International Journal of Mathematical, Engineering and ... International Journal Of Engineering Management International Journal of Engineering and Management Research (IJEMR) (Indexed with DOI, ICI and Approved, DPI Digital Library) is one of the leading and growing open access, peer-reviewed, monthly, and scientific research journal for scientists, engineers, research scholars, and academicians, which gains a foothold in Asia and opens to the world, aims to publish original, theoretical and practical advances in Computer Science, Information Technology, Engineering (Software, Mechanical, Civil

...International Journal of Engineering and Management ...International Journal of Engineering Technologies and Management Research(IJETMR) publishes articles that emphasizes research, development and application within the fields of engineering, science and technology. All manuscripts are pre-reviewed by the editor, and if appropriate, sent for blind peer review. International Journal of Engineering Technologies ... - IJETMR International Journal of Engineering Business Management (IJEEM) is a peer-reviewed open access journal which focusses on the design, development and implementation of new methodologies and technologies in engineering, business and management. International Journal of Engineering Business Management

...International Journal of Engineering Management (IJEM) is an international scholarly refereed research journal which aims to promote the theory and practice of engineering management, innovation, technology, management science, technology forecasting, and management engineering consulting. But the topics are not limited to these. International Journal of Engineering Management :: Science ...International Journal of Engineering Technology and Management IJETM is a Group of International Organization of Scientific Invention (IOSI) is a full-text database of open-access scientific journals. International Journal of Engineering Technology and Management International Journal of Engineering Management and Economics from Inderscience Publishers covers latest advances in engineering management and engineering economics with a multidisciplinary approach International Journal of Engineering Management and Economics (IJEME) Inderscience Publishers - linking academia, business and industry through research International Journal of Engineering Management and ...International Journal of Advanced Engineering, Management and Science (IJAEMS) It' main aim is to give quality research papers. It covers all sub-fields of above-mentioned fields. International Journal of Advanced Engineering, Management ...A multi-objective stochastic programming model for project-oriented human-resource management optimization Fahimeh Rahmanniyay & Andrew Junfang Yu Pages: 231-239 International Journal of Management Science and ...The International Journal of Mathematical, Engineering and Management Sciences

(IJMEMS) is an online scientific journal which publish bi monthly (6 issues per year) technical and more informal communications directed to a large readership, as well as articles/review papers/case studies that demonstrate interaction between various disciplines such as mathematical sciences, engineering sciences, engineering and technology, management sciences, numerical and computational sciences. International Journal of Mathematical, Engineering and ...Welcome to the IJM. International Journal of Management (ISSN 1694-2299) is an open access, blind peer reviewed international journal that emphasizes on innovation, advancement, development, research and dissemination of knowledge in the fields of management. International Journal of Management The Journal of Engineering and Technology Management (JET-M) is an international scholarly refereed research journal which aims to promote the theory and practice of technology, innovation, and engineering management. The journal links engineering, science, and management disciplines. Journal of Engineering and Technology Management - Elsevier" International Journal OF Engineering Sciences & Management Research" accepts for conceivable reflection unpublished elevated scientific manuscripts. The insides should be neither fully, nor partially issued or under concern for periodical elsewhere. IJESMR International Journal of Engineering Business Management (IJEBM) is a peer-reviewed open access journal which focuses on the design, development and implementation of new methodologies and technologies in engineering, business and management. Please see

the Aims and Scope tab for further information. International Journal of Engineering Business Management ... International Journals of Management, IT & Engineering (IJMIE) is a refereed research journal which aims to promote the links between engineering and management. The journal focuses on issues related to the development and implementation of new methodologies and technologies, which improve the operational objectives of an organization. INTERNATIONAL JOURNALS OF MULTIDISCIPLINARY RESEARCH ACADEMY Journal of Management in Engineering. Issue 1: SPECIAL ISSUE: Information and Communication Technology (ICT) in AEC Organizations: Assessment of Impact on Work Practices, Project Delivery, and Organizational Behavior (January 2015). Issue 6: (November 2014). Issue 5: (September 2014). Issue 4: (July 2014). Issue 3: (May 2014). Issue 2: (March 2014). Journal of Management in Engineering | ASCE Library International Journal of Latest Engineering and Management Research (IJLEMR) is an international, peer-reviewed, online, Open access journal published monthly. It publishes the results of original research in the field of Engineering and Management. IJLEMR International Journal of Science Engineering and Management Welcomes researchers and academicians to submit their original research work which meets the journal criteria of significance and scientific excellence. International Journal of Science, Engineering and Management The International Journal of Engineering Science is not limited to a specific aspect of science and engineering but is instead devoted to a wide range of subfields in the engineering sciences. While it

encourages a broad spectrum of contribution in the engineering sciences, its core interest lies in issues concerning material modeling and response. Journal of Management in Engineering. Issue 1: SPECIAL ISSUE: Information and Communication Technology (ICT) in AEC Organizations: Assessment of Impact on Work Practices, Project Delivery, and Organizational Behavior (January 2015). Issue 6: (November 2014). Issue 5: (September 2014). Issue 4: (July 2014). Issue 3: (May 2014). Issue 2: (March 2014).

IJESMR

International Journal of Latest Engineering and Management Research (IJLEMR) is an international, peer-reviewed, online, Open access journal published monthly. It publishes the results of original research in the field of Engineering and Management.

International Journal of Engineering Business Management ...

International Journal of Advanced Engineering, Management and Science (IJAEMS) Its main aim is to give quality research papers. It covers all sub-fields of above-mentioned fields.

International Journal of Engineering Management and ...

The Journal of Engineering and Technology Management (JET-M) is an international scholarly refereed research journal which aims to promote the theory and practice of technology, innovation, and engineering management. The journal links engineering, science, and management disciplines.

International Journal of Engineering Technologies ... - IJETMR

International Journal of Engineering Management and Economics from Inderscience Publishers covers latest advances in engineering management

and engineering economics with a multidisciplinary approach International Journal of Engineering Management and Economics (IJEME) Inderscience Publishers - linking academia, business and industry through research *Journal of Engineering and Technology Management - Elsevier*

International Journal of Engineering Business Management (IJEBM) is a peer-reviewed open access journal which focusses on the design, development and implementation of new methodologies and technologies in engineering, business and management.
