## ANDREWS DANIELLE

**Michelangelo** Skira - Berenice

Austrian symbolist painter Gustav Klimt (1862–1918) expressed in his work a fascination with the liminal worlds that underpin his figures and landscapes. His art echoes different styles and traditions yet he has no obvious predecessors or disciples. Offering a critical reappraisal of Klimt, the author explores the threshold universe depicted in a wide range of works from all phases of his prolific career, complemented with references to his correspondence.

**Atti della Giornata di studio tenutasi il 4 giugno 2011 al Vittoriano in occasione del Centenario dell'inaugurazione del Monumento a cura di Romano Ugolini** Gustav KlimtGustav Klimt. La storia illustrata dei grandi protagonisti dell'arte

Un coloratissimo volume monografico per raccontare ai più piccoli la storia intrigante di Gustav Klimt, grande protagonista dell'arte di inizio '900. Grafica e illustrazioni realizzate appositamente, ironiche e pop, restituiranno una versione della storia dell'arte accurata ma frizzante, e narrata in un linguaggio semplice e coinvolgente. Dall'infanzia alla maturità, Gustav Klimt passeggia attraverso i luoghi e i momenti chiave della sua carriera, accompagnando i giovani lettori alla scoperta dei suoi ritratti luccicanti di oro e di argento, del gruppo di amici pittori chiamato "Secessione viennese", del suo giardino affollato di gatti. Ampio spazio è dedicato inoltre all'analisi di alcuni tra i più celebri capolavori, riproposti in versione originale attraverso grandi fotografie, per coglierne i segreti nascosti e approfondire i significati delle tecniche artistiche. Età di lettura: da 6 anni. Cento anni del Vittoriano 1911-2011 Parkstone International Il Vittoriano inaugurato nel 1911 rappresenta uno dei simboli dell'Unità d'Italia. Sorto come monumento commemorativo a Vittorio Emanuele II divenne, nel corso degli anni, l'Altare della

Patria e accolse la tomba del Milite Ignoto nel 1921. Questo volume raccoglie gli atti della giornata di studio tenutasi al Vittoriano in occasione del Centenario della sua inaugurazione. Il volume contiene gli interventi di Romano Ugolini, Federica Galloni, Marco Pizzo, Bruno Tobia, Fabio Mangone, Michele Finelli, Anna Villari.

The prince of decadence: Looking at Klimt in a whole new light: a groundbreaking monograph The countless events being held to celebrate the 150th anniversary of his birth make a clear statement to the enduring appreciation for the work of Gustav Klimt. Not that it takes such a special occasion for the press and the public to start talking about Klimt. More than two hundred articles about the artist appeared online in August 2011 alone, in comparison with barely seventy on Rembrandt within the same period. This media publicity set editor Tobias G. Natter thinking about the value of compiling the present book. During his lifetime, Klimt was a controversial star whose works made passions run high; he stood for Modernism but he also embodied tradition. His pictures polarized and divided the art-loving world. Journalists and general public alike were split over the question: For or against Klimt? The present publication therefore places particular emphasis upon the voices of Klimt's contemporaries via a series of essays examining reactions to his work throughout his career. Subjects range from Klimt's portrayal of women to his adoption of landscape painting in the second half of his life. The cliché that Gustav Klimt was a man of few words who rarely put pen to paper is vehemently dispelled: no less than 179 letters, cards, writings and other documents are included in this monograph. This wealth of archival material, assembled here for the first time on such a scale, represents a major contribution to Klimt scholarship. Defining features of this edition: Catalog of Klimt's complete paintings All known letter correspondence Featuring new photographs of the Stoclet Frieze commissioned exclusively for this book Contributing authors: Evelyn Benesch, Marian Bisanz-Prakken, Rainald Franz, Anette Freytag, Christoph Grunenberg, Hansjörg Krug, Susanna Partsch, Angelina Pötschner and Michaela Reichel

**Art Masterclass with Gustav Klimt** Sylvestre Bonnard  
Learn to make art like the masters with art masterclass! In each book, undertake 12 lessons including drawing, colouring and sketching activities that are designed to show you how the artist worked. Like Klimt, you'll use collage to make portraits, create patterns to illustrate your art and learn how to show the expressions of people in your pictures with a pencil. Then you can use everything you've learnt to create your masterpiece on the pull-out poster at the back using the sticker sheet.

