Karachi, You're Killing Me! Alpha Science Int'l Ltd.
 A stunning four-color biography of Congresswoman Alexandria Ocasio-Cortez in the bestselling tradition of Notorious RBG and Pelosi that explores her explosive rise and impact on the future of American culture and politics. The candidate was young—twenty-eight years old, a child of Puerto Rico, the Bronx, and Yorktown Heights. She was working as a waitress and bartender. She was completely unknown, and taking on a ten-term incumbent in a city famous for protecting its political institutions. “Women like me aren’t supposed to run for office,” Alexandria Ocasio-Cortez said in a video launching her campaign, the camera following her as she hastily pulled her hair into a bun. But she did. And in perhaps the most stunning upset in recent memory, she won. At twenty-nine, she was sworn in as the youngest member of the 116th Congress and became the youngest woman to serve as a representative in United States history. Before long, Ocasio-Cortez had earned her own shorthand title—AOC—and was one of the most talked-about public figures (loved and loathed) in the world. Her natural ability to connect with everyday people

through the social media feeds grew her following into the multimillions. Every statement she made, every tweet and Instagram Live, went viral, and her term had barely begun before people were speculating that she could one day be president. The question seemed to be on everyone’s mind: How did this woman come from nowhere to acquire such influence, and so fast? Now, in *Take Up Space*, that question is answered through a kaleidoscopic biography by the editors of *New York* magazine that features the riveting account of her rise by Lisa Miller, an essay by Rebecca Traister that explains why she is an unprecedented figure in American politics, and multiform explorations (reportage, comic, history, analysis, photography) of AOC’s outsize impact on American culture and politics. Throughout, AOC is revealed in all her power and vulnerability, and understood in the context of the fast-changing America that made her possible—and perhaps even inevitable.

The definitive guide to the therapeutic Japanese practice of shinrin-yoku, or the art and science of how trees can promote health and happiness Notice how a tree sways in the wind. Run your hands over its bark. Take in its citrusy scent. As a society we suffer from nature deficit disorder, but studies have shown that

spending mindful, intentional time around trees--what the Japanese call *shinrin-yoku*, or forest bathing--can promote health and happiness. In this beautiful book--featuring more than 100 color photographs from forests around the world, including the forest therapy trails that criss-cross Japan--Dr. Qing Li, the world's foremost expert in forest medicine, shows how forest bathing can reduce your stress levels and blood pressure, strengthen your immune and cardiovascular systems, boost your energy, mood, creativity, and concentration, and even help you lose weight and live longer. Once you've discovered the healing power of trees, you can lose yourself in the beauty of your surroundings, leave everyday stress behind, and reach a place of greater calm and wellness.

I am Lakshmi Prasad, native of Bihar. I am doing PhD on a very important subject "Mating habits of gay chimpanzees in West Africa" at PANU University, the best University in India and possibly the best University in the world. My idols are "Faizal Guru", "Janab Kasab Sahib", "Focus Carat", "Baba Badkar", "Zakir Nalayak", "Gharkha Dutt", "Dr. Kana Ayyub" and all PhD students who had committed suicide since they failed to solve their PhD problems. I personally feel that, all deprived Indians should automatically be awarded a PhD degree coupled with a free pension of 1 lakh rupees/month to be delivered in cash via post at door step. Till then we are going to fight for azaadi from India. Imagine a day, when no PhD student would have to commit suicide, imagine a day, when no lower caste will be humiliated by upper caste, s/he can use his/her doctorate degree and force others to call him/her Dr. X, Dr. Y ,etc.

The beloved debut novel about an affluent Indian family forever changed by one fateful day in 1969, from the author of *The Ministry of Utmost Happiness* NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER Compared favorably to the works of Faulkner and Dickens, Arundhati Roy's modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing "big things [that] lurk unsaid" in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, *The God of Small Things* is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

Now, to mark the 175th anniversary of photography and the birth of photojournalism, the Editors of TIME magazine are publishing this companion book to the groundbreaking digital celebration of photography that TIME.com will be mounting online, displaying the most influential photographs of all time. While they may not be the most famous or well-known photographs, each one is unique for the way in which it changed, influenced, or commemorated a particular world event. From the first sports photograph to ever win the Pulitzer Prize - that of Babe Ruth at Yankee Stadium to the photograph of Student Neda Agha-Soltan's death during Iran's 2009 election protests, each of the photographs in *100 Photographs: The Most Influential Images of All Time* is significant in how it forever changed how we live, learn, communicate, and in many cases, view the world.

