 Searching for and finding a peace that is unfettered by fear, anxiety, and circumstances has been a lifelong dream for Qené. Using her unique writing style of prose, prayers, and modern-day parables, she has crafted many tales of her journey of faith. This is the journey of one who loved religion but finally found her peace in a relationship with the Savior, the one who is the Prince of Peace. Each step along the journey ultimately prepared her for a near-death experience, in which she stood at the door of death with Jesus and asked the all-important question, "Is this to be the number of my days?" This is laced with scripture and study questions, and you will be drawn into each story to examine your own journey of faith and find a peace unfettered. Experience how to let your faith be bigger than your fear.

 This book is action-packed with fresh revelation from heaven.

Who am I to receive such precious insight on the kingdom of God? Writing this book really revealed to me of how much God loves us through these hidden truths. One of the most important part of our Christian walk is finding out our purpose for life. This will only come through Jesus ministering to us. This is exactly what happened to me as I wrote this book. I thought that I would one day pastor a church, but as I was writing this book, Jesus revealed to me that this is my purpose for life. While writing, I realized that everything was coming to me so effortlessly and I was enjoying it so much that He just confirmed what I was thinking. This is exactly what will happen for you. We have to learn to rest in Jesus, and He will flow through us to bless others. This is what I call the Jesus' Ministry. As we yield to Jesus, He will reveal our purpose for life that He will use to bless other people. This will bring great fulfillment to your life, as well as allowing Jesus to minister to others through you.

 There is music and harmony in the soul attuned to God. Music, in all its glory, its multitude of chords and intricate melodies, begins

with a simple seven-note scale. God fashions soul harmony in many ways, just as He is the creative force behind the sounds that enchant our ears and thrill our senses when composers present their masterpieces for our enjoyment. In "Heart Chords" I have chosen seven themes: Longing, listening, learning, leaning, living, loving, lauding. As I worship Him, within these unique yet inseparable life applications, I am finding peace and harmony with the lover of my soul. May you enjoy the melody He is composing in my heart! Soli Deo Gloria! -Lois Williams Lois Williams makes her home at Jubilee, an active adult community in Lacey, WA with her husband, Fred. She is a poet, speaker and writer. Lois teaches "Soul Expression" journaling workshops around the country. One of God's gifted communicators, she also speaks at women's retreats and other events, and is an enthusiastic advocate of spiritual journaling; enjoying helping God's people learn this art for their own devotional refreshment. Lois enjoys spending time with her family and the community around her, developing a deeper relationship with God and celebrating the freedom it brings. Her poetry will bring you closer to God. It will bless you, instruct you and admonish you. This is Lois' second book. Her first volume of meditations is "Psalms From the Pathway." (Xulon Press, 1993).

And he spake a parable unto them to this end that men ought always to pray, and not faint...Luke 18:1 From this we realized that prayer is the foundation, central and core pillar of Christianity that triggers all the exploits of the miraculous believer. In buttressing this point, we realize that the master's disciples' according to the eleventh chapter of Luke said Lord teach us how to pray asThe disciples had walked with Jesus and had seen him working miracles, doing greater works, teaching and preaching, prophesying and healing yet they requested not any of these things but said Lord "teach us how to pray..". This is to say that, they caught the revelation secret of the master as getting things done in his ministry was how he could attract the attention of heaven through PRAYER. I still do not understand why the disciples did not say : Lord pray for us or Lord pray with us but Lord teach us. This means everyone can pray but everyone cannot receive answers to their prayer

This is the story of one man's lifelong journey into wholeness, starting with a challenging adolescence and through a debilitating injury in adulthood. It's an exploration of the meaning of life and living as found in various spiritual beliefs: Judaism, Christianity, Native American beliefs, Islam, Buddhism, Nature, and the Cosmos, among others. Through the ups and downs, health and illness, and journeys to explore our world's cultures, Warren Malkoff found the true health and peace of the words in the Bible: whatever is pure, admirable and true, set your mind on these things. May the journey between these covers bring you to true peace.

In September of 1963, Reverend Lawrence Roberts and the Angelic Choir of the First Baptist Church of Nutley, New Jersey, teamed with rising gospel star James Cleveland to record Peace Be Still. The LP and its haunting title track became a phenomenon. Robert M. Marovich draws on extensive oral interviews and archival research to chart the history of Peace Be Still and the people who created it. Emerging from an established gospel music milieu, Peace Be Still spent several years as the bestselling gospel album of all time. As such, it forged a template for live recordings of services that transformed the gospel music business and Black worship. Marovich also delves into the music's

connection to fans and churchgoers, its enormous popularity then and now, and the influence of the Civil Rights Movement on the music's message and reception. The first in-depth history of a foundational recording, *Peace Be Still* shines a spotlight on the people and times that created a gospel music touchstone.

The world's great religious and philosophical traditions often include poignant testimonies of spiritual turmoil and healing. Following episodes of harrowing personal crisis, including addictions, periods of anxiety and panic, and reminders of mortality, these accounts then also describe pathways to consolation and resolution. In *Making Peace with the Universe*, Michael Scott Alexander reads diverse classic religious accounts as masterpieces of therapeutic insight. In the company of William James, Socrates, Muslim legal scholar turned mystic Hamid al-Ghazali, Chinggis Khan as described by the Daoist monk Qui Chuji, and jazz musician and Catholic convert Mary Lou Williams, Alexander traces the steps from existential crisis to psychological health. He recasts spiritual confessions as case histories of therapy, showing how they remain radical and deeply meaningful even in an age of scientific psychology. They record the therapeutic affect of spiritual experience, testifying to the achievement of psychological well-being through the cultivation of an edifying spiritual mood. Mixing scholarly learning with episodes from his own skeptical quest, Alexander demonstrates how these accounts of private terror and personal triumph offer a model of therapy through spiritual adventure. An interdisciplinary consideration of the shared terrain of religion and psychology, *Making Peace with the Universe* offers an innovative view of what spiritual traditions can teach us about finding meaning in the modern world.

Teachers asked Carole Flatau to arrange a collection of hymns for the Glover series. Their requests have been answered. This folio contains 28 hymns in singable keys -- each piece is usable as piano solo or as accompaniment for singing. The arrangements, of course, are pleasing to the ear as well as to the fingers. This collection will be a worthy supplementary book to use with the David Carr Glover Method for Piano or with any other piano method. Federation Festivals 2011-2013 selection.
