Wreck This Journal: Now in Color Particular Books

“Not gonna lie, this is probably the coolest journal you’ll ever see. . . . Wreck This Journal is here to inspire you.” —Buzzfeed The internationally bestselling phenomenon with more than 10 million copies sold—and an excellent holiday gift! Paint, poke, create, destroy, and wreck—to create a journal as unique as you are For anyone who’s ever had trouble starting, keeping, or finishing a journal or sketchbook comes this expanded edition of Wreck This Journal, a subversive illustrated book that challenges readers to muster up their best mistake- and mess-making abilities to fill the pages of the book—or destroy them. Through a series of creative and quirky prompts, acclaimed guerilla artist Keri Smith encourages journalers to engage in destructive acts—poking holes through pages, adding photos and defacing them, painting pages with coffee, coloring outside the lines, and more—in order to experience the true creative process. With Smith’s unique sensibility, readers are introduced to a new way of art- and journal-making, discovering novel ways to escape the fear of the blank page and fully engage in the creative process. To create is to destroy. Happy wrecking!

Everything Is Connected National Geographic Books

From the internationally bestselling creator of *Wreck This Journal*, an interactive guide for exploring and documenting the art and science of everyday life. Artists and scientists analyze the world around them in surprisingly similar ways, by observing, collecting, documenting, analyzing, and comparing. In this captivating guided journal, readers are encouraged to explore their world as both artists and scientists. The mission Smith proposes? To document and observe the world around you as if you’ve never seen it before. Take notes. Collect things you find on your travels. Document findings. Notice patterns. Copy. Trace. Focus on one thing at a time. Record what you are drawn to. Through this series of beautifully hand-illustrated interactive prompts, readers will enjoy exploring and discovering the world in ways they never even imagined.

Cursed Macmillan Children’s Books

From the internationally bestselling creator of *Wreck This Journal*, a book that celebrates mistake- and mess-making like never before... Your whole life, you’ve been taught to avoid making a mess: try to keep everything under control, color inside the lines, make it perfect, and at all costs, avoid contact with things that stain. This book asks you to do the opposite of what you have been taught. Think of it as your own personal rumpus room. A place to let loose, to trash, to spew, to do the things you are not allowed to do in the “real world.” There are only three rules you will find in this book: 1. Do not try to make something beautiful. 2. Do not think too much. (There is no “wrong.”) 3. Continue under all circumstances. It’s time to make a mess.

Finish This Book Penguin

From the internationally bestselling creator of *Wreck This Journal*, a guide to building your own perfect world. In *The Imaginary World of...*, Keri Smith asks readers to imagine something new: a

unique world of their own making. Readers start by creating a list of everything to which they’re drawn: things they love and collect, colors, shapes, ideas, people, and creatures that fascinate them. The items in the list will become the building blocks for their imaginary worlds, used to create texture and establish a foundation for the new place they’ll begin to inhabit. Readers will then be prompted to think about landscape, place names, maps, currency, residents, logos, foods, histories, and more for their world. An indispensable guide for artists, dreamers, activists, and explorers of all ages, *The Imaginary World of...* will encourage readers to become revolutionaries of everyday life, chronicling the possibilities in the brave new worlds they envision.

Wreck This Journal (Red) Expanded Edition National Geographic Books

Temporary art, graffiti, signage, performance, political art, interactive art.

The Positivity Kit Penguin

An Indie Next List Selection Keri Smith, creator of the mega-bestselling *Wreck This Journal*, now brings her imagination and inspiration to children with this picture book that explores the very active experience of reading. What if there were a book that changed every time you read it? Actually, every book does this. We are all part of the books we read, because our individual reactions, ideas, and emotions make the book whole, and these things are changing all the time. Keri Smith has helped millions of people free their creativity and find their own voice with her interactive books, and now she brings that sensibility to children and to the act of reading. This picture book is an invitation to honor your own vision and to welcome imperfection. Kids will discover that reading can engage all five senses, and that what they themselves bring to a book is an important contribution. (And of course they’ll be invited to do a bit of harmless “wrecking”!)