Principles and Practices Penguin

NATIONAL BESTSELLER The star of the *Harold and Kumar* franchise, *House*, and *Designated Survivor* recounts why he rejected the advice of his aunts and guidance counselors and, instead of becoming a doctor or "something practical," embarked on a surprising journey that has included confronting racism in Hollywood, meeting his future husband, and working in the Obama administration, in this entertaining and refreshingly candid memoir. *You Can't Be Serious* is a series of funny, consequential, awkward, and ridiculous stories from Kal Penn's idiosyncratic life. It's about being the grandson of Gandhian freedom fighters, and the son of immigrant parents: people who came to this country with very little and went very far—and whose vision of the American dream probably never included their son sliding off an oiled-up naked woman in the raunchy Ryan Reynolds movie *Van Wilder*...or getting a phone call from Air Force One as Kal flew with the country's first Black president. With intelligence, humor, and charm on every page, Kal reflects on the most exasperating and rewarding moments from his journey so far. He pulls back the curtain on the nuances of opportunity and racism in the entertainment industry and recounts how he built allies, found encouragement, and dealt with early reminders that he might never fit in. He describes his initially unpromising first date with his now-fiancé Josh, involving an 18-pack of Coors Light and an afternoon of watching NASCAR. And of course, he reveals how, after a decade and a half of fighting for and enjoying successes in Hollywood, he made the terrifying but rewarding decision to take a sabbatical from a fulfilling acting career for an opportunity to serve his country as an Obama White House aide. Above all, *You Can't Be Serious* shows that everyone can have more than one life story. Kal demonstrates by example that no matter who you are and where you come from, you have many more choices than those presented to you. It's a story about struggle, triumph, and learning how to keep your head up. And okay, yes, it's also about how he accidentally (and very stupidly) accepted an invitation to take the entire White House Office of Public Engagement to a strip club—because, let's be honest, that's the kind of stuff you really want to hear about.

Four masters of urban fantasy and paranormal romance plunge readers into the dangerous, captivating world unearthed beyond the dark... New York Times bestselling author Nalini Singh delivers a smoldering story with *Secrets at Midnight*, as the scent of Bastien Smith's elusive lover ignites a possessiveness in him that's as feral as it is ecstatic. And now that he's found his mate, he'll do anything to keep her. In #1 New York Times bestselling author Ilona Andrews' novella, *Magic Steals*, when people start

going missing, shapeshifting tigress Dali Harimau and jaguar shifter Jim Shrapshire must uncover the truth about the mysterious creatures responsible. From Milla Vane—a warrior princess must tame The Beast of Blackmoor to earn a place among her people. But she quickly discovers that the beast isn't a monster, but a barbarian warrior who intends to do some taming himself. It's seer Makenna Frazier's first day on the job at Supernatural Protection and Investigations, and her first assignment is more than she bargained for when bodyguard duty for a leprechaun prince's bachelor party goes every which way but right in national bestselling author Lisa Shearin's *Lucky Charms*.

