 'All le Guin's stories are metaphors for the one human story; all her fantastic planets are this one'
 Margaret Atwood ARMCHAIR TRAVEL FOR THE MIND: It was Sita Dulip who discovered, whilst stuck in an airport, unable to get anywhere, how to change planes - literally. With a kind of a twist and a slipping bend, easier to do than describe, she could go anywhere - be anywhere - because she was already between planes ... and on the way back from her sister's wedding, she missed her plane in Chicago and found herself in Choom. The author, armed with this knowledge and Roman's invaluable Handy Planetary Guide - although not the Encyclopedia Planeria, as that runs to forty-four volumes - has spent many happy years exploring places as diverse as Islac and the Veksian

plane. CHANGING PLANES is an intriguing, enticing mixture of GULLIVER'S TRAVELS and THE HITCH-HIKER'S GUIDE TO THE GALAXY; a cross between Douglas Adams and Alain de Botton: a mix of satire, cynicism and humour by one of the world's best writers.

In 1905, representatives from dozens of radical labor groups came together in Chicago to form One Big Union—the Industrial Workers of the World (IWW), known as the Wobblies. The union was a big presence in the labor movement, leading strikes, walkouts, and rallies across the nation. And everywhere its members went, they sang. Their songs were sung in mining camps and textile mills, hobo jungles and flop houses, and anywhere workers might be recruited to the Wobblies' cause. The songs were published in a pocket-size tome called the Little Red Songbook, which was so successful that it's been published continuously since 1909. In *The Big Red Songbook*, the

editors have gathered songs from over three dozen editions, plus additional songs, rare artwork, personal recollections, discographies, and more into one big all-embracing book. IWW poets/composers strove to nurture revolutionary consciousness. Each piece, whether topical, hortatory, elegiac, or comic served to educate, agitate, and emancipate workers. A handful of Wobbly numbers have become classics, still sung by labor groups and folk singers. They include Joe Hill's sardonic "The Preacher and the Slave" (sometimes known by its famous phrase "Pie in the Sky") and Ralph Chaplin's "Solidarity Forever." Songs lost or found, sacred or irreverent, touted or neglected, serious or zany, singable or not, are here. The Wobblies and their friends have been singing for a century. May this comprehensive gathering simultaneously celebrate past battles and chart future goals. In addition to the 250+ songs, writings are included from Archie Green, Franklin Rosemont, David Roediger, Salvatore Salerno, Judy Branfman, Richard Brazier, James Connell, Carlos Cortez, Bill Friedland, Virginia Martin, Harry McClintock, Fred Thompson, Adam Machado, and many more.

The BFG (Colour Edition) Himalayan Institute Press

"The Marching Morons" is a look at a far future in which the world's population consists of five billion idiots and a few million geniuses – the precarious minority of the "elite" working desperately to keep things running behind the scenes. "The Marching Morons" is a direct sequel to "The Little Black Bag": it is easy to miss this, as "Bag" is set in the contemporary present while "Morons" takes place several centuries from now, and there is no character that appears in both stories. The titular black bag in the first story is actually an artifact from the time period of "The Marching Morons": a medical kit filled with self-driven instruments enabling a far-future moron to "play doctor". A future Earth similar to "The Marching Morons" – a civilization of morons protected by a small minority of hidden geniuses – is used again in the final stages of "Search the Sky".

Writing the Nation: A Concise Introduction to American Literature 1865 to Present SOS Programs & Parents Pres

The changes taking place in our aesthetic and emotional sensibility: a deep mutation in the psychosphere, caused by semio-capitalism. Franco "Bifo" Berardi's newest book analyzes the contemporary changes taking place in our aesthetic and emotional sensibility—changes the author claims are the result of semio-capitalism's capturing of the inner resources of the subjective process: our experience of time, our sensibility, the way we relate to each other, and our ability to imagine a future. Precarization and fractalization of labor have provoked a deep mutation in the psychosphere, and this can be seen in the rise of psychopathologies such as post-traumatic stress disorder, autism, panic, and attention deficit disorder. Sketching out an aesthetic genealogy of capitalist globalization, Berardi shows how we have arrived at a point of such complexity in the semiotic flows of capital that we can no longer process its excessive currents of information. A swarm effect now rules: it has become impossible to say "no." Social behavior is trapped in inescapable patterns of interaction coded by techno-linguistic machines, smartphones, screens of every size, and all of these sensory and emotional devices end up destroying our organism's sensibility by submitting it to the stress of competition and acceleration. Arguing for disentanglement rather than resistance, Berardi concludes by evoking the myth of La Malinche, the daughter of a noble Aztec family. It is a tale of a translator and traitor who betrayed her own people, yet what the myth portends is the rebirth of the world from the collapse of the old.