Living Out Loud Ballantine Books

From the internationally bestselling creator of *Wreck This Journal* comes an imaginative new project: fifty postcards that send you on a quest to reanimate everyday life... Leave notes in public for strangers, dream up a tiny imaginary world, summon magic powers, draw a portrait of yourself as a hero, create your own treasure map, or access a secret portal whenever you wish. Don’t you just love getting something unexpected in the mail? With *Everything Is Connected*, your mission is to reimagine your world—and the worlds of everyone around you—one postcard at a time. Creative, collaborative, and winkingly subversive, this postcard set is a manifesto, a mission, a game, and an invitation in one convenient package.

Juniper Unraveling Penguin

In the numbers-obsessed sport of baseball, statistics don’t merely record what players, managers, and owners have done. Properly understood, they can tell us how the teams we root for could employ better strategies, put more effective players on the field, and win more games. The revolution in baseball statistics that began in the 1970s is a controversial subject that professionals and fans alike argue over without end. Despite this fundamental change in the way we watch and understand the sport, no one has written the book that reveals, across every area of strategy and management, how the best practitioners of statistical analysis in baseball—people like Bill James, Billy

Beane, and Theo Epstein—think about numbers and the game. *Baseball Between the Numbers* is that book. In separate chapters covering every aspect of the game, from hitting, pitching, and fielding to roster construction and the scouting and drafting of players, the experts at *Baseball Prospectus* examine the subtle, hidden aspects of the game, bring them out into the open, and show us how our favorite teams could win more games. This is a book that every fan, every follower of sports radio, every fantasy player, every coach, and every player, at every level, can learn from and enjoy.

Keri Smith's Adventure Lab: A Boxed Set of How to Be an Explorer of the World, Finish This Book, and the Imaginary World of . . . National Geographic Books

Michele Praeger seeks an answer by bringing the Caribbean discourses of French traditional criticism and American social sciences, particularly history and psychoanalysis, into conversation with the imaginings of the Caribbean - in the form of fiction by Edouard Glissant, Patrick Chamoiseau, Raphael Confiant, Maryse Conde, Michele Lacrosil, and Suzanne Césaire."

Unlit Penguin

How can parents, educators, business leaders and policy makers nurture creativity, prepare for inventiveness and stimulate innovation? One compelling answer, this book argues, lies in fostering the invention of imaginary worlds, a.k.a. worldplay. First emerging in middle childhood, this complex form of make-believe draws lifelong energy from the fruitful combustions of play, imagination and creativity. Unfortunately, trends in modern life conspire to break down the synergies of creative play with imaginary worlds. Unstructured playtime in childhood has all but disappeared. Invent-it-yourself make-believe places have all but succumbed in adolescence to ready-made computer games. Adults are discouraged from playing as a waste of time with no relevance to the workplace. Narrow notions of creativity exile the fictive imagination to fantasy arts. And yet, as Michele Root-Bernstein demonstrates by means of historical inquiry, quantitative study and contemporary interview, spontaneous worldplay in childhood develops creative potential, and strategic worldplay in adulthood inspires innovations in the sciences and social sciences as well as the arts and literature. Inventing imaginary worlds develops the skills society needs for inventing the future. For more on Inventing Imaginary Worlds, check out: www.inventingimaginaryworlds.com