**I Libri del giorno** Taschen America Llc  
Sixteen of the artist's most famous works in miniature format, among them Water Snakes II, The Kiss, Judith I, Country Garden, The Girlfriends, Adele Bloch-Bauer II, Lady with Hat and Feather Boa, 9 others.

**Gustav Klimt** Metropolitan Museum of Art  
Meet the Artist Series presents Gustav Klimt. Each activity book includes more than 25 pages of art and literacy activities for kids ages four to twelve. Kids will learn about the life of a famous artist followed by activities that reinforce literacy skills and teach a little art history along the way. Match the title to the painting, learn new vocabulary, write stories to go along with famous paintings, create your own masterpiece, and much more! Teachers across the country have been using the Meet the Artist Series in their classrooms with great success. No longer do they have to teach the same biographies year after year. Now they can introduce their students to a new artist each month! Find more units at [magicsspellsforteachers.com](http://magicsspellsforteachers.com). Bring a little magic

home today!

**From Drawing to Painting** Fondazione Ferrara Arte  
"From the dawn of the twentieth century to the devastation of World War II, this ... novel of love, war, art, and family gives voice to two extraordinary women [(Adele Bloch-Bauer and Maria Altmann)] and brings to life the true story behind the creation and near destruction of Gustav Klimt's most remarkable paintings"--Dust jacket flap.

**The Queen of Modern** Newton Compton Editori  
Consummate painter, draftsman, sculptor, and architect, Michelangelo Buonarroti (1475–1564) was celebrated for his disegno, a term that embraces both drawing and conceptual design, which was considered in the Renaissance to be the foundation of all artistic disciplines. To his contemporary Giorgio Vasari, Michelangelo was "the divine draftsman and designer" whose work embodied the unity of the arts. Beautifully illustrated with more than 350 drawings, paintings, sculptures, and architectural views, this book establishes the centrality of disegno to Michelangelo's work. Carmen C. Bambach presents a comprehensive and engaging narrative of the artist's long career in Florence and Rome, beginning with his training under the painter Domenico Ghirlandaio and the sculptor Bertoldo and ending with his seventeen-year appointment as chief architect of Saint Peter's Basilica at the Vatican. The chapters relate Michelangelo's compositional drawings, sketches, life studies, and full-scale cartoons to his major commissions—such as the ceiling frescoes and the Last Judgment in the Sistine Chapel, the church of San Lorenzo and its New Sacristy (Medici Chapel) in Florence, and Saint Peter's—offering fresh insights into his creative process. Also explored are Michelangelo's influential role as a master and teacher of disegno, his literary and spiritual interests, and the virtuoso drawings he made as gifts for intimate friends, such as the nobleman Tommaso de' Cavalieri and Vittoria Colonna, the marchesa of Pescara. Complementing Bambach's text are thematic essays by leading authorities on the art of Michelangelo. Meticulously researched, compellingly argued, and richly illustrated, this book is a major contribution to our understanding of this timeless artist.

**Italian Medieval Sculpture in the Metropolitan Museum of Art and the Cloisters** Dover Publications

The definitive catalog on the first woman artist to become a glamorous star. A cosmopolitan painter and icon of the art deco movement, Tamara de Lempicka created images that became the symbols of an era, the "crazy" 1920s and 1930s. She was possibly that period's most brilliant exponent. Driven by an iron will to achieve, Tamara not only cultivated her artistic talent, she also consciously built an image, that of an elegant and sophisticated woman, the extravagant protagonist of the European high life. Published to mark the exhibition in Rome from March 11-July 3, 2011, the monograph traces the entire career of this fascinating Polish artist who lived in Europe, the United States, and Mexico and catalogs the sum of her works. Through scrupulous scientific analysis of 120 paintings and works on paper, the publication recreates the artistic atmosphere of the time, suggesting unique parallels and comparisons with contemporary works. It also offers the reader a cross section of the artist's life, which was filled with glamour but at the same time marked by the great and terrible historic events of the twentieth century.

