The Pooh Cook Book Macmillan + ORM

In the bestselling tradition of *Good in Bed*, and *She's Come Undone*, comes a charming romantic comedy about a woman who flees a life and a body she doesn't want, and finds love and her true self in the process.

Night Swimming Grand Central Publishing

"This dark, pitch-perfect novel about our dependence on technology for validation and human connection is as addictive as social media itself." —People Magazine

Orla Cadden is stuck in a dead-end job, writing clickbait about movie-star hookups and influencer yoga moves. Then Orla meets Floss, who has a plan for launching them both into the high-profile lives they dream about. So what if Orla and Floss's methods are shady—and sometimes people get hurt? Their legions of followers can't be wrong. Thirty-five years later, in a closed California village where government-appointed celebrities live every moment of the day on camera, a woman named Marlow dreams of fleeing the corporate sponsors who would do anything to keep her on-screen. Despite her massive popularity—twelve million loyal followers—when Marlow discovers that her whole family history is based on a lie, she summons the courage to run in search of the truth. Followers traces the paths of Orla, Floss and Marlow as they wind through time toward a cataclysmic event that sends America into upheaval. This darkly funny story reminds us that even if we obsess over famous people we'll never meet, what we really crave is genuine human connection. "Terrific

writing about terrifying ideas."

A Drizzle of Honey WaterBrook

Forced to drop out of an esteemed East Coast college after the sudden death of her parents, Jane Moore takes a nanny job at Thornfield Park, the estate of Nico Rathburn, a world-famous rock star on the brink of a huge comeback. Practical and independent, Jane reluctantly becomes entranced by her magnetic and brooding employer and finds herself in the midst of a forbidden romance. But there's a mystery at Thornfield, and Jane's much-envied relationship with Nico is soon tested by an agonizing secret from his past. Torn between her feelings for Nico and his fateful secret, Jane must decide: Does being true to herself mean giving up on true love? An irresistible romance interwoven with a darkly engrossing mystery, this contemporary retelling of the beloved classic *Jane Eyre* promises to enchant a new generation of readers.

Ever stopped to read the list of ingredients in the products you use every day? In *Low Tox Life*, activist and educator Alexx Stuart gently clears a path through the maze of mass-market

ingredient cocktails, focusing on four key areas: Body, Home, Food and Mind. Sharing the latest science and advice from experts in each area, Alexx tackles everything from endocrine-disruptors in beauty products to the challenge of going low plastic in a high-plastic world, and how to clean without a hit of harmful toxins. You don't need to be a fulltime homesteader with a cupboard full of organic linens to go low tox. Start small, switching or ditching one nasty at a time, and enjoy the process as a positive one for you and the planet.

The Dry Grass of August Revell

'Charlotte Grand gives sensible practical advice' Dr Clare Bailey 'Full of insightful information, valuable health hacks and delicious recipes' Dr Mark Surrey The Fertility Kitchen is the go-to nutrition and lifestyle cookbook for anyone who wants to become pregnant - whether they are just starting to think about having a baby, have been trying for a while, are navigating infertility or exploring assisted conception. In today's fast-paced society, we are so used to getting what we want, when we want it. For women suffering with infertility it can be the first time they find themselves in a situation they have little control over: they can feel powerless. The Fertility Kitchen will help to reclaim some of that lost power. Part one of The Fertility Kitchen is based around the three 'pillars' of 'Fertility', 'Food', and 'Life', that sit at the heart of everything Charlotte is passionate about, giving a framework for an achievable life-style change. Charlotte shares her expertly tailored, nutrient-rich fertility nutrition and lifestyle plan, covering stress, movement, sleep, and social connection. Part two will help readers put this plan into practice with over 60 original flavour-packed yet simple recipes that

embrace everything that's good for fertility. Charlotte explains the food philosophy that she teaches her clients, the foundations of good nutrition and its importance for optimal fertility. She addresses the key areas of health that can affect fertility, enabling readers to personalise their diet to suit their unique needs, as well as outlining the impact lifestyle can have on fertility, giving readers the strategies to achieve balance across all aspects of their life.

One Rainy Day Jones & Bartlett Learning

For one young girl, a walk in the rain will change her life forever... One Rainy Day is an unforgettable saga of warmth and humour from hugely popular author, Joan Jonker. Perfect for fans of Dilly Court and Katie Flynn. Poppy Meadows has a face of rare beauty. Like most other nineteen-year-olds, she enjoys life. And, oh, how she loves to dance! The only blot on her happiness is her dreadful boss in the office where she works... One rainy day, Poppy is delivering a letter when she fails to notice two people approaching and is knocked to the ground. The couple are full of apologies but Poppy brushes aside the young man's offer to replace her ruined raincoat. As she walks away with her head held high, Andrew Wilkie-Brook says to his sister Charlotte, 'I wish she'd let me help, but she wouldn't listen to me.' Someone is listening, however, and her name is Fate... What readers are saying about One Rainy Day: 'A wonderfully delightful story by Joan Jonker, who as always satisfies her readers. I thoroughly enjoyed the humour, friendship and romance in the story. Such an enjoyable read which was difficult to put down. I just loved to cuddle up with such a super book' 'This is a most delightful book; even for

romantic males! It had everything. Sorrow and laughter, hatred and love, rich and poor. I would have liked to have read a follow-up to discover what happened next'

How did she turn a side hustle into a game-changing business, and at the same time, achieve happiness and fulfillment in her life? For Charlotte, it all came down to one thing—jeong. One of the most important Korean cultural values, jeong is a feeling of loyalty and of strong emotional connection to people and places. It goes deeper than love and friendship and grows stronger with time. In South Korea, jeong is critical for success in every facet of daily life, from cultivating hobbies to developing careers and relationships. In *The Little Book of Jeong*, Charlotte shares how jeong changed her own trajectory in life, landing her a job opportunity in Seoul and giving her the fuel she and her husband Dave needed to launch a ground-breaking digital skin care platform and skin care line. A personal story that centers around the deep bond she built with Korea, Charlotte reveals how jeong can radically change our relationships with our loved ones, our work, and the world around us, and challenges us to cultivate jeong in our own lives.

