The book is an introductory survey that helps eleventh and twelfth graders understand the people, dimensions, and religious principles of the world's major religions. The textbook includes a chapter on each of eleven major world religions, including Christianity, Islam, Hinduism, Buddhism, Judaism, and others. In addition, the second edition of this text incorporates the following new features: a new chapter on modern trends in religion; new, more detailed maps; a new section on the Aztec religion of Mesoamerica; a

In the tradition of such beloved spiritual teachers as Francis MacNutt and Michael Scanlan, *Be Healed: A Guide to Encountering the Powerful Love of Jesus in Your Life* offers in book form Bob Schuchts's popular program for spiritual, emotional, and physical healing through the power of the Holy Spirit and the sacraments. This renowned program for spiritual restoration is steeped in scripture and the wisdom of the Catholic Church. Deeply intimate and vulnerable about his own journey of healing, Catholic therapist Bob Schuchts connects with his readers by sharing the series of betrayals he endured in high school--his father's infidelity, his parents' divorce, and his older brother's drug addiction--and his subsequent seasons of struggle with God and faith. *Be Healed* is based on the program first used in dioceses across the United States to form the hearts and minds of Catholic clergy. Schuchts's trusted process for finding inner peace and healing is now expanded to serve the entire body of Christ, helping people recognize their brokenness and find hope in the risen Christ. "In *Be Healed*, Bob Schuchts takes

the reader into the life of a changed man, sharing the story of how he received spiritual, psychological, and emotional healing. Our world, filled with brokenness and suffering, needs to experience the truth of Christ's healing power! Reading this book will begin that encounter with Jesus." Most Reverend Samuel J. Aquila Archbishop of Denver "Be Healed invites the faithful Christian, the newest convert, and the curious reader to consider a new journey with the Lord. With honesty, compassion, and years of experience to aid him, Bob Schuchts brings hope and freedom to confused and fearful hearts. Through personal stories and the Gospel message, he invites us to journey past familiar symptoms into the deeper roots of our wounds. Where we expect the pain of what is known and the fear of the unknown, we find Christ offering healing and wholeness. *Be Healed* is a unique gift to the Church." Brian Butler Author of *Theology of the Body for Teens* "Be Healed is an invitation to encounter the Lord as your healer. Bob Schuchts writes with humility and compassion, imparting wisdom gained from a lifetime of discovery of what it means to be whole in Christ and how to invite others to receive God's healing presence. *Be Healed* will impart wisdom through real life stories, personal journey, and penetrating scriptural stories, all in an authentic Catholic context. *Be Healed* will open doors for you to look at life from the view of the Lord's passion to see you liberated from those things that hold you back from being the person you were created to be." Neal Lozano Author of *Unbound: A Practical Guide to Deliverance* "If you have struggled with physical and emotional issues, this book is for you. *Be Healed* will build hope and expectation that you can receive your healing. It takes a balanced approach to healing in Christ for the whole person and how you can live life to the fullest. Gary Oates Author of *Open My Eyes, Lord* "This book deeply touched my heart and opened new levels of healing in my life. Whether you are just beginning your healing journey or have been walking this path for years, *Be Healed* will encourage, enlighten, challenge, and transform you in your encounter with Jesus Christ. I highly recommend it." Sr. Miriam James Heidland, S.O.L.T. Author of *Loved as I Am* "Be Healed will bring you into a deeper encounter with the Trinity and a new openness and freedom in every area of your life." From the foreword by Fr. Leading Like Francis – Building God's House introduces the reader to the foundational principles of servant-leadership and how they are clearly manifested in the life of St. Francis of Assisi. The book clarifies the ten characteristics of servant-leaders as identified by Robert Greenleaf and seen in Francis, and now in Pope Francis. Each section incorporates stories from Francis' life, passages from his writing and from Scripture, and then offers activities that individuals or groups may use to reflect on their own experience and develop habits of servant-leaders.

The 5 W's of Our Catholic Faith iUniverse Ancient tradition suggests that this world-weary lament is the work of Solomon in old age. Casting its eye over the transient nature of life, the book questions the striving for wisdom and the truth, choosing instead to espouse the value of living for the moment. This 10-week study of Job, Psalms, Proverbs, Ecclesiastes, and the Song of Solomon mines the Wisdom Literature not only for wise principles for living, but also for the wise person these books point to through their drama, poetry, proverb, and song. In her accessible and authentic

style, Nancy Guthrie focuses on seeing Jesus in the Old Testament instead of emphasizing works-based moralism. She presents clear commentary and contemporary application of gospel truths, speaking directly to issues such as repentance, submission, happiness, and sexuality. Each weekly lesson includes questions for personal study, a contemporary teaching chapter that emphasizes how the passage fits into the bigger story of redemptive history, a brief section on how the passage uniquely points to what is yet to come at the consummation of Christ's kingdom, and a leader's guide for group discussion.

When beloved author Henri Nouwen set out to record this daybook of totally new reflections, he suddenly found himself on "a true spiritual adventure." For in these 366 original, interlocking morsels of daily wisdom, Nouwen provides both sustenance and a trail for us to follow, as he unveils, to his own surprise, his personal map of faith. From the delicate interplay of human experience to the surrender to Christ and the embrace of Christian community, that journey of Christian spirituality is explored and celebrated here in each eloquent, thought-provoking passage, "The table is one of the most intimate places in our lives. It is there that we give ourselves to one another. When we say, 'Take some more, let me serve you another plate, let me pour you another glass, don't be shy, enjoy it,' we say a lot more than our words express. We invite our friends to become

part of our lives. We want them to be nurtured by the same food and drink that nurture us. We desire communion.... Every breakfast, lunch, or dinner can become a time of growing communion with one another." Intimately personal and inspiring, *Bread for the Journey* is a daily feast of fresh insight into the challenges and deep joys of a life lived in close communion with God. Nouwen is a wise, loving companion who invites us along as he finds joy in the community of loss, true freedom in forgiveness of others, and hope in surprising places. Each daily meditation is a stepping-stone along a path of private discovery, offering Nouwen's seasoned yet fresh ideas on kindness, love, suffering, and prayer, the Church as God's people, and the importance of Jesus in one's life—reflecting, as a whole, Nouwen's own 'personal creed.' *Bread for the Journey* brims with daily nourishment and guidance for devoted followers and new friends alike -- food for thought on a yearlong journey of discovery and faith. These stories are dedicated to You Dear Reader, You who are an individualized projection of the Oneness, You, who are predestined, by making, before incarnating on Earth, the conscious choice, to have an opportunity to read them. If this statement is at present for You too enigmatic I guarantee that later its meaning will become clearly understandable. I'd like also to add here that these stories are also, maybe even especially, dedicated to those who will not have a chance to read them because they live in a suppression of freedom and often are not even aware that they are having Free will projections of the Oneness. Met on my Path Light Bearers have assured me that those last mentioned will not be ignored but accessed and spiritually elevated in a more subtle way than rest of humanity. I wish You all to attune to Sat, Chit, Ananda ? Truth of Existence, Consciousness and Bliss and realize for now and ever that Tat Twam Asi - Thou Art That!
