CORINNE KAITLIN

The Dark Shadows Daybook Oxford University Press

The author was an 8th grade survivor of the Lady of Angels school fire in Chicago in 1958 in which 92 children and three nuns lost their lives. The author not only discusses this horrendous fire but discusses the psychological as well as the burn scars in the aftermath.

A Rifleman Went to War Harry N Abrams Incorporated

What is "normal sexual behavior" in a child? Childhood sexuality is an often neglected field in sex research. There is very little literature about what one might call "normal child sexual behavior." The existing literature on child sexuality gives the impression that the only way in which children figure in sexological research is as objects of sexual abuse. The child, as a subject learning about sexuality and capable of experiencing sexual pleasures, doesn't seem to exist in scholarly papers. Childhood Sexuality: Normal Behavior and Development does not focus on sexual abuse but instead deals with what can be described as "normal" sexual behavior and development in children under age 12. This valuable book offers information about the relationship between age and sexual development, both mental and physical, in both males and females. Childhood Sexuality: Normal Behavior and Development explores several issues, including: what children ages two to six think or know about sexuality the ways that children learn about sexuality and procreation the process of body discovery among children what normal sexual behaviors to expect in children of various ages the

importance of growing up in a positive environment the differences in sexual development between children of the same age and gender ways to get honest answers from children and parents about sexuality Comprehensive and enlightening, Childhood Sexuality examines the difficulties of gathering this information from children and gives insight into questions that need to be answered in the future. This guide delivers a diverse look at the complex and intriguing topic of normal child sexuality and the progress that is being made in this area of research.

The Handbook of Art and Design

Librarianship Oxford University Press

Now a Showtime limited series starring Ethan Hawke and Daveed Diggs Winner of the National Book Award for Fiction From the bestselling author of Deacon King Kong (an Oprah Book Club pick) and The Color of Water comes the story of a young boy born a slave who joins John Brown's antislavery crusade—and who must pass as a girl to survive. Henry Shackleford is a young slave living in the Kansas Territory in 1856--a battleground between anti- and pro-slavery forces--when legendary abolitionist John Brown arrives. When an argument between Brown and Henry's master turns violent, Henry is forced to leave town--along with Brown, who believes Henry to be a girl and his good luck charm. Over the ensuing months, Henry, whom Brown nicknames Little Onion, conceals his true identity to stay alive. Eventually Brown sweeps him into the historic raid on Harpers Ferry in 1859--one of the great catalysts for the Civil War. An absorbing mixture of history and imagination, and told with McBride's meticulous eye for detail and character, The Good Lord Bird is both a rousing adventure and a moving exploration of identity and

survival.

Seeing Silence HarperCollins

In his first book, actor and musician John Lithgow introduces a memorable character, a fickle yet lovable child prodigy who brings the sounds and rhythms of an orchestra to sprawling visual life. With a double gatefold showing the entire orchestra, this is the ultimate book for the music lover in all of us.

Hearings Before the Committee on the Judiciary, United States Senate, One Hundredth Congress, First Session, on Confirmation of Appointments to the Federal Judiciary and the Department of Justice Greenwood Publishing Group

A debut YA novel-in-verse by Amber McBride, *Me (Moth)* is about a teen girl who is grieving the deaths of her family, and a teen boy who crosses her path. Moth has lost her family in an accident. Though she lives with her aunt, she feels alone and uprooted. Until she meets Sani, a boy who is also searching for his roots. If he knows more about where he comes from, maybe he'll be able to understand his ongoing depression. And if Moth can help him feel grounded, then perhaps she too will discover the history she carries in her bones. Moth and Sani take a road trip that has them chasing ghosts and searching for ancestors. The way each moves forward is surprising, powerful, and unforgettable. Here is an exquisite and uplifting novel about identity, first love, and the ways that our memories and our roots steer us through the universe.

The Parent's Guide to Protecting Your Child, Strengthening Your Family, and Talking to Kids About Sex, Abuse, and Bullying Routledge