**Scritti civili** Simon and Schuster

Il volume ricostruisce la storia del mito di Francesca da Rimini dal XIV secolo fino ai giorni nostri. Storia di profondi cambiamenti. Dall'antica Francesca da Polenta, la peccatrice dei versi di Dante, rappresentata per oltre cinquecento anni tra i dannati a monito dei lussuriosi, alla nuova Francesca, Francesca da Rimini

appunto, figlia dell'Illuminismo e della Rivoluzione Francese, nata nel 1795 dai versi del poeta giacobino Gianni, non più peccatrice, ma vittima innocente di tempi e di leggi crudeli, iniziatrice del mito moderno. E, ancora, dall'eroina virtuosa e pura di Silvio Pellico che diventa musa ed emblema dei movimenti libertari europei e americani, a Francesca "guerriera" di Gabriele D'Annunzio e di Riccardo Zandonai, donna padrona della sua sessualità che affascina femministe e suffragette di qua e di là dell'Atlantico. Fino a Francesca icona del bacio degli innamorati, all'apice della popolarità nella metà del Novecento. Un volume che spazia tra rime, tragedie, racconti, dipinti, sculture, musiche e narrazioni cinematografiche dedicate a questa affascinante creatura della poesia e della fantasia. Perché di Francesca realmente vissuta, di Francesca figlia di Guido signore di Ravenna, per certo si sa soltanto che è esistita tra il 1260 e il 1284 circa e che è andata sposa a Giovanni Malatesta: nulla è stato tramandato di storicamente comprovabile dei suoi presunti o reali amori peccaminosi e di duplici omicidi.

Splendori di Bisanzio UCL Press

This lavish volume, available again after some years out of print, is the definitive presentation of the best of Klimt's exotic, ornate paintings, his dramatic and spontaneous sketches, and of the extraordinary milieu which fostered his gift. The author, who knew Klimt in his last years and is a noted Klimt scholar, uses original sources and a wealth of personal photographs to place Klimt in the context of the society which he both shocked and delighted.

*Edward Hopper Graphofeel*

Accompanied by the masterpieces and memories of illustrious figures, we follow the arc of a city and a civilization from its beginnings to its height and fall, leafing through pages of history from the various eras. Rome was the final act of antiquity, and a dramatic conception of a new world."--BOOK JACKET.

*Monografie* Thames & Hudson

Vienna, 1907. Un evento drammatico sconvolge la vita del grande artista Gustav Klimt, già al centro di numerose polemiche per la spregiudicatezza delle sue relazioni e l'originalità della sua pittura. Il corpo senza vita di una delle sue modelle giace in una pozza di sangue al centro dello studio di posa che utilizza abitualmente. Come è morta la giovane donna? Chi la ha uccisa? La gelosia di un marito umiliato o i veleni di una città in bilico tra tradizione e innovazione? Per risolvere il mistero e salvare la libertà del suo amico e amante Emilie Floge, giovane e affascinante proprietaria della casa di moda più famosa di Vienna, si improvvisa investigatore, mettendo in gioco le sue conoscenze, la sua reputazione e soprattutto se stessa, alla ricerca di una scomoda verità. Un giallo ricco di colpi di scena che si snoda nelle strade di una città poco raccontata, tra incontri di intellettuali e artisti in piena esplosione creativa, pettegolezzi confidati nel chiuso delle mura di un elegante Atelier, fughe in campagna e balli in maschera, aspirazioni inconfessabili e cruda realtà.

*Annuario bibliografico di storia dell'arte* Getty Publications  
Beloved by countless fans, American artist Edward Hopper captured the spirit of the human condition by rendering hauntingly evocative scenes from daily life.

Segantini Wide Eyed Editions

The recent exhibitions dedicated to Botticelli around the world show, more than ever, the significant and continued debate about the artist. Botticelli Past and Present engages with this debate. The book comprises four thematic parts, spanning four centuries of Botticelli's artistic fame and reception from the fifteenth century. Each part comprises a number of essays and includes a short introduction which positions them within the wider scholarly literature on Botticelli. The parts are organised

chronologically beginning with discussion of the artist and his working practice in his own time, moving onto the progressive rediscovery of his work from the late eighteenth to the turn of the twentieth century, through to his enduring impact on contemporary art and design. Expertly written by researchers and eminent art historians and richly illustrated throughout, the broad range of essays in this book make a valuable contribution to Botticelli studies.