Handle with Care A&C Black

With its peaceful, hardworking Amish population, Lancaster County, Pennsylvania, is a rural paradise. But former NYPD homicide detective Elizabeth Harris knows that evil lurks there—it's just easier to hide... By solving the murders of two local girls, Elizabeth has gained some trust in the Amish community. So, she's the first person its members turn to when a fast

and fatal illness takes hold, though many believe that the sickness stems from a hexerei—a curse placed by a practitioner of old-world folk magic. Elizabeth doesn't believe in curses, and when an entire Amish family is found dead, she begins to suspect something far more sinister... As the CDC is called in to investigate, customers of a Philadelphia farmers market selling Amish raw milk start dying. Amid rapidly escalating panic, Elizabeth must peel away layers of superstition and fear to save the livelihood—and lives—of an entire community. Because what has happened isn't an accident of nature or an act of God, it's the handiwork of someone who has only just begun to kill...

This volume delves intensively into religion and the influence of gender. Gilman suggests that through the development of secular ethics, religion can be directed not to the anticipation of a mythical afterlife, but instead to the transformation of the present. She demonstrates the ways in which a male driven ideology has produced a religion focused on death, discouraging any attention to the improvement of life on earth. Here, Gilman offers new thoughts that advocate a collective change of view.

School Education Harlequin

Born out of the popular blog *Kale & Caramel*, this sumptuously photographed and beautifully written cookbook presents eighty recipes for delicious vegan and vegetarian dishes featuring herbs and flowers, as well as

luxurious do-it-yourself beauty products. Plant-whisperer, writer, and photographer Lily Diamond believes that herbs and flowers have the power to nourish inside and out. "Lily's deep connection to nature is beautifully woven throughout this personal collection of recipes," says award-winning vegetarian chef Amy Chaplin. Each chapter celebrates an aromatic herb or flower, including basil, cilantro, fennel, mint, oregano, rosemary, sage, thyme, lavender, jasmine, rose, and orange blossom. Mollie Katzen, author of the beloved *Moosewood Cookbook*, calls the book "a gift, articulated through a poetic voice, original and bold." The recipes tell a coming-of-age story through Lily's kinship with plants, from a sun-drenched Maui childhood to healing from heartbreak and her mother's death. With bright flavors, gorgeous scents, evocative stories, and more than one hundred photographs, *Kale & Caramel* creates a lush garden of experience open to harvest year round.

I'm hiding under the blanket
And what people don't know about my blanket
Is that I can take it anywhere with me.
Anywhere. Anywhere at all. This is the story of my travels through the wilderness of anxiety and depression which started before I can remember. Learn about an invisible illness that I learned to fight, and win. Learn about the battles that are all around us everyday. Learn how to use God's word to be victorious against the enemy. But most of all, learn how to get from underneath those blankets, and LIVE.

"When Dorothy Day sat down to record her thoughts in diary form, she wrote not only as the leader of the Catholic Worker movement but also as a mother, a

grandmother, and a deeply religious woman who was passionate about everything from baking bread to prayer. But whether describing day-to-day happenings or exploring the writings of the saints, Day's reflections return to her abiding theme - the call to personal and public transformation. Her diary entries touch on numerous social and moral concerns still vital in our day: the disenfranchised poor, the benefits of meaningful work, the significance of family, the dangers of secularization, the decline of moral standards, and the importance of faith."--BOOK JACKET.

Winner of the 2015 Prix Goncourt, an astounding novel that bridges Europe and the Islamic world Winner of the Prix Goncourt (France), the Leipzig Prize (Germany), Premio Von Rezzori (Italy), shortlisted for the 2017 International Man Booker Prize, shortlisted for the Dublin Literary Award As night falls over Vienna, Franz Ritter, an insomniac musicologist, takes to his sickbed with an unspecified illness and spends a restless night drifting between dreams and memories, revisiting the important chapters of his life: his ongoing fascination with the Middle East and his numerous travels to Istanbul, Aleppo, Damascus, and Tehran, as well as the various writers, artists, musicians, academics, orientalists, and explorers who populate this vast dreamscape. At the center of these memories is his elusive, unrequited love, Sarah, a fiercely intelligent French scholar caught in the intricate tension between Europe and the Middle East. With exhilarating prose and sweeping erudition, Mathias Énard pulls astonishing elements from disparate sources—nineteenth-century composers and esoteric orientalists,

Balzac and Agatha Christie—and binds them together in a most magical way.

Invitation to Holistic Health Perfection Learning

When Iberian Jews were converted to Catholicism under duress during the Inquisition, many struggled to retain their Jewish identity in private while projecting Christian conformity in the public sphere. To root out these heretics, the courts of the Inquisition published checklists of koshering practices and "grilled" the servants, neighbors, and even the children of those suspected of practicing their religion at home. From these testimonies and other primary sources, Gitlitz & Davidson have drawn a fascinating, award-winning picture of this precarious sense of Jewish identity and have re-created these recipes, which combine Christian & Islamic traditions in cooking lamb, beef, fish, eggplant, chickpeas, and greens and use seasonings such as saffron, mace, ginger, and cinnamon. The recipes, and the accompanying stories of the people who created them, promise to delight the adventurous palate and give insights into the foundations of modern Sephardic cuisine.
