A Spectacular Enhancement to the Skill System Mythic Skills introduces a system of skill exploits that take the basic tasks your skills allow you to perform and dials them up to amazing levels. In addition, every skill in the Pathfinder Roleplaying Game Core Rulebook also gets brand-new skill exploits, as well as greater exploits that only the most skilled masters would even attempt. This book contains rules for using these enhanced skills with mythic characters but also provides an alternative system for use in non-mythic Pathfinder campaigns! This system allows your characters to focus on their skills as a key part of their character construction and to invest more of their character's abilities in their character itself, rather than the character's gear or magical tools. You can use these rules generally with mythic characters, allowing them to attempt all manner of skill-based exploits, or you can limit the ability to pull off these amazing skill stunts to those mythic characters that have really invested in making their skills a key part of their character's identity. The mythic rules offer an opportunity to magnify what makes a character special, and the skills they choose to hone as part of their background narrative and throughout the course of the campaign should be just as important in defining them as their marvelous magic and fabulous feats. With Mythic Skills in your hands, your skills will be just as spectacular!"

Take a deep dive into the art of making and playing unforgettable characters in your favorite tabletop roleplaying game! For decades, TTRPGs have been bringing friends together to tell stories of adventure and intrigue. Now the genre has become more popular than ever with appearances in movies, TV shows, podcasts, and more! But what if you want to add even more immersion to your game? The answer is in roleplaying! With dynamic and popular series such as Critical Role available to watch online, it can be (understandably!) intimidating to start adding more roleplaying to your game. But there is no need to fear! This comprehensive roleplaying guide will teach you how to:

- Plan and kick off your tabletop RPG experience
- Create your own unique character that is fully immersed in your game's world
- Find and use inspiration for your TTRPG characters
- Use description to grow your imagination and make more compelling stories
- Adapt your character to your game's world
- Develop skills that are useful in and outside of the game
- Find your next favorite TTRPG series
- Connect with other gamers!

With a proven process for creating engaging characters honed over many awkward and nerdy years, this guide is your one must-have resource to make and play unforgettable TTRPG characters! About the Expert Jeffrey Wright is a proud nerd,

avid tabletop gamer, and writer. With nearly two decades of experience playing and running a wide variety of tabletop roleplaying games, Jeffrey Wright has made it his mission to get as many people playing TTRPGs as possible. He credits the freeform immersion offered by tabletop gaming for his outgoing personality, love of writing, and obsessive collecting habits. He regularly prepares and runs games for new players at his local game store to introduce them to the magic of roleplaying games. Most days, he can be found resting atop his gigantic dice hoard challenging strangers to riddle contests. On other days, he practices being less sarcastic. A Beginner's Guide to Learning Solitaire Games including Solitaire, Nestor, Pounce, Pyramid, Russian Bank, Golf, and Yukon Steve Jackson Games

Deep dwarven cities of the underworld, Infested by conquering orcs, Enslaved by demons of skull and pyre ... Black labyrinths of mad demigods, Proving grounds for daring adventurers And graveyards for greedy fools ... Twisting passages, all alike, Where lurking trolls and shadow beasts Guard the deepest riddles of the nether ... If you have ever wanted to know how to quickly and masterfully create your own mega-dungeon for your pen-and-paper Fantasy Role-Playing Game (PNP FRPG) campaigns, this is the perfect book for you. This Game Master's guide will show you, step by step, how to take your vague-yet-promising ideas and how to sculpt them with precise and careful design decisions (enhanced, if you prefer, by random die rolls), allowing you to conceive an endless mega-dungeon in record time. Best of all, the CASTLE OLDSKULL CLASSIC DUNGEON DESIGN GUIDE is also system-neutral. No matter which of the many FRPGs you choose to play, from basic skill level to advanced, a first edition or a fifth or anything in between, the lessons you master here will serve you in your gaming for years to come. Learn how to make the most of your ever-dwindling prep time, so that you can spend those saved hours gaming with your friends! This old school Guide is filled to overflowing with more than 450 pages of design material and dungeon generation tables. Highlights include: * Hack and slash and beyond. 39 adventure scenarios, with 20 diabolical twists, totaling 780 great ideas for your next campaign. * A myriad of options. Over 10,000 unusual benefactors ("quest givers"), unusual wilderness encounters your players will never forget, and extensive rumor and dungeon history generation systems. * Every endless labyrinth ever, under one cover. Extensive details on realistic underworlds, hundreds of dungeon dressing ideas, over 10,000 room types, and much more. * The imagined made real. A complete second book is included herein as a detailed example of dungeon design, featuring over 60 pages of specific examples. The Goblin Head campaign environment supplement reveals exactly how a 13-level mega-dungeon can be conceived in a matter of hours. The CLASSIC DUNGEON DESIGN GUIDE is brought to you by Kent David Kelly of Wonderland Imprints, a role-player and Game Master with over 30 years of play experience. Best of all, if there are any other materials you would like to see relating to dungeon design, feel free to contact the author. Many more CASTLE OLDSKULL supplements are being prepared specifically to support the players, initiates and Game Masters of the Old School Revival (OSR). This Guide is your gateway to the realms of sword and sorcery. Join us for the adventure! (A complete reference work designed to supplement existing pen-and-paper Fantasy Role-Playing Games. 12 chapters, over 100 section topics, 60,000 words, 475+ pages; organized via a fully ordered table of contents. Just one of the proud creations available now from Wonderland Imprints - Only the Finest Works of Fantasy.)

