The prophet Brigham Young taught the restored gospel of Jesus Christ in a basic, practical way that gave inspiration and hope to the Saints struggling to build a home in the wilderness. Though more than a century has now passed, his words are still fresh and appropriate for us today as we continue the work of building the kingdom of God. President Young declared that as members of The Church of Jesus Christ of Latter-day Saints we possess the "doctrine of life and salvation for all the honest-in-heart" (DBY, 7). He promised that those who receive the gospel in their hearts will have awakened "within them a desire to know and understand the things of God more than they ever did before in their lives" and will begin to "inquire, read and search and when they go to their Father in the name of Jesus he will not leave them without a witness" (DBY, 450). This book reflects the desire of the First Presidency and the Quorum of the Twelve Apostles to deepen the doctrinal understanding of Church members and to awaken within them a greater desire to know the things of God. It will inspire and motivate individuals, priesthood quorums, and Relief Society classes to inquire, read, search, and then go to their Father in Heaven for a witness of the truth of these teachings. Each chapter contains two sections—"Teachings of Brigham Young" and "Suggestions for Study." The first section consists of extracts from Brigham Young's sermons to the early Saints. Each statement has been referenced, and the original spelling and punctuation have been preserved; however, the sources cited will not be readily available to most members. These original sources are not necessary to have in order to effectively study or teach from this book. Members need not purchase additional references and commentaries to study or teach these chapters. The text provided in this book, accompanied by the scriptures, is sufficient for instruction. Members should prayerfully read and study President Young's teachings in order to gain new insights into gospel principles and discover how those principles apply to their everyday lives. By faithfully and prayerfully studying these selections, Latter-day Saints will have a greater understanding of gospel principles and will more fully appreciate the profound and inspired teachings of this great prophet. The second section of each chapter offers a series of questions that will encourage thoughtful contemplation, personal application, and discussion of President Young's teachings. Members should refer to and carefully reread his words on the principle being discussed. Deep and prayerful study of these teachings will inspire members to greater personal commitment and will help them resolve to follow the teachings of the Savior, Jesus Christ. If individuals and families prayerfully follow the principles in this book, they will be blessed and inspired to greater dedication and spirituality, as were the early Saints who heard these words directly from the lips of the "Lion of the Lord" (HC, 7:434)—the prophet, seer, and revelator, President Brigham Young.

Trade Grumbling for Gratitude—Experience God like Never Before The apostle Paul instructed the Philippians to be anxious in nothing and thankful in everything. And when he said everything—he meant everything. We can all agree that this is easier said than done. Disappointments and discontent may cause you to slip into dissatisfaction, and grumbling becomes a state of mind—gratitude seems impossible to find. However, what if this is the precise reason you lack the joy of a God-filled life? Instead of a reaction to when things are going well, what if gratitude is actually necessary to knowing the hope of our gracious God? This is exactly what Pastor Dustin Crowe identifies in *The Grumbler's Guide to Giving Thanks*. Dustin examines the biblical foundations of thankfulness and traces how it can reshape every-day Christian living. When we express gratitude in all things, we not only praise our Creator, we also get to know Him better. With *The Grumbler's Guide*, you'll learn how to practice thanksgiving in both simple and extraordinary ways, even when you're tempted to dwell on the negative. You'll find your outlook on life realigned to see the hand of God in everything, strengthening your trust in Him. And in doing so, you'll find greater, more joy-filled reasons to continue expressing thanks to our good and generous God.