Wouldn't Take Nothing for My Journey Now Penguin

Language "Appealing As Sunlight After a Storm." A sentence should read as if its author, had he held a plough instead of a pen, could have drawn a furrow deep and straight to the end. —Henry David Thoreau Prose consists of ... phrases tacked together like the sections of a prefabricated hen-house. —George Orwell Whether it invokes hard work or merely a hen-house, a good simile is like a good picture—it's worth a thousand words. Packed with more than 16,000 imaginative, colorful phrases—from "abandoned as a used Kleenex" to "quiet as an eel swimming in oil"—the Similes Dictionary will help any politician, writer, or lover of language find just the right saying, be it original or banal, verbose or succinct. Your thoughts will never be "as tedious as a twice-told tale" or "dry as the Congressional Record." Choose from elegant turns of phrases "as useful as a Swiss army knife" and "varied as expressions of the human face". Citing more than 2,000 sources—from the Bible, Socrates, Shakespeare, Mark Twain, and H. L. Mencken to popular movies, music, and television shows—the Similes Dictionary covers hundreds of subjects broken into thematic categories that include topics such as virtue, anger, age, ambition, importance, and youth, helping you find the fitting phrase quickly and easily. Perfect for setting the atmosphere, making a point, or helping spin a tale with economy, intelligence, and ingenuity, the vivid comparisons found in this collection will inspire anyone. Love comforteth like sunshine after rain. —William Shakespeare A face like a bucket —Raymond Chandler A man with little learning is like the frog who thinks its puddle a great sea. —Burmese proverb Peace, like charity, begins at home —Franklin Delano Roosevelt You know a dream is like a river ever changing as it flows. —Garth Brooks Fit as a fiddle —John Ray's Proverbs He's not to be allowed to fall into his grave like an old dog. —Arthur Miller Ring true, like good china. —Sylvia Plath Music yearning like a God in pain —John Keats Busy as a one-legged man in an ass-kicking contest. —Pat Conroy Enduring as mother love —Anonymous

SOS Help for Parents One for the Road

Active for over 40 years with the Communist Party of Canada, Bert Whyte was a journalist, an underground party organizer and soldier during World War II, and a press correspondent in Beijing

and Moscow. But any notion of him as a Communist Party hack would be mistaken. Whyte never let leftist ideology get in the way of a great yarn. In Champagne and Meatballs—a memoir written not long before his death in Moscow in 1984—we meet a cigar-smoking rogue who was at least as happy at a pool hall as at a political meeting. His stories of bumming across Canada in the 1930s, of combat and comaraderie at the front lines in World War II, and of surviving as a dissident in troubled times make for compelling reading. The manuscript of Champagne and Meatballs was brought to light and edited by historian Larry Hannant, who has written a fascinating and thought-provoking introduction to the text. Brash, irreverent, informative, and entertaining, Whyte's tale is history and biography accompanied by a wink of his eye--the left one, of course.

Two Dooms: Two Dystopian Novels (Illustrated) Scarecrow Press

Journeys and Experiences in Argentina, Paraguay, and Chile is a travelogue by Henry Stephens. It covers the destinations in the title as well as trips to the Paraguay River in Brazil and the Rio Tambo in Peru.

Living with the Himalayan Masters Teachers College Press

In 'Writing the Nation: A Concise Introduction to American Literature 1865 to Present,' editors Amy Berke, Robert Bleil, Jordan Cofer, and Doug Davis curate a comprehensive exploration of American literary evolution from the aftermath of the Civil War to contemporary times. This anthology expertly weaves a tapestry of diverse literary styles and themes, encapsulating the dynamic shifts in American culture and identity. Through carefully selected works, the collection illustrates the rich dialogue between historical contexts and literary expression, showcasing seminal pieces that have shaped American literatures landscape. The diversity of periods and perspectives offers readers a panoramic view of the countrys literary heritage, making it a significant compilation for scholars and enthusiasts alike. The contributing authors and editors, each with robust backgrounds in American literature, bring to the table a depth of scholarly expertise and a passion for the subject matter. Their collective work reflects a broad spectrum of American life and thought, aligning with major historical and cultural movements from Realism and Modernism to Postmodernism. This anthology not only marks the evolution of American literary forms and themes but also mirrors the nations complex history and diverse narratives. 'Writing the Nation' is an essential volume for those who wish to delve into the heart of American literature. It offers readers a unique opportunity to experience the multitude of voices, styles, and themes that have shaped the countrys literary tradition. This collection represents an invaluable resource for students, scholars, and anyone interested in the development of American literature and the cultural forces that have influenced it. The anthology invites readers to engage with the vibrant dialogue among its pages, fostering a deeper understanding and appreciation of the United States' literary and cultural heritage.

