Dynasty of Evil: Star Wars Legends (Darth Bane) Insight Kids

Darth Plagueis The Wise has become one of the most infamous and interesting characters in Star Wars despite never appearing on screen. He was directly responsible for just about everything that happened over the course of the Star Wars movies, and unbeknownst to many, was even alive for most of Episode I. Darth Plagueis was a bit of a recluse, especially in his later years, so not much is known about him beyond the secondhand accounts of his former apprentice Palpatine. This book will dispel much of the mystery surrounding the famous Sith Lord by exploring his history, his relationship with the Emperor, and how the ripple effects of his actions are still being felt in the Star Wars universe today.