The Mammoth Book of Vampire Romance Rowman & Littlefield

"Not gonna lie, this is probably the coolest journal you'll ever see. . . . *Wreck This Journal* is here to inspire you." —Buzzfeed A spectacular coloring and painting edition of the incredible journal that started it all, in celebration of the tenth anniversary of the 10-million-copy international bestseller. Perhaps you're a seasoned Wreck-er, having made your way through one or more copies of *Wreck This Journal*. Or maybe you're new to the phenomenon (little do you know, this experience might just change your life). Whatever the case, you've found the perfect book to destroy... Welcome to an all new-edition of *Wreck This Journal*, now in spectacular full color! Inside, you'll find prompts for painting, shredding, transforming, and unleashing your creativity. With a mix of new, altered, and favorite prompts, *Wreck This Journal: Now in Color* invites you to wreck with color: mixing colors to make mud, letting chance dictate your color choice, weaving with brightly colored strips of paper, and more. What colors will you use to wreck your journal? "A conceptual artist and author luring kids into questioning the world and appreciating every smell, texture and mystery in it." —TIME Magazine "Keri Smith may well be the self-help guru this DIY generation deserves." —The Believer

Wreck This Journal (Black) Expanded Edition Createspace Independent Publishing Platform

The first in an all-new futuristic fantasy series from Keri Arthur—the New York Times bestselling author of the *Souls of Fire* novels. When the bombs that stopped the species war tore holes in the veil between this world and the next, they allowed entry to the Others—demons, wraiths, and death spirits who turned the shadows into their hunting grounds. Now, a hundred years later, humans and shifters alike live in artificially lit cities designed to keep the darkness at bay.... As a déchet—a breed of humanoid super-soldiers almost eradicated by the war—Tiger has spent her life in hiding. But when she risks her life to save a little girl on the outskirts of Central City, she discovers that the child is one of many abducted in broad daylight by a wraith-like being—an impossibility with dangerous implications for everyone on earth. Because if the light is no longer enough to protect them, nowhere is safe...

How to Be an Explorer of the World Penguin

Papa says everyone has a story that deserves to be told. Most begin years ago, after the second bomb hit, unearthing a deadly contagion that divided the population into the pure, the infected, and the Ragers. Many recount the moment we rose up from the ashes and started anew. Others tell of the day we built a wall to keep them out. For some, they're nothing more than the vestiges left behind—a simple name carved into the knotty bark of a Juniper tree. My story begins with a boy. A mute, from the other side of the wall, known only as Six, who touched my heart in ways that words never could, and gave me the courage to face my darkest truth. *Juniper Unraveling* is a full-length standalone romance set in a post-apocalyptic world.

The Keeper of the Mist Penguin Books

Anti Journal is no ordinary journal, it's an anarchic, therapeutic route to personal and artistic discovery packed with partially illustrated pages to complete in imaginative unconventional ways. For all ages, bedroom journalers, total novices or professional artists, Anti Journal is sheer creative bliss and the catalyst for discovering your own twist: create, pattern, draw, paint, disguise, stain, collage, construct, colour, stitch, sketch, write, tape, document and discover talents you never knew you had. Create beyond the norm: use paint, pens, pencils, chalk, but how about old clothes, fruit peel, cellphones, emotions, highlighters, digital media, physical actions, junk, photography and nature too? Anti Journal knows no boundaries or rules. It's the personal tool for expression and will stir your imagination out of even the deepest slumber. No matter where you go, just carry your handy-sized Anti Journal in your bag and live a more creative life. It's therapeutic, joyous and expressive - its journaling outside of the box.

Pick Me Up Penguin

"This is a dark apocalyptic romance and if you haven't read this genre yet, Keri will suck you into this world and keep you on the edge of your seat. Even if apocalyptic isn't your cuppa, trust me, this series will make a believer out of you." -Dirty Girl Romance Book Blog I've heard stories about the Alphas. Violent soldiers, bred to kill both humans and mutations, whose sole purpose was to balance our survival against the infected. Until they turned on their masters. Held as subjects of the Calico research facility, they were forced to endure the gruesome experiments that transformed them into callous savages with hearts as impenetrable as their defenses. More terrifying than the monsters that decimated our world with disease and famine. In the aftermath of Calico's collapse, many of the

