Grade 4 Supplement your social studies curriculum with 180 days of daily practice! This essential classroom resource provides teachers with weekly

social studies units that build students' content-area literacy, and are easy to incorporate into the classroom. Students will analyze primary sources, answer text-dependent questions, and improve their grade-level social studies knowledge. Each week covers a specific American social studies topic within one of the four disciplines of

social studies: history, economics, civics, and geography. Aligned to the National Council for the Social Studies (NCSS) and state standards, this social studies workbook includes digital materials. 180 Days of Social Studies for First Grade Carson-Dellosa Publishing Discusses flexible strategies for teaching today's diverse learner

the structure of the knowledge to be learned, how to help students reconstruct and present ideas, and how to translate theory and recent research into lesson plans and units. All within a constructivist framework! September 9 2013 - Ingrid Robinson took this book off the CRC shelf and asked that it be added to the Reserve Books Shelf.

A great companion to I'm Lovin' Lit Practice & Assess: Grammar, the I'm Lovin' Lit Interactive Grammar Notebook for grades 4-8 is the perfect hands-on addition to any language arts curriculum. This customizable resource allows teachers to format lessons to how each student learns best. The templates and

lessons in this book help make teaching grammar skills like sentence building, clauses, parts of speech, punctuation, and more a hands-on experience that engages students and actively involves them in the learning process. This valuable note-taking addition to the classroom offers students a trusted resource to refer to throughout the year. The I'm Lovin' Lit series features comprehensive lessons and activities that are created to reach a variety of learning styles.

Targeted for upper elementary and middle-school students, this series offers teachers an essential tool to help them teach engaging subject matter with confidence. Designed to work with an existing curriculum, I'm Lovin' Lit includes comprehensive lessons and activities, photos, and complete assembly instructions. Grade 1 SAGE
Supplement your social studies curriculum with 180 days of daily geography practice! This essential classroom

resource provides teachers with weekly geography units that build students' geography knowledge, and are easy to incorporate into the classroom. In a world that is becoming more connected and globalized, 21st century students must have the skills necessary to understand their world and how geography affects them and others. Students will develop their map and spatial skills, learn how to answer text- and photo-dependent questions, and study the 5 themes of

geography. Each week covers a particular topic and introduces students to a new place or type of map. The first two weeks consist of a mini-unit that focuses entirely on map skills. For additional units, students will study various places, and how culture and geography are related. With a focus on US states, students will explore various types of maps including physical maps, political maps, topographic maps, thematic maps, climate maps, and various topics including scale, legends,

cardinal directions, latitude and longitude, and more. Aligned to state standards and National Geography Standards, this resource includes digital materials. **Interactive Notebooks Word Study, Grade 4** Teacher Created Materials Supplement your science curriculum with 180 days of daily practice! This invaluable classroom resource provides teachers with weekly science units that build students' content-area literacy, and are easy to incorporate into the

classroom. Students will analyze and evaluate scientific data and scenarios, improve their understanding of science and engineering practices, answer constructed-response questions, and increase their higher-order thinking skills. Each week covers a particular topic within one of three science strands: life science, physical science, and Earth and space science. Aligned to Next Generation Science Standards (NGSS) and state standards, this resource includes digital

materials. Provide students with the skills they need to think like scientists with this essential resource! *How Language and Literacy Come Together*, K-2 Gibbs Smith "Interactive and dynamic elementary Social Studies instruction! The Cat in the Hat introduces beginning readers to maps—the different kinds (city, state, world, topographic, temperature, terrain, etc.); their formats (flat, globe, atlas, puzzle); the tools we use to read them (symbols, scales, grids, compasses); and funny facts about the places they show us (“Michigan looks like a scarf and a mitten! Louisiana looks like a chair you can sit

in!").

This sourcebook contains more than twelve hundred easy-to-follow and implement classroom activities created and tested by veteran teachers from all over the country. The activities are arranged by grade level and are keyed to the revised National History

Standards, so they can easily be matched to comparable state history standards. This volume offers teachers a treasury of ideas for bringing history alive in grades 5?12, carrying students far beyond their textbooks on active-learning voyages into the past while still meeting required learning content. It also incorporates the History Thinking Skills from the revised National History Standards as well as annotated lists of general and era-specific resources that will help

teachers enrich their classes with CD-ROMs, audio-visual material, primary sources, art and music, and various print materials. Grades 5?12
