From South America to Holland to Nepal—a new journey in the company of Paulo Coelho, bestselling author of *The Alchemist*. Drawing on the rich experience of his own life, bestselling author Paulo Coelho takes us back in time to relive the dreams of a generation that longed for peace. In *Hippie*, he tells the story of Paulo, a young, skinny Brazilian man with a goatee and long, flowing hair, who dreams of becoming a writer, and Karla, a Dutch woman in her twenties who has been waiting to find a companion to accompany her on the fabled hippie trail to Nepal. After meeting each other in Amsterdam, she convinces Paulo to join her on a trip aboard the Magic Bus that travels from Amsterdam to Istanbul and across Central Asia to Kathmandu. As they embark on this journey together, Paulo and Karla explore a love affair that awakens them on every level and leads to choices and decisions that will set the course for their lives thereafter.

An Encounter with Angels Penguin UK

Linda, in her thirties, begins to question the routine and predictability of her days. In everybody's eyes, she has a perfect life: happy marriage, children, and a career. Yet what she feels is an enormous sense of dissatisfaction. All that changes when she encounters a successful politician who had, years earlier, been her high-school boyfriend. As she rediscovers the passion missing from her life, she will face a life-altering choice.

When Only Love Remains Vintage

From the New York Times bestselling author of *Alternate Side*, Anna Quindlen's classic reflection on a meaningful life makes a perfect gift for any occasion. "Life is made of moments, small pieces of silver amidst long stretches of tedium. It would be wonderful if they came to us unsummoned, but particularly in lives as busy as the ones most of us lead now, that won't happen. We have to teach ourselves now to live, really live . . . to love the journey, not the destination." In this treasure of a book, Anna Quindlen, the bestselling novelist and columnist, reflects on what it takes to "get a life"—to live deeply every day and from your own unique self, rather than merely to exist through your days. "Knowledge of our own mortality is the

greatest gift God ever gives us,” Quindlen writes, “because unless you know the clock is ticking, it is so easy to waste our days, our lives.” Her mother died when Quindlen was nineteen: “It was the dividing line between seeing the world in black and white, and in Technicolor. The lights came on for the darkest possible reason. . . . I learned something enduring, in a very short period of time, about life. And that was that it was glorious, and that you had no business taking it for granted.” But how to live from that perspective, to fully engage in our days? In *A Short Guide to a Happy Life*, Quindlen guides us with an understanding that comes from knowing how to see the view, the richness in living.

A Journal of Discovery HarperCollins

In this “hypnotic, violent, unsparing” (A.J. Banner, *USA TODAY* bestselling author) thriller from the author of the “haunting, twisting thrill ride” (Megan Miranda, *New York Times* bestselling author) *The River at Night*, a young woman leaves behind everything she knows to take on the Bolivian jungle, but her excursion abroad quickly turns into a fight for her life. Lily Bushwold thought she’d found the antidote to endless foster care and group homes: a gig teaching English in Cochabamba, Bolivia. As soon as she could steal enough cash for the plane, she was on it. But the program was a scam. And bonding with other broke, rudderless girls in the local youth hostel wasn’t the answer. Falling crazy in love with Omar, a savvy, handsome local who’d left his life as a hunter in Ayachero—a remote jungle village—to try city life: this was the last thing Lily could have imagined. When Omar learns that a jaguar had killed his four-year-old nephew in Ayachero, he gives Lily a choice: stay alone in the unforgiving city, or travel to the last in the ever-more-isolated string of river towns in the jungles of Bolivia. Thirty-foot anacondas? Puppy-sized spiders? Vengeful shamans with unspeakable powers? None of it matters to love-struck Lily. She follows Omar to a ruthless new world of lawless poachers, bullheaded missionaries, and desperate indigenous tribes driven to the brink of extinction. To survive, Lily must navigate the jungle—and all its residents—using only her wits and resilience. “Gripping, breathtaking, and exquisitely told—Into the Jungle pulls you into another world, returning you forever transformed” (Wendy Walker, *USA TODAY* bestselling author).

A Novel Harper Collins

“The book casts a curiously sweet spell.” – Entertainment Weekly Eleven Minutes tells the story of Maria, a young girl from a Brazilian village whose first innocent brushes with love leave her heartbroken. At a tender age, she becomes convinced that she will never find true love, instead believing that “love is a terrible thing that will make you suffer.” A chance meeting in Rio takes her to Geneva, where she dreams of finding fame and fortune, yet ends up working as a prostitute. In Geneva, Maria’s despairing view of love is put to the test when she meets a handsome young painter. In this odyssey of self-discovery, Maria must choose between pursuing a path of darkness—sexual pleasure for its own sake—or risking everything to find her own inner light and the possibility of true love.

Journey Knopf

How do we find the courage to always be true to ourselves—even if we are unsure of who we are? That is the central question of international bestselling author Paulo Coelho’s profound new work, *The Witch of Portobello*. It is the story of a mysterious woman named Athena, told by the many who knew her well—or hardly at all. Like *The Alchemist*, *The Witch of Portobello* is the kind of story that will transform the way readers think about love, passion, joy, and sacrifice.

