special features like 'how to read music' and 'simple repairs'

A Poet's Biography of a Blues Legend

CreateSpace

An intimate memoir by blues legend Robert Johnson's stepsister, including new details about his family, music, influences, tragic death, and musical afterlife. Though Robert Johnson was only twenty-seven years young and relatively unknown at the time of his tragic death in 1938, his enduring recordings have solidified his status

as a progenitor of the Delta blues style. And yet, while his music has retained the steadfast devotion of modern listeners, much remains unknown about the man who penned and played these timeless tunes. Few people alive today actually remember what Johnson was really like, and those who do have largely upheld their silence-until now. In *Brother Robert*, nonagenarian Annye C. Anderson sheds new light on a real-life figure largely obscured by his own

legend: her kind and incredibly talented stepbrother, Robert Johnson. This book chronicles Johnson's unconventional path to stardom, from the harrowing story behind his illegitimate birth, to his first strum of the guitar on Anderson's father's knee, to the genre-defining recordings that would one day secure his legacy. Along the way, readers are gifted not only with Anderson's personal anecdotes, but with colorful recollections passed down to Anderson

by members of their family—the people who knew Johnson best. Readers also learn about the contours of his working life in Memphis, never-before-disclosed details about his romantic history, and all of Johnson's favorite things, from foods and entertainers to brands of tobacco and pomade. Together, these stories don't just bring the mythologized Johnson back down to earth; they preserve both his memory and his integrity. For decades, Anderson and

her family have ignored the tall tales of Johnson "selling his soul to the devil" and the speculative to fictionalized accounts of his life that passed for biography. Brother Robert is here to set the record straight. Featuring a foreword by Elijah Wald and a Q&A with Anderson, Wald, Preston Lauterbach, and Peter Guralnick, this book paints a vivid portrait of an elusive figure who forever changed the musical landscape as we know it. [Chicago Blues](#) Canongate Books Limited

A beautiful genre-bending tribute to the larger-than-life blues singer Bessie Smith. Scotland's National Poet blends poetry, prose, fiction, and nonfiction to create an entirely unique biography of the Empress of the Blues. There has never been anyone else like Bessie Smith. Born in Chattanooga, Tennessee, in 1894 and orphaned by the age of nine, Bessie Smith sang on street corners before becoming a big name in traveling shows. In 1923, she made her first recording for the newly founded Columbia

Records. It sold 780,000 copies and catapulted her to fame. Known for her unmatched vocal talent, her timeless and personal blues narratives, her tough persona, and her ability to enrapture audiences with her raw voice, the Empress of the Blues remains a force and an enigma. In this remarkable book, Kay combines history and personal narrative, poetry and prose to create an enthralling account of an extraordinary life, and to capture the soul of the woman she first identified

with as a young Black girl growing up in Glasgow. Powerful and moving, Bessie Smith is at once a vivid biography of a central figure in American music history and a personal story about one woman's search for recognition. A VINTAGE ORIGINAL.

NEW YORK TIMES
BESTSELLER • The
“compassionate”
(People), “startling”
(Baltimore Sun), “moving”
(Chicago Tribune) true
story of two kids with the
same name from the city:
One went on to be a
Rhodes Scholar,
decorated combat
veteran, White House
Fellow, and business
leader. The other is
serving a life sentence in
prison. In development as
a feature film executive
produced by Stephen
Curry, who selected the

book as his “Underrated” Book Club Pick with Literati. The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for two

of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn’t shake off the unsettling coincidence, or the inkling that the two shared much more than space in the same newspaper. After following the story of the robbery, the manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted murderer serving a life sentence without the possibility of parole. His letter tentatively asked the

questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence and relationship that have lasted for several years. Over dozens of letters and prison visits, Wes discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were fatherless; they’d hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had

come across similar moments of decision, yet their choices would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers from heart-wrenching losses to moments of surprising redemption, *The Other Wes Moore* tells the story of a generation of boys trying to find their way in a hostile world. **BONUS:** This edition contains a new afterword and a *The Other Wes Moore* discussion guide.

Album de B. B. King,

Album de Chris Whitley, Album de Cream, Album de Gary Moore, Album de John Mayall, Album de Johnny Winter, Album Collectors Guide Pub Presents a comprehensive encyclopedia of rock guitar legends examining over three hundred artists beginning in the 1950s and covering a wide range of styles and includes performers such as Chuck Berry, Eric Clapton, Duane Eddy, Buddy Holly, Keith Richards, and more.