**Bibliografia nazionale italiana** Vallecchi - Firenze

Armando Petrucci (Roma, 1932 - Pisa, 2018) ha insegnato Paleografia all'università (Salerno, la Sapienza di Roma, la Scuola Normale Superiore di Pisa), pubblicando numerosi e innovativi lavori di storia della scrittura, tra i quali *La scrittura. Ideologia e rappresentazione* (Einaudi, 1986), *Le scritture ultime. Ideologia della morte e strategie dello scrivere nella tradizione occidentale* (Einaudi, 1995), *Prima lezione di paleografia* (Laterza, 2002). Comunista per tutta la vita, ha inteso l'attività di ricerca, il lavoro universitario, l'impegno culturale e sociale come momenti congiunti di responsabilità politica. Questo libro documenta una parte della sua operosità, quella affidata a quotidiani (soprattutto «il Manifesto») e riviste. Sono interventi non accademici e perciò espressioni libere della sua militanza civile. A quelli pubblicati si aggiungono alcune interviste e un "quasi inedito" (o "pressappoco edito"), meritevole - nella prospettiva di questa raccolta - di più ampia diffusione.

Gustav Klimt Gustav Klimt. La storia illustrata dei grandi protagonisti dell'arte 24Ore Cultura

*Domus* McFarland

"I am not interested in myself as a subject for painting, but in others, particularly women..." Beautiful, sensuous and above all erotic, Gustav Klimt's paintings speak of a world of opulence and leisure, which seems aeons away from the harsh, post-modern environment we live in now. The subjects he treats - allegories, portraits, landscapes and erotic figures - contain virtually no reference to external events, but strive rather to create a world where beauty, above everything else, is dominant. His use of colour and pattern was profoundly influenced by the art of Japan, ancient Egypt, and Byzantium. Ravenna, the flat, two-dimensional perspective of his paintings, and the frequently stylised quality of his images form an oeuvre imbued with a profound sensuality and one where the figure of woman, above all, reigns supreme. Klimt's very first works brought him success at an unusually young age. Gustav, born in 1862, obtained a state grant to study at Kunstgewerbeschule (the Vienna School of Arts and Crafts) at the age of fourteen. His talents as a draughtsman and painter were quickly noticed, and in 1879 he formed the Künstlercompagnie (Artists' Company) with his brother Ernst and another student, Franz Matsch. The latter part of the nineteenth century was a period of great architectural activity in Vienna. In 1857, the Emperor Franz Joseph had ordered the destruction of the fortifications that had surrounded the medieval city centre. The Ringstrasse was the result, a budding new district with magnificent buildings and beautiful parks, all paid for by public expenses. Therefore the young Klimt and his partners had ample opportunities to show off their talents, and they received early commissions to contribute to the decorations for the pageant organised to celebrate the silver wedding anniversary of the Emperor Franz Joseph and the Empress Elisabeth. In 1894, Matsch moved out of their communal studio, and in 1897 Klimt, together with his closest friends, resigned from the Künstlerhausgenossenschaft (the Cooperative Society of Austrian Artists) to form a new movement known as the Secession, of which he was immediately elected president. The Secession was a great success, holding both a first and second

exhibition in 1898. The movement made enough money to commission its very own building, designed for it by the architect Joseph Maria Olbrich. Above the entrance was its motto: "To each age its art, to art its freedom." From around 1897 onward, Klimt spent almost every summer on the Attersee with the Flöge family. These were periods of peace and tranquillity in which he produced the landscape paintings constituting almost a quarter of his entire oeuvre. Klimt made sketches for virtually everything he did. Sometimes there were over a hundred drawings for one

painting, each showing a different detail - a piece of clothing or jewellery, or a simple gesture. Just how exceptional Gustav Klimt was is perhaps reflected in the fact that he had no predecessors and no real followers. He admired Rodin and Whistler without slavishly copying them, and was admired in turn by the younger Viennese painters Egon Schiele and Oskar Kokoschka, both of whom were greatly influenced by Klimt.