NEW YORK TIMES BESTSELLER • Don't miss Debbie Macomber's short story "Lost and Found in Cedar Cove" and an excerpt of her new novel *Last One Home*, among other special features, in the back of the book. 'Tis the season for romance, second chances, and Christmas cheer with this new novel from Debbie Macomber. Carrie Slayton, a big-city society-page columnist, longs to write more serious news stories. So her editor hands her a challenge: She can cover any topic she wants, but only if she first scores the paper an interview with Finn Dalton, the notoriously reclusive author. Living in the remote Alaskan wilderness, Finn has written a megabestselling memoir about surviving in the wild. But he stubbornly declines to speak to anyone in the press, and no one even knows exactly where he lives. Digging deep into Finn's past, Carrie develops a theory on his whereabouts. It is the holidays, but her career is at stake, so she forsakes her family celebrations and flies out to snowy Alaska. When she finally finds Finn, she discovers a man both more charismatic and more stubborn than she even expected. And soon she is torn between pursuing the story of a lifetime and following her heart. Filled with all the comforts and joys of Christmastime, *Starry Night* is a delightful novel of finding happiness in the most surprising places. Praise for *Starry Night* "Contemporary romance queen Macomber (Rose Harbor in Bloom) hits the sweet spot with this tender tale of impractical love. . . . A delicious Christmas miracle well worth waiting for."—Publishers Weekly (starred review) "[A] holiday confection . . . as much a part of the season for some readers as cookies and candy canes."—Kirkus Reviews "A sweet contemporary Christmas romance . . . [that] the best-selling author's many fans will enjoy."—Library Journal "Macomber can be depended on for an excellent story. . . . Readers will remain firmly planted in the beginnings of a beautiful love story between two of the most unlikely characters."—RT Book Reviews (Top Pick, 4½ stars) "Macomber, the prolific and beloved author of countless bestsellers, has penned a romantic story that will pull at your heartstrings with its holiday theme and emphasis on love and finding that special someone."—Bookreporter "Magical . . . Macomber has given us another delightful romantic story to cherish. This one will touch your heart just as much as her other Christmas stories. Don't miss it!"—Fresh Fiction

This is the story of Bhima, the second son, always second in line - a story never adequately told until one of India's finest writers conjured him up from the silences in Vyasa's narrative. M.T. Vasudevan Nair's *Bhima* is a revelation -- lonely, eager to succeed, treated with a mixture of affection and contempt by his Pandava brothers, and with scorn and hatred by his Kaurava cousins, Bhima battles incessantly with failure and disappointment. He is adept at disguising his feelings, but has an overwhelmingly intuitive understanding of everyone who crosses his path. A warrior without equal, he takes on the mighty Bakasura and Jarasandha, and ultimately Duryodhana, thus bringing the Great War to a close. However, all of Bhima's moments of triumph remain unrecognized and unrewarded. If his mother saw glory only in the skills of Arjuna and the wisdom of Yudhishtira, his beloved Draupadi cared only for the beautiful Arjuna.

Ayesha is a twenty-something reporter in one of the world's most dangerous cities. Her assignments range from showing up at bomb sites and picking her way through scattered body parts to interviewing her boss's niece, the couture-cupcake designer. In between dicing with death and absurdity, Ayesha despairs over the likelihood of ever meeting a nice guy, someone like her old friend Saad, whose shoulder she cries on after every romantic misadventure. Her choices seem limited to narcissistic, adrenaline-chasing reporters who'll do anything to get their next story—to the spoilt offspring of the Karachi elite who'll do anything to cure their boredom. Her most pressing problem, however, is how to straighten her hair during the chronic power outages. *Karachi, You're Killing Me!* is *Bridget Jones's Diary* meets *The Diary of a Social Butterfly*—a comedy of manners in a city with none.

Now a major Channel 4 series *Rose Cartwright* has OCD, but not as you know it. Pure is the true story of her ten-year struggle with

'Pure O', a little-known form of the condition, which causes her to experience intrusive sexual thoughts of shocking intensity. It is a brave and frequently hilarious account of a woman who refused to give up, despite being undermined at every turn by her obsessions and enduring years of misdiagnosis and failed therapies. Eventually, the love of family and friends, and Rose's own courage and sense of humour prevailed, inspiring this deeply felt and beautifully written memoir. At its core is a lesson for all of us: when it comes to being happy with who we are, there are no neat conclusions.

I'm the first-born son of the mafia king. The favorite. Destined to rule, I'm a dangerous man, a ruthless one. But in my world, you have to be. Then Natalie stumbles into my life. Wrong place. Wrong time. Twice, fate put her in my path. Twice, fate placed the innocent lamb at the mercy of the monster. I gave her a chance to walk away. Told her it would be better for her if she did. But she didn't listen. And now it's too late. Because I'm not good. I never wanted to be. And I won't let her go anymore. See, I'm not the hero. When I touch her, it's with dirty hands. I know my reckoning is coming though. I know I'll burn for the things I've done, the sins I've committed. And I don't deny hell is where I belong, but I want my time first. I want my time with her. She's mine. Forever. No matter what. Author's Note: Sergio is an emotional romance set in the Benedetti Mafia world. It is not a traditional romance. It is recommended that you read both Salvatore: a Dark Mafia Romance and Dominic: a Dark Mafia Romance before reading Sergio's story.