Alphas fled, only to be hunted by our own Legion army. And in their absence, the balance has shifted. I thought they no longer existed. Until I met him, the god of monsters. Now I don't believe in the stories anymore. To fall in love with the unyielding heart of an Alpha is said to be impossible. But to fall in love with a god would be a tragedy. SERIES ORDER: Juniper Unraveling (Book 1) Calico Descending (Book 2) Kings of Carrion (Book 3) God of Monsters (Book 4)

Tear Up This Book! Penguin

For anyone who's ever wished to, but had trouble starting, keeping, or finishing a journal or sketchbook comes this journal; an illustrated book that features a subversive collection of prompts, asking readers to muster up their best mistake- and mess-making abilities to fill the pages of the book (and destroy them).

Anti Journal KA Publishing PTY LTD

From the internationally bestselling creator of *Wreck This Journal*, a curious, engaging, and creative rethinking of all the different things a book can be. In this uniquely skewed look at the purpose and function of a "book", Keri Smith offers an illustrated guide that challenges readers to creatively examine all the different ways *This Is Not a Book* can be used. With intriguing prompts, readers will discover that the book can be: A secret message—tear out a page, write a note on it for a stranger, and leave it in a public place. A recording device—have everyone you contact today write their name in the book. An instrument—create as many sounds as you can using the book, like flipping the pages fast or slapping the cover. *This Is Not a Book* forces you to ask, "If it's not a book, what is it then?"—with a kaleidoscope of possible answers.

Inventing Imaginary Worlds Penguin

A quirky, creative companion that offers a pick-me-up on every page. On the heels of his internationally successful first book, *1 Page at a Time*, graphic designer and illustrator Adam J. Kurtz delivers another intimate and engaging journal for anyone who loves to explore ideas, record thoughts and feelings, and capture those fleeting but amazing moments of everyday life. Unlike a linear journal, this book can be opened up to any page, encouraging and engaging readers time and time again through continued use. Rather than simply complete tasks and turn pages, users are

encouraged to leave their mark, and if they land on the same page days or weeks later, they can review, reflect, and revise their previous response. Feeling lonely? Pensive? Peeved? Questioning? This deceptively simple book offers perspective, hope, and a twist of existential metaphor – and is perfect to pick up again and again.

The Wander Society BOOKSQUIRREL

Whomsoever draws the sword from the ancient seat of this land shall rule her, and they shall bring peace and prosperity to her people. For nearly a thousand years, the firstborn son of every Cannamore king has drawn the sword, and the land and her people have indeed prospered. Princess Nyx Bel-Hannon is neither male nor firstborn, but it's her hand that draws the sword rather than her twin brother's. Her reward: imprisonment. But a deep darkness now spreads across the kingdom, and her borders are threatened by creatures capable of magic powerful enough to destroy mountains and split the land asunder. Without the true heir to wield the sword, Cannamore risks annihilation. The king and crown prince want nothing more than to be permanently rid of Nyx, but cannot afford her blood on their hands. Instead, they give her to a fractious warlord in the hope he will do what they dare not. Nyx has no intention of letting the warlord get in the way of her thirst for revenge or the need to claim her throne. But it's a quest that may well destroy the kingdom she loves, because Nyx has been cursed by the god of war. It is her destiny to save Cannamore. Or utterly destroy it.

Wreck This Journal Bundle Set TarcherPerigee

A deceptively simple adventure into the unknown using only paper, a pencil and a single line. *Wreck This Journal* had a simple premise: destroy the book in all the ways you can imagine. *The Line* is even simpler: find pencil, start a line. As you move through the pages of Keri Smith's newest book, you'll be asked to let your line meander, explore the book's gutter, and jump around the edges of the pages. You'll hide your line, cut your line and even let someone else take over your line for a bit. The farther you get into the book, however, the more you'll discover that maybe things aren't as simple as they first seemed. The line has a mind of its own, and it's up to you to discover what's at the end of the line (hint: it's just the beginning).