One of the most beloved radio show hosts of the 1940s and 1950s, Mary Margaret McBride (1899–1976)

regularly attracted between six and eight million listeners to her daily one o'clock broadcast. During her twenty years on the air she interviewed tens of thousands of people, from President Harry Truman and Frank Lloyd Wright to Rachel Carson and Zora Neale Hurston. This is her story. Five decades after their broadcast, her shows remain remarkably fresh and interesting. And yet McBride—the Oprah Winfrey of her day—has been practically forgotten, both in radio history and in the history of twentieth-century popular culture, primarily because she was a woman and because she was on daytime radio. Susan Ware explains how Mary Margaret McBride was one of the first to exploit the cultural and political importance of talk radio, pioneering the magazine-style format that many talk shows still use. This radio biography recreates the world of daytime radio from the 1930s through the 1950s, confirming the enormous significance of radio to everyday life, especially for women. In the first in-depth treatment of McBride, Ware starts with a description of how widely McBride was revered in the mid-1940s—the fifteenth anniversary party for her show in 1949 filled Yankee Stadium. Once the readers have gotten to know Mary Margaret (as everyone called her), Ware backtracks to tell the story of McBride's upbringing, her early career, and how she got her start in radio. The latter part of the book picks up McBride's story after World War II and through her death in 1976. An epilogue discusses the contemporary talk show phenomenon with a look back to Mary Margaret McBride's early influence on the format. *The Photo Essay, Paul Fusco & Will McBride* Twelve

An accessible, beautifully crafted and heartbreakingly topical novel about PTSD

and the unseen effects of global conflict on ordinary lives. Beyond the bright lights and casinos lies the real Las Vegas, a forces town. In the predawn hours, a woman's marriage crumbles with a single confession. Across the city, Bashkim, the young son of an immigrant family, observes how they are struggling to get by in the land of opportunity. Three thousand miles away on the other side of the United States, a soldier, recently returned from active service in Iraq, wakes up in hospital with the feeling he's done something awful. In Laura McBride's heartbreaking and authentic novel, these disparate lives are brought together by one split-second choice; this is a story about families, the ones we are born to and the ones we choose to make. Faced with seemingly insurmountable loss, each person must decide whether to give in to despair, or to find the courage and resilience to rise. 'A powerful story of the way in which war detonates far from battlefields, exploding lives in a single irrevocable moment. We Are Called to Risereverberated long after I'd put it down. I can't stop thinking about it' Sarah Blake, *The Postmistress* 'A haunting and unforgettable debut' Marie Claire 'Compelling, emotional and heart-breaking' Sun 'Packs a raw, emotional power' Sunday Mirror 'Like Donna Tartt's... *The Goldfinch*, it strips a layer of gloss off the Las Vegas myth by moving to the families populating suburbia' Grazia

The Canwell Files FriesenPress

Alessandro Bertolotti's unrivalled collection of books on nudes, amassed over thirty years, allows us to explore the history of photographic creations, from the first academic snapshots all the way up to the most audacious avant-gardists. Organized chronothematically,

and accompanied by sociocultural analyses, this work presents over 160 books, from the celebrated to the obscure, and includes all the photographers who made nudes famous: Germaine Krull, Man Ray, Hans Bellmer, Bill Brandt, Araki, Robert Mapplethorpe, Pierre Molinier, Jean Saudek, and Jean-Loup Sieff. Each book is presented with its original cover and a selection of photographs laid out on double-page spreads. With over four hundred reproductions, *Books of Nudes* is an important reference work for every amateur photographer. Paying tribute to the innovative and often ostentatious layout of these publications, this title is also a must-have for anyone passionate about graphic design.

Confirmation Hearings on Federal Appointments Penguin

This book details the foot travels of a young impressionable boy in the middle of the last century. Being enticed by the call of the long winding road, he foot travel's Canada's landscapes in all provinces coast to coast. With this desire to explore his homeland, the boy seeks to experience the unique smells, tastes, and textures of every terrain, of every geographic location, needing to feel a belonging and welcome. This book will track his journey as he moves into adulthood, into the domesticity of a typical Canadian community, and into retirement. Initially innocent and trusting, he is confronted by a society that he sees as hypocritical and criminal and without a moral or social compass. Now as a young man raising a family he sets out to question the social re-engineering of the Canadian establishment and the apathy of his fellow countrymen bothers him deeply. Curious now, he sets out to investigate this troubling situation. Inquisitive and

concerned, he approaches this task with the same vigour, determination, and sensitivity that he sustained through his teen years exploring his Canadian homeland. Now he finds that the re-engineering of his society does not allow for queries or legal protest. Wishing to understand and having an inquisitive nature, he sets out with intent and allows himself to be incarcerated, where he is introduced to Canada's criminal courts and justice system. His suspicions of corruption are confirmed. "However, his findings of this criminal activity are distorted by the compliant criminal media using fabrication and lies." The socially re-engineered community where the older man now lives accepts the media's distortions and inventions as truths and therefore self-evident. The reader of this book will be taken into a neighbourhood unremarkable on the face of it, but a community that sustains a situation that is toxic and unliveable for a man who only sought to feel at home and belong to what he feels could have been a greater country. It is at this point that the reader will come to the realization that they are complicit in this collective malaise, and that they are this man's community and neighbour. They will have seen the enemy and it is they, themselves.

