperback - Steve Case, Phil Johnson, David ... In sociology, deviance describes an action or behavior that violates social norms, including a formally enacted rule (e.g., crime), as well as informal violations of social norms (e.g., rejecting folkways and mores). Although deviance may have a negative connotation, the violation of social norms is not always a negative action; positive deviation exists in some situations. Criminology: A Sociological Understanding, Sixth Edition, provides a sociological perspective on crime and criminal justice by treating social structure and social inequality as central themes in the study of crime—and major factors in society's treatment of criminals. It pays explicit attention to key sociological concepts such as poverty, gender, race, and ethnicity, and demonstrates their influence on crime.