[Growing Up with Robert Johnson](#) Hal Leonard

Corporation
"What a romp....Alan Paul walked the walk, preaching the blues in China. Anyone who doubts that music is bigger than words needs to read this great tale."
—Gregg Allman "An absolute love story. In his embrace of family, friends, music and the new culture he's discovering, Alan Paul leaves us contemplating the love in our own lives, and rethinking the concept of home."
—Jeffrey Zaslow, coauthor, with Randy

Pausch, of The Last Lecture Alan Paul, award-winning author of the Wall Street Journal's online column "The Expat Life," gives his engaging, inspiring, and unforgettable memoir of blues and new beginnings in Beijing. Paul's three-and-a-half-year journey reinventing himself as an American expat—while raising a family and starting the revolutionary blues band Woodie Alan, voted Beijing Band of the Year in the 2008—is a must-read adventure for anyone who has lived

abroad, and for everyone who dreams of rewriting the story of their own future.
Thin Lizzy Hal Leonard Corporation
 An instant New York Times bestseller! The definitive biography of guitar legend Stevie Ray Vaughan, with an epilogue by Jimmie Vaughan, and foreword and afterword by Double Trouble's Chris Layton and Tommy Shannon. Just a few years after he almost died from a severe addiction to cocaine and alcohol, a clean and sober

Stevie Ray Vaughan was riding high. His last album was his most critically lauded and commercially successful. He had fulfilled a lifelong dream by collaborating with his first and greatest musical hero, his brother Jimmie. His tumultuous marriage was over and he was in a new and healthy romantic relationship. Vaughan seemed poised for a new, limitless chapter of his life and career. Instead, it all came to a shocking and sudden end on August 27, 1990, when he was killed in a helicopter crash

following a dynamic performance with Eric Clapton. Just 35 years old, he left behind a powerful musical legacy and an endless stream of What Ifs. In the ensuing 29 years, Vaughan's legend and acclaim have only grown and he is now an undisputed international musical icon. Despite the cinematic scope of Vaughan's life and death, there has never been a truly proper accounting of his story. Until now. Texas Flood provides the unadulterated truth about Stevie Ray Vaughan from

those who knew him best: his brother Jimmie, his Double Trouble bandmates Tommy Shannon, Chris Layton and Reese Wynans, and many other close friends, family members, girlfriends, fellow musicians, managers and crew members.

The Guinness Encyclopedia of Popular Music HarperCollins UK (Guitar Recorded Versions). 14 of this blues/rock axe master's transcriptions, from his Thin Lizzy days as well as his solo career. Songs:

Bad for You Baby * Cold Day in Hell * Empty Rooms * The Loner * Midnight Blues * Oh Pretty Woman * Out in the Fields * Over the Hills and Far Away * Parisienne Walkways * Since I Met You Baby * Still Got the Blues * Texas Strut * Victims of the Future * Walking by Myself.
The Wee Rock Discography One World
A fascinating insight into the golden-age of 1970s and 80s rock and roll told through the eyes of music legend Bernie Marsden and, most notably, his

role in establishing one of the world's most famous rock bands of all time - Whitesnake.

The Essential Reference of Rock's Greatest Guitarists

Hal Leonard Corporation Covers over 1000 important figures in the history of rock, including complete discographies of all featured artists, chart positions for every album and single, and biographies, style analysis, and recommended albums of all artists listed
Brother Robert Simon and Schuster

For 100,000 years, mankind has been the supreme predator on the planet, and inside the enormous biosphere called Gaia Two, a killer is stalking and murdering the residents. But according to the laws of natural selection, it's only a matter of time before evolution spawns a predator that will prey upon us. On an isolated Pacific island, that time is now. Mythological dragons have arisen! The legend of Beowulf recounts the tale of a warrior who came to

Heorot to save strangers. Beowulf was a forbidding killer welcome only because a voracious dragon was marauding for human prey. For the residents of Gaia Two, Bishop is their slayer of dragons, who insists on aggressively hunting down the dragons. His warnings are ignored however, and like Beowulf he knows the loneliness of the warrior who is merely tolerated during times of peace. Then Bishop is proved prophetic and events begin to go catastrophically wrong on

the island. Last Refuge is an exhilarating eco-thriller about an isolated group of unsuspecting scientists fighting to survive the sudden emergence of a lethal predator heralding the planet's next cataclysmic extinction event, and perhaps the end of the human species. Now, we are the prey. *The Inside Story of Stevie Ray Vaughan* Omnibus Press & Schirmer Trade Books
Based on Martin Strong's *The Great Rock Discography*, this is a compact version featuring

500 of the most influential figures in the history of popular music. It expands on the format of the previous title, in which full track listings for all albums, b-sides for all singles, labels, UK and US chart positions, band members, recommended listening, style analysis, band histories - from original line-ups to dissolution, solo projects, potted biographies, a pricing guide for rare albums and release dates are given.