The Sex Book Greenwood Publishing Group

Trained Marine sniper Nathan McBride is no stranger to sacrifice. Fourteen years ago, he paid a heavy price in service to his country when he was tortured to the brink of death by Nicaraguan interrogator Montez de Oca. When the FBI uncovers a mutilated corpse from a remote Utah lake, McBride must face the ugly truth that Montez de Oca is back in action and will continue to kill unless McBride can stop him.

ABA Journal Read Books Ltd
The Handbook of Art and Design Librarianship integrates theory and practice to offer guidelines for information professionals working in art and design environments who need to support and anticipate the information needs of artists, designers, architects and the historians who study those disciplines. Since the first edition of this title, the world of art and design libraries has been transformed by rapid advances in technology, an explosion in social media and the release of new standards and guidelines. This new edition, offering mostly entirely new chapters, provides an accessible, fully updated, guide to the world of academic art and design libraries from a range of international experts who reflect current practice at a global level. Coverage includes: case studies and library profiles, providing benchmarks for developing facilities teaching and learning, including the ACRL Framework, teaching with special collections, meta-literacies, instructional design and cultural differences developments in institutional repositories, digital humanities and makerspaces contemporary library design, spaces for collaboration and sustainability. This book will be useful reading for students taking library and information science courses in art librarianship, special collections, and archives, as well as practising library and information professionals in art and design school libraries, art museum libraries and public libraries.

Show Me! A Picture Book of Sex for Children and Parents St Martins Press
Deacon King Kong Routledge

By the election year of 1844, Joseph Smith, the controversial founder of the Church of Jesus Christ of Latter-day

Saints, had amassed a national following of some 25,000 believers. Nearly half of them lived in the city of Nauvoo, Illinois, where Smith was not only their religious leader but also the mayor and the commander-in-chief of a militia of some 2,500 men. In less than twenty years, Smith had helped transform the American religious landscape and grown his own political power substantially. Yet the standing of the Mormon people in American society remained unstable. Unable to garner federal protection, and having failed to win the support of former president Martin Van Buren or any of the other candidates in the race, Smith decided to take matters into his own hands, launching his own bid for the presidency. While many scoffed at the notion that Smith could come anywhere close to the White House, others regarded his run and his religion as a threat to the stability of the young nation. Hounded by mobs throughout the campaign, Smith was ultimately killed by one of the first presidential candidates to be assassinated. Though Joseph Smith's run for president is now best remembered when it is remembered at all for its gruesome end, the renegade campaign was revolutionary. Smith called for the total abolition of slavery, the closure of the country's penitentiaries, and the reestablishment of a national bank to stabilize the economy. But Smith's most important proposal was for an expansion of protections for religious minorities. At a time when the Bill of Rights did not apply to individual states, Smith sought to empower the federal government to protect minorities when states failed to do so. Spencer W. McBride tells the story of Joseph Smith's quixotic but consequential run for the White House and shows how his calls for religious

freedom helped to shape the American political system we know today.

The Debate over Male Intergenerational Relations St Martins Press

Rondo Award-winning website, The Collinsport Historical Society, presents this wide-ranging collection of essays, insights, and observations from its long-running column, *The Dark Shadows Daybook*. From the earliest episodes to speculation on the future of the franchise, author Patrick McCray celebrates the grand themes and iconic characters of *Dark Shadows* with a devout irreverence. Winner of the 2018 Rondo Award for Writer of the Year, Patrick McCray chronicles the unforgettable series by exploring its episodes in articles and asides, all originally written on the anniversary of their filming. With a new introduction by Emmy award-winning humorist, Dana Gould, *The Dark Shadows Daybook* is affectionate, spontaneous, and refreshingly raucous reading for fans of the series and anyone else looking to learn why *Dark Shadows* matters.

We Are Called to Rise Simon and Schuster

"With provocative photographs by some of the best-known photographers of the past century, *The Model Wife* is a striking and original book about the place where marriage and photography converge."--BOOK JACKET. "Friends, lovers, confidantes, collaborators - the multifaceted relationship between husband and wife takes on another dimension when the couple are also artist and muse. In *The Model Wife*, Arthur Ollman explores the imagery and photographic history of nine twentieth-century photographers who portrayed their wives over a period of years. He delves into issues of marriage itself and the powerful influences that such a

partnership can have on artistic production. Comparisons between the couples and the resulting photographs enrich this discussion."--BOOK JACKET.