Coles Funny Picture Book Del Bantam

"The Texas Folklore Society has been alive and kicking for over one hundred years now, and I don't really think there's any mystery as to what keeps the organization going strong. The secret to our longevity is simply the constant replenishment of our body of contributors. We are especially fortunate in recent years to have had papers given at our annual meetings by new members--young members, many of whom are college or even high school students. "These presentations are oftentimes given during sessions right alongside some of our oldest members. We've also had long-time members who've been around for years but had never yet given papers; thankfully, they finally took the opportunity to present their research, fulfilling the mission of the TFS: to collect, preserve, and present the lore of Texas and the Southwest. "You'll find in this book some of the best articles from those presentations. The first fruits of our youngest or newest members include Acayla Haile on the folklore of plants. Familiar and well-respected names like J. Rhett Rushing and Kenneth W. Davis discuss folklore about monsters and the classic 'widow's revenge' tale. These

works--and the people who produced them--represent the secret behind the history of the Texas Folklore Society, as well as its future."--Kenneth L. Untiedt

Working The New Press

Building on experience from 60 countries worth of independent travel, the author takes you on three journeys to places you may never have considered visiting, although you probably should and you definitely could. Learn about a low-budget cruise to Antarctica, understand what the Trans-Siberian Railway really is like, enjoy the natural wonders of Southern Africa. The book is a fun read, but you will also learn about far-away destinations and about how to travel independently anywhere. It's not a travel guide or a travel journal, it's both!More details, including free downloads, available from <http://bjornfree.com/>

Boy New Age International

Born to wander PM Press

"Short Circuits" is a collection of essays and short stories by the Canadian writer and humorist Stephen Leacock. Like many of his fiction and non-fiction books, this work features the author's light humor along with criticisms of people's follies. It is divided into several chapters, each of which is dedicated to a certain side of human life, like the annoyance with flies in the middle of the summer or the routines of a regular citizen.

Big Red Songbook Random House Incorporated

"[Poppy's] recipes are unshowy, unfussy (for all her Michelin training) and simply make you want to go skipping into the kitchen to cook."—Nigella Lawson, Nigella.com With Chef and TikTok sensation Poppy O'Toole you'll learn the basics, up your cooking game, with delicious results every time. This is a cookbook with no judgement. Together, we'll learn how to make incredible food at home. We'll start with the basics: 12 core recipes (or go-to skills) that everyone needs to know, like how to make a pasta sauce, roast a chicken or make a killer salad dressing. Then we'll use these core skills as a base for delicious and adaptable recipes that will up your cooking game—the Staple, the Brunch, the Potato Hero (of course they make an appearance) and the Fancy AF. So, once you've nailed that classic tomato sauce (which I promise will become the new go-to in your kitchen), you can stir it through pasta, or bake it with eggs for the perfect Shakshuka and, before you know it, you'll be getting real fancy and making a show-stopping Chicken Parmigiana to impress your friends. I'll walk you through 75 delicious recipes, including: White Sauce: think Mac and Cheese and Bacon-y Garlicky Gratin. Dough: easy flatbreads for Halloumi Avo Breads and Salmon Tikka wraps. Emulsions: Chicken Caesar Salad with homemade mayo and next level Steak Béarnaise with Hollandaise and Crunchy Roast Chips. Meringue: from Eton Mess Pancakes through to Simply the Zest Lemon Meringue Pie Whether you're completely new to the kitchen or looking to elevate your basics with clever tricks, my step-by-step guidance will help you nail delicious food every time. As a Michelin-trained chef with over ten years' experience in professional kitchens, I've done the years of training so you don't have to. It's okay to make a few mistakes along the way, and together, we'll help you fix them and achieve incredible results at home. I am passionate about the importance of great food at home, every day—it's what we all deserve. This is not just the food you want. It's the food you need.