TV and Radio History As It Happened Jawbone

Press
Presents a photographic essay on the Prince tour "21 Nights" held in London in 2007, depicting the performer and his band in on-stage performances, backstage preparations, and after-hour sessions, in a text which includes poetry and song lyrics.

The City and the Music Da Capo Press

There is a common misconception about KISS, one of the greatest hard-rock/heavy metal-bands of all-time: that their 'non-makeup' era of

1983-1996 is not as enduring as the period when they stalked stages as the Starchild, the Demon, the Spaceman, and the Cat. This is untrue. In fact, this period helped resuscitate KISS's career, as they reestablished themselves in arenas, on the charts, and via MTV, and yielded some of their most popular songs - including Lick It Up, Heaven's On Fire, Tears Are Falling, Crazy Crazy Nights, Hide Your Heart, Forever, Unholy, and more - many of which consistently

found their way into the band's set lists. While the majority of KISS books are focused on the glitz and glamour of the iconic makeup era, the non-makeup years are ripe to be explored in book form, and *Take It Off* does just that, zeroing in on the eleven albums KISS issued during this period - including such gold- and platinum-certified hits as *Lick It Up*, *Animalize*, *Revenge*, and *Alive III* - as well the resulting tours, videos, and other escapades. *Take It Off* draws on all-new

interviews with KISS experts and associates, including the band's lead guitarist throughout most of this period, Bruce Kulick, plus *Crazy Nights* producer Ron Nevison and video director Paul Rachman (*Unholy/I Just Wanna/Domino*). Among the other contributors are Charlie Benante (*Anthrax*), K.K. Downing (ex-Judas Priest), Derek Sherinan (ex-Dream Theater), and rock music experts Eddie Trunk, Katherine Turman, and Lonny Friend. The book also includes a foreword

by Fozzy frontman Chris Jericho and an afterword by acclaimed producer Andreas Carlsson, as well as rare photographs and memorabilia from the period. With KISS currently in the midst of their last ever tour, now is the time to get Truly Unmasked.

Last Refuge Harper Collins

B. B. King has the blues running through his blood. Growing up in the rural poverty of the Mississippi Delta, King first experienced the blues at nine years old, when his

mother passed away. The man of the house before the end of his first decade, he used this strife as a source of inspiration and launched one of the most celebrated musical careers in American history. King has led a remarkable life, and this riveting autobiography dramatizes his whirlwind adventures from the Memphis of the forties to the Moscow of the nineties with unflinching candor and sincerity. But most of all, B.B.'s story is the story of the blues—the evolution from

country acoustic to urban electric, the birth and explosion of rock 'n' roll—and B.B.'s own long, but ultimately triumphant, struggle for crossover success, during which he remained unwaveringly true to the music of his heart.

Gary Moore Albums SAF Publishing Ltd (Guitar Recorded Versions). 16 songs transcribed note for note from the live album that captured Joe's tribute to Muddy Waters and Howlin' Wolf at the iconic Colorado theater.

Includes: All Aboard * The Ballad of John Henry * Evil (Is Going On) * Hey Baby (New Rising Sun) * How Many More Years * I Can't Be Satisfied * Killing Floor * My Home Is on the Delta * Sloe Gin * You Shook Me * and more.

The Great Rock

Discography Omnibus Press

Guitar Tips brings together some of the world's greatest guitarists, each providing his own insights on music and the guitar. Blues Guitar features B.B. King, Albert Collins, Robben

Ford and Keith Wyatt, each demonstrating their distinct approach to playing the blues. They also explain some of the techniques that make their style so identifiable. Hosted by Keith Wyatt. (52 min.)

[KISS Truly Unmasked](#)

University-Press.org Michael Urban chronicles the advent of blues music in Russia and explores the significance of the genre in the turbulent, postcommunist society. Russians, he explains, have taken a music originating in the "low"

culture of the American South and transformed it into an object of "high" culture, fashioning a social identity that distinguishes blues adherents from both the discredited Soviet past and the vulgar consumerism associated with the country's Westernization. While adapting the idiom to their own conditions, Russia's bliuzmeny (bluesmen) have absorbed the blues ethos encoded in the music by their American forebears, using it to invert their

social world, thus deriving dignity and satisfaction from those very things that give one the blues. Based on more than forty interviews with blues musicians and fans, nightclub managers, and others, *Russia Gets the Blues* reveals the fascinating history of blues in Russia, from the

initial mimicry of British blues-rock to the recent emergence of a specifically "Russian blues." The gradual mastering of the idiom in Russia has been conditioned by the culture of the country's intelligentsia, a fact explaining why, on one hand, *bliuzmeny* feel

compelled to proselytize on behalf of the music, to share with others this treasure of "world culture," while, on the other, they perform blues almost exclusively in English—which almost no one understands—and condemn any and all efforts to make the music commercially successful.