Confessions of a Pilgrim Harper Collins

“Filled with wisdom and thought experiments and things that will mess with your mind.” — Neil Gaiman, author of *The Graveyard Book* and *American Gods* In sharply argued, fast-moving chapters, Cory Doctorow’s *Information Doesn’t Want to Be Free* takes on the state of copyright and creative success in the digital age. Can small artists still thrive in the Internet era? Can giant record labels avoid alienating their audiences? This is a book about the pitfalls and the opportunities that creative industries (and individuals) are confronting today — about how the old models have failed or found new footing, and about what might soon replace them. An essential read for anyone with a stake in the future of the arts, *Information Doesn’t Want to Be Free* offers a vivid guide to the ways creativity and the Internet interact today, and to what might be coming next. This book is DRM-free.

In this riveting novel, Danielle Steel reveals the dark side of fame and fortune, when a renowned film director confronts an act of unimaginable treachery. *BETRAYAL* At thirty-nine, director Tallie Jones is a Hollywood legend, whose award-winning films enjoy both critical and commercial success. With no interest in the glitz of Los Angeles, Tallie centers her life on her work and her devoted inner circle: her family, her producing partner and live-in lover, and her longtime personal assistant and best friend. As Tallie is in the midst of her most ambitious film yet, small disturbances begin to ripple through her world. An audit reveals troubling discrepancies in the records maintained by Tallie’s trusted accountant. Mysterious receipts hint at activities of which she has no knowledge. Soon it becomes clear that someone close to Tallie has been steadily funneling away enormous amounts of her money. After an escalating series of shattering revelations, Tallie must face the harsh truth behind her seemingly perfect life: that sometimes trust can be the greatest illusion of all. Includes an excerpt of Danielle Steel’s *Until the End of Time*

Selected Quotations Harper Collins

The world is full of problems and conflicts. So why can we not solve them? According to Edward de Bono, world thinking cannot solve world problems

because world thinking is itself the problem. And this is getting worse: we are so accustomed to readily available information online that we search immediately for the answers rather than thinking about them. Our minds function like trying to drive a car using only one wheel. There’s nothing wrong with that one wheel - conventional thinking - but we could all get a lot further if we used all four... De Bono examines why we think the way we do from a historical perspective and uses some of his famous thinking techniques, such as lateral thinking, combined with new ideas to show us how to change the way we think. If we strengthen our ability and raise our thinking level, other areas of our life - both personal and business success - will improve. De Bono is the master of the original big 'concept' book and his enticement to us to use our minds as constructively as possible should appeal to a whole new generation of fans.

The story of the treasures Santiago finds along the way teaches us, as only a few stories have done, about the essential wisdom of listening to our hearts, learning to read the omens strewn along life’s path, and, above all, following our dreams.

A Short Guide to a Happy Life Harper Collins

Paulo Coelho: A Warrior’s Life is the first-ever biography of the man whose books have sold an astounding 100 million copies worldwide, making him one of the bestselling authors of all time. Paulo Coelho’s life begins with a complicated birth in Rio de Janeiro, Brazil, in August 1947. He was known as the “boy who was born dead” and who ultimately survived against all odds. Before he became internationally known as a worldwide bestselling author, Paulo lived many different lives. He flirted with suicide, was committed by his parents to insane asylums, suffered the brutality of electric shock therapy, dove into drugs, tried several varieties of sex, met the devil, spent time in prison, helped revolutionize Brazilian rock with musician Raul Seixas, and finally rediscovered his faith in 1986 as he walked the sacred Road to Santiago de Compostela, a medieval pilgrim’s route between France and Spain. Coelho would later describe this life-changing spiritual experience in his first book, *The Pilgrimage*. The following year, *The Alchemist* established his worldwide reputation. The novel has already achieved the status of a universally admired modern classic. Now, for the first time, discover the life story of one of the most widely read and adored authors of our time.

“Giffin excels at creating complex characters and stories that ask us to explore what we really want from our lives.”--Atlanta Journal-Constitution Tessa Russo is the mother of two young children and the wife of a renowned pediatric surgeon. Despite her own mother’s warnings, Tessa has recently given up her career to focus on her family and the pursuit of domestic happiness. From the outside, she seems destined to live a charmed life. Valerie Anderson is an attorney and single mother to six-year-old Charlie--a boy who has never known his father. After too many disappointments, she has given up on romance--and even to some degree, friendships--believing that it is always safer not to expect too much. Although both women live in the same Boston suburb, the two have relatively little in common aside from a fierce love for their children. But one night, a tragic accident causes their lives to converge in ways no one could have imagined. In alternating, pitch-perfect points of view, Emily Giffin’s *Heart of the Matter* creates a moving, luminous story of good people caught in untenable circumstances. Each being tested in ways they never thought possible. Each questioning everything they once believed. And each ultimately discovering what truly matters most.

