basic mathematical skills. REA's new Ready, Set, Go! Workbook series takes the confusion out of math, helping students raise their grades and score higher on important exams. The innovative "Math Flash" feature offers helpful tips and strategies in each lesson—including advice on common mistakes to avoid. Skill scorecard measures the student's progress and success. Every answer to every question, in every test, is explained in full detail. A final exam is included so students can test what they've learned. When students apply the skills they've mastered in our workbooks, they can do better in class, raise their

grades, and score higher on the all-important end-of-course, graduation, and exit exams.