There are many reasons to officiate basketball, but how do you do it? • Officiating is about the sport, but it is also about the journey. Sure you can do things that are easy in life, but what fun is that?

Officiating is just plain hard to do, but the rewards you'll receive are worth it! • In this book, you'll learn what it takes to be an official and how to learn. You can take these tips and use them in any facet of life, but here you'll learn the true secrets to becoming a great basketball referee. • What do you do with all that extra income from being a referee? Unfortunately it isn't as easy as walking away with a check and taking it to the bank, but you can learn to manage your extra income and make it work for you! • If you want to learn the ins and outs of being a successful referee, start here! Having a mentor and bringing home an extra pay check aren't the only things you need to know. Use these tips to help you start your journey to success. About The Expert Although he wouldn't be comfortable with the term "expert," Steven Michaluk is no slouch on the basketball court. With 6 years of on-court experience in high school and 2 years working college basketball, he has proved his worth and is continuing to climb. Steven currently works high school basketball in Virginia and NCAA women's basketball. Although this book is about his passion in officiating, he has a few others he could write books about: enjoying time with his wife and dog at home, teaching 5th grade, and playing golf. HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts.

101 Fortnite Season 5 Tricks Simon and Schuster

For many tabletop RPG players, the joy of an in-depth game is that anything can happen. Typical adventure modules include a map of the adventure's primary location, but every other location?whether it's a woodland clearing, a random apothecary or the depths of a temple players elect to explore?has to be improvised on the fly by the Game Master. As every GM knows, no matter how many story hooks, maps or NPCs you painstakingly create during session prep, your best-laid plans are often foiled by your players' whims, extreme skill check successes (or critical fails) or their playful refusal to stay on task. In a game packed with infinite possibilities, what are GMs supposed to do when their players choose those for which they're not prepared? *The Game Master's Book of Random Encounters* provides an unbeatable solution. This massive tome is divided into location categories, each of which can stand alone as a small stop as part of a larger campaign. As an example, the "Taverns, Inns, Shops & Guild Halls" section includes maps for 19 unique spaces, as well as multiple encounter tables designed to help GMs fill in the sights, sounds, smells and proprietors of a given location, allowing for each location in the book to be augmented and populated on the fly while still ensuring memorable moments for all your players. Each map is presented at scale on grid, enabling GMs to determine exactly where all of the characters are in relation to one another and anyone (or anything) else in the space, critical information should any combat or other movement-based action occur. Perhaps more useful than its nearly 100 maps, the book's one-shot generator features all the story hooks necessary for GMs to use these maps as part of an interconnected and contained adventure. Featuring eight unique campaign drivers that lead players through several of the book's provided maps, the random tables associated with each stage in the adventure allow for nearly three million different outcomes, making *The Game Master's Book of Random Encounters* an incredible investment for any would-be GM. The book also includes a Random NPC Generator to help you create intriguing characters your players will love (or love to hate), as well as a Party Makeup Maker for establishing connections among your PCs so you can weave together a disparate group of adventurers with just a few dice rolls. Locations include taverns, temples, inns, animal/creature lairs, gatehouses, courts, ships, laboratories and more, with adventure hooks that run the gamut from frantic rooftop chases to deep cellar dungeon-crawls, with a total of 97 maps, more than 150 tables and millions of possible adventures. No matter where your

players end up, they'll have someone or something to persuade or deceive, impress or destroy. As always, the choice is theirs. But no matter what they choose, with *The Game Master's Book of Random Encounters*, you'll be ready.
