*Magic Item Creation - d20PFSRD* The Flaw In All MagicIn the creation and criticism of fictional works, a character flaw or heroic flaw is a bias, limitation, imperfection, problem, personality disorders, vices, phobia, prejudice, or deficiency present in a character who may be otherwise very functional. The flaw can be a problem that directly affects the character's actions and abilities, such as a violent temper. Character flaw - WikipediaCharacter Flaws. Flaws are like the flip side of feats. Whereas a feat enables a character to be better than normal at performing a task (or even to do something that normal characters can't), a flaw restricts a character's capabilities or imposes a penalty of some sort. Character Flaws :: d20srd.orgHamartia is first described in the subject of literary

criticism by Aristotle in his Poetics. The source of hamartia is at the juncture between character and the character's actions or behaviors as described by Aristotle. Character in a play is that which reveals the moral purpose of the agents, i.e. the sort of thing they seek or avoid. Hamartia - WikipediaFirst of all, Welcome to 2019, and happy new year everyone!