The Nerd Show Me! A Picture Book of Sex for Children and Parents

From the New York Times bestselling author of Deacon King Kong and The Good Lord Bird, winner of the National Book Award for Fiction: The modern classic that Oprah.com calls one of the best memoirs of a generation and that launched James McBride's literary career. More than two years on The New York Times bestseller list. Who is Ruth McBride Jordan? A self-declared "light-skinned" woman evasive about her ethnicity, yet steadfast in her love for her twelve black children. James McBride, journalist, musician, and son, explores his mother's past, as well as his own upbringing and heritage, in a poignant and powerful debut, *The Color Of Water: A Black Man's Tribute to His White Mother*. The son of a black minister and a woman who would not admit she was white, James McBride grew up in "orchestrated chaos" with his eleven siblings in the poor, all-black projects of Red Hook, Brooklyn.

"Mommy," a fiercely protective woman with "dark eyes full of pep and fire," herded her brood to Manhattan's free cultural events, sent them off on buses to the best (and mainly Jewish) schools, demanded good grades, and commanded respect. As a young man, McBride saw his mother as a source of embarrassment, worry, and confusion—and reached thirty before he began to discover the truth about her

early life and long-buried pain. In *The Color of Water*, McBride retraces his mother's footsteps and, through her searing and spirited voice, recreates her remarkable story. The daughter of a failed itinerant Orthodox rabbi, she was born Rachel Shilsky (actually Ruchel Dwara Zylska) in Poland on April 1, 1921. Fleeing pogroms, her family emigrated to America and ultimately settled in Suffolk, Virginia, a small town where anti-Semitism and racial tensions ran high. With candor and immediacy, Ruth describes her parents' loveless marriage; her fragile, handicapped mother; her cruel, sexually-abusive father; and the rest of the family and life she abandoned. At seventeen, after fleeing Virginia and settling in New York City, Ruth married a black minister and founded the all-black New Brown Memorial Baptist Church in her Red Hook living room. "God is the color of water," Ruth McBride taught her children, firmly convinced that life's blessings and life's values transcend race. Twice widowed, and continually confronting overwhelming adversity and racism, Ruth's determination, drive and discipline saw her dozen children through college—and most through graduate school. At age 65, she herself received a degree in social work from Temple University. Interspersed throughout his mother's compelling narrative, McBride shares candid recollections of his own experiences as a mixed-race child of poverty, his flirtations with drugs and violence, and his eventual self-realization and professional success. *The Color of Water* touches readers of all colors as a vivid portrait of growing up, a haunting meditation on race and identity, and a lyrical valentine to a mother from her son. This book was recently reprinted

with a new cover. You may receive one of the two covers shown.

Me (Moth) Patrick McCray

When her mother is killed in a riding accident, nine-year-old Amy is left mute and traumatised. She was there - but she cannot remember what happened and she is haunted by a nightmare that she cannot fully explain. Gradually her voice returns, but not her memory. Her relationship with her father deepens as she grows older, and she resigns herself to living with the blanks. As long as she has her dad, she can cope with anything. Then six years later, as Amy turns sixteen and a new woman enters her father's life, the chance discovery of a hidden postcard gives her the vital clue she needs to uncover the truth about the past. It takes her to Italy, to a man she has never met. Was he her mother's lover - or her killer? The threads of the past lead inexorably back to the present and, as they gradually allow her to remember those horrific moments she thought forever buried, finally - and in more ways than one - Amy comes of age.

The End of the Sixties and the Making of Eighties America Simon and Schuster

If your kids aren't learning about sex from you, what are they learning about sex, and who is teaching them? Having "the talk" with your child does not have to be a terrifying and awkward event. Armed with *The Sex-Wise Parent*, Dr. Janet Rosenzweig's groundbreaking book, you may find you never have to have "the talk." Dr. Rosenzweig shows you how you can help protect your children from sexual abuse, trauma, and bullying through your everyday interaction with them. She'll walk you through the steps you can take to combine your own family's values with age-appropriate information for children at all stages of development. And she'll show you how to do it in a way that will improve the trust and communication between you and your child. Dr. Rosenzweig applies her decades of experience in child abuse prevention, sexuality education and family service to help you identify the real threats to your children's safety and protect them from becoming victims of sexual misinformation or exploitation at any age. From choosing a child's first daycare to meeting the multimedia challenges of adolescence, *The Sex-Wise Parent* will coach you to raise sexually safe and healthy sons and daughters.
