CARNEY ADRIENNE

Gateway to MBBS Entrance Arihant
Publications India limited
The 2nd edition of this book covers the
entire question papers from 2007 to
2018 of JK PSC. The explanations to
these questions have been provided in
such a manner that they cover NEET
exams, AIIMS, PGI, JIPMER, DNB and
other important post-graduate exams as
well. The inclusion of high yielding facts
in the form of NEET EDGE has added a
new dimension to this book. The
explanation and NEET EDGE have been
updated based on latest guidelines and
updates. In addition, important expected
question for NEET and PSC have been
added to make book more useful. In this
edition two senior faculty members from
prestigious Sher-I -Kashmir Institute of
medical sciences, Dr. Cimona L Saldhana

and Dr. Muzzafer Wani have contributed
in Obs/gynae and nephrology
respectively besides reviewing other
questions as well. The contribution of Dr.
Suhail Naik is immense in the subject of
paediatrics. In addition, senior residents
from GMC Sri Nagar, SKIMS medical
college bemina have also revised their
respective subjects. The feedback I
received from 1st edition really
motivated me to come up with this
edition. I am sure that this book will live
upto its expectations and help students
in their exams. An important thing for all
exams is that approximately 15 to 25%
questions are repeated in one form or
the other so keeping this thing in mind I
have highlighted all questions which
were repeated. Feedback from 1st
edition This book is very much helpful for
state aspirants and also for medicos
preparing for neet exams. I personally
recommend every Medico to go through
this book before such exams. -DR.

TABASSUM SAMOON SKIMS Very nice and helpful book for JK PSC and other state exam. Easy language and good retention. Precise and very informative explanations of every question. -DR.

UMER SKIM The best book you will find for JK PSC medical exams... if you have this you are going to score well in NEET and JK PSC exams for sure... A MUST HAVE BOOK. -DR. YAMIN SKIM