A novel Harper Collins

The latest novel from the #1 internationally best-selling author of *The Alchemist*. There is nothing wrong with anxiety. Although we cannot control God’s time, it is part of the human condition to want to receive the thing we are waiting for as quickly as possible. Or to drive away whatever is causing our fear. . . . Anxiety was born in the very same moment as mankind. And since we will never be able to master it, we will have to learn to live with it—just as we have learned to live with storms. * * * July 14, 1099. Jerusalem awaits the invasion of the crusaders who have surrounded the city’s gates. There, inside the ancient city’s walls, men and women of every age and every faith have gathered to hear the wise words of a mysterious man known only as the Copt. He has summoned the townspeople to address their fears with truth: “Tomorrow, harmony will become discord. Joy will be replaced by grief. Peace will give way to war. . . . None of us can know what tomorrow will hold, because each day has its good and its bad moments. So, when you ask your questions, forget about the troops outside and the fear inside. Our task is not to leave a record of what happened on this date for those who will inherit the Earth; history will take care of that. Therefore, we will speak about our daily lives, about the difficulties we have had to face.” The people begin with questions about defeat, struggle, and the nature of their enemies; they contemplate the will to change and the virtues of loyalty and solitude; and they ultimately turn to questions of beauty, love, wisdom, sex, elegance, and what the future holds. “What is success?” poses the Copt. “It is being able to go to bed each night with your soul at peace.” * * * Now, these many centuries later, the wise man’s answers are a record of the human values that have endured throughout time. And, in Paulo Coelho’s hands, *The Manuscript Found in Accra* reveals that who we are, what we fear, and what we hope for the future come from the knowledge and belief that can be found within us, and not from the adversity that surrounds us. This eBook edition includes a Reading Group Guide.

A Novel of Redemption Center Street

In this powerful memoir, bestselling author Alison Pick (nominated for the Man Booker Prize) channels Karen Armstrong and Anne Lamott as she explains the shocking family secret that eventually led to her mid-life conversion to Judaism—exploring powerful, provocative questions about family, faith, and the burdens of inheritance. Alison Pick grew up in a tight-knit Christian family who went to church regularly and ate pork chops on

Christmas Eve. But as a teenager, she stumbled into a remarkable family secret: her paternal grandparents, with whom she was very close, fled to Canada from the Czech Republic at the start of WWII because they were Jewish. But other members of her family hesitated to emigrate, and they paid the ultimate price for their choice when they were sent to Auschwitz. Haunted by the Holocaust, Alison's grandparents established themselves in their new lives as Christians. Not even Alison's father knew of his parents' past until he visited the Jewish cemetery in Prague as an adult. This atmosphere of shame and secrecy dogged Alison's journey into adulthood, and by her early thirties she had fallen into a crippling depression. Drowning in a sense of emptiness, she felt drawn to the Jewish community, and found inspiration for her international bestseller *Far to Go* in her family's harrowing past. Eventually she came to realize that her true path forward lay in reclaiming her history and identity as a Jew. Alison began attending classes about the conversion process and found a rabbi who would sponsor her participation. But the process was far from easy as old wounds were opened, and all of her relationships were tested. Profound, insightful, honest—and masterfully written—*Between Gods* forces us to reexamine our beliefs and the extent to which they define us.

A Novel of Forgiveness Harper Collins

"Trapped in their cozy catacombs, the couples have made sex by turns their toy, their glue, their trauma, their therapy, their hope, their frustration,

their revenge, their narcotic, their main line of communication and their sole and pitiable shield against the awareness of death."—Time One of the signature novels of the American 1960s, *Couples* is a book that, when it debuted, scandalized the public with prose pictures of the way people live, and that today provides an engrossing epitaph to the short, happy life of the "post-Pill paradise." It chronicles the interactions of ten young married couples in a seaside New England community who make a cult of sex and of themselves. The group of acquaintances form a magical circle, complete with ritualistic games, religious substitutions, a priest (Freddy Thorne), and a scapegoat (Piet Hanema). As with most American utopias, this one's existence is brief and unsustainable, but the "imaginative quest" that inspires its creation is eternal. Praise for *Couples* "Couples [is] John Updike's tour de force of extramarital wanderlust."—The New York Times Book Review "Ingenious . . . If this is a dirty book, I don't see how sex can be written about at all."—Wilfrid Sheed, The New York Times Book Review

A Novel Bluebird

In his new novel, Paulo Coelho, bestselling author of *The Alchemist* and *Adultery*, brings to life one of history's most enigmatic women: Mata Hari. HER ONLY CRIME WAS TO BE AN INDEPENDENT WOMAN When Mata Hari arrived in Paris she was penniless. Within months she was the most celebrated woman in the city. As a dancer, she shocked and delighted audiences; as a courtesan, she bewitched the era's richest and most powerful men. But as paranoia consumed a country at war, Mata Hari's lifestyle brought her under suspicion. In 1917, she was arrested in her hotel room on the Champs Elysees, and accused of espionage. Told in Mata Hari's voice through her final letter, *The Spy* is the unforgettable story of a woman who dared to defy convention and who paid the ultimate price.
