Discover the Christian meaning in The Hobbit. In Bilbo's Journey go beyond the dragons, dwarves, and elves, and discover the surprisingly deep meaning of J.R.R.

Tolkien's classic novel The Hobbit. Bilbo's quest to find and slay the dragon Smaug is a riveting tale of daring and heroism, but as renowned Tolkien scholar Joseph Pearce shows, it is not simply Bilbo's journey, it is our journey too. It is the Christian journey of self-sacrifice out of love for others, and abandonment to providence and grace. In Bilbo's Journey: Discovering the Hidden Meaning of The Hobbit you will relive the excitement of Tolkien's classic tale, while discovering the profound Christian meaning that makes The Hobbit a truly timeless adventure. The audiobook edition

of Bilbo's Journey is read by Kevin O'Brien. Lady Long Rider Phaidon Press
#1 NEW YORK TIMES BESTSELLER • The "classic American dream story" (USA Today) about a man and his horse, an unlikely duo whose legendary rise to stardom in show jumping captivated the nation, from the award-winning author of *The Perfect Horse* and *The Ride of Her Life* "If you loved the story of Seabiscuit, the surprise champion racehorse . . . check out the true story of Snowman."—San Jose Mercury News Harry de Leyer first saw the horse he would name Snowman on a truck bound for the slaughterhouse. He recognized the spark in the eye of the beaten-up nag and bought him for eighty dollars. On Harry's modest farm on Long Island, the even-tempered horse thrived. But the recent Dutch immigrant and his growing family needed money, so Harry reluctantly sold Snowman to a farm a few miles down the road. But Snowman had other ideas about what Harry needed. When he turned up back at Harry's barn, dragging an old tire and a broken fence board, Harry knew he had misjudged the horse and set about teaching the shaggy, easygoing gelding to fly. One show at a

time, against extraordinary odds, the pair soared past the most expensive thoroughbreds alive, reaching the very top of the sport of show jumping. The story of this dynamic duo captured the heart of Cold War-era America—a story of unstoppable hope, inconceivable dreams, and a chance to have it all. How to Change Your Mind Delacorte Press Lameness is the most common cause of poor performance in the horse. This makes management of his soundness over the long-term integral to both his general well-being and his ability to participate in recreational and competitive activities. Unfortunately, most equine caretakers are unable to perceive abnormal movement in the horse, extending the period between the onset of a problem and its eventual treatment, and the longer an issue is allowed to persist, the greater the chance that it will progress. Many equine veterinarians also find it difficult to visually decipher lameness, which leads to lengthy, expensive, and often inaccurate diagnostic work-ups. It is with these two key audiences in mind that Dr. Bob Grisel has created a book unlike any other. With hundreds of illustrations, dozens of charts,

and links to online videos of explanatory case studies, readers are given a complete course in observing, identifying, and decoding equine lameness. Dr. Grisel helps you interpret what is seen, plain and simple (no need for medical knowledge of equine anatomy and pathology). Whether first-time horse owner or seasoned professional, you are guaranteed to come away with a detailed, systematic, and comprehensive method for a happier, healthier equine partner.

Attack of the Volcano Monkeys Bernan Press

"Delightfully addictive barn drama." - HorseNation.com Grace has built her life on show horses. It's been a good life, too -- she mounts her wealthy students on European warmbloods, competes her horses on Florida's rigorous A-circuit, and runs the nicest barn in the neighborhood. Then, suddenly, it's the only barn in the neighborhood. As Grace's country town becomes a sun-drenched playground of pools and golf courses, she vows that no bulldozer will ever touch her farm. With her neighbors selling their farms and moving to more isolated corners of Florida, she finds herself fighting off land-hungry

developers alone -- until Kennedy comes along. Kennedy is everything Grace doesn't want around her bustling show barn -- a pleasure rider who would rather wander in the woods than tackle a show-jumping course. Kennedy might make for an unlikely sidekick, but she's just the inspiration Grace needs to fight back against the developers who want to bulldoze her corner of Floridian wilderness -- and, eventually, against the wilderness itself.

Chase's Calendar of Events 2022 Trafalgar Square Books

An invaluable resource for working programmers, as well as a fount of useful algorithmic tools for computer scientists, astronomers, and other calendar enthusiasts, The Ultimate Edition updates and expands the previous edition to achieve more accurate results and present new calendar variants. The book now includes coverage of Unix dates, Italian time, the Akan, Icelandic, Saudi Arabian Umm al-Qura, and Babylonian calendars. There are also expanded treatments of the observational Islamic and Hebrew calendars and brief discussions of the Samaritan and Nepalese calendars.

Several of the astronomical functions have been rewritten to produce more accurate results and to include calculations of moonrise and moonset. The authors frame the calendars of the world in a completely algorithmic form, allowing easy conversion among these calendars and the determination of secular and religious holidays. LISP code for all the algorithms is available in machine-readable form.

The Carriage Journal: Vol. 56, No. 2 March 2018 Carriage Assoc. of America
The true story of a forgotten champion: "Bringing Sir Barton out from the shadows, Jennifer Kelly restores him to a richly-deserved spotlight." —Dorothy Ours, author of Man o' War He was always destined to be a champion. Royally bred, with English and American classic winners in his pedigree, Sir Barton shone from birth, dubbed the "king of them all." But after a winless two-year-old season and a near-fatal illness, uncertainty clouded the start of Sir Barton's three-year-old season. Then his surprise victory in America's signature race, the Kentucky Derby, started him on the road to history, where he would go on to dominate the Preakness

and the Belmont Stakes, completing America's first Triple Crown. His wins inspired the ultimate chase for greatness in American horse racing and established an elite group that would grow to include legends like Citation, Secretariat, and American Pharoah. After a series of dynamic wins in 1920, popular opinion tapped Sir Barton as the best challenger for the wonder horse Man o' War, and demanded a match race to settle once and for all which horse was the greatest. That duel would cement the reputation of one horse for all time and diminish the reputation of the other for the next century—until now. Sir Barton and the Making of the Triple Crown is the first book to focus on Sir Barton, his career, and his historic impact on horse racing. Jennifer S. Kelly uses extensive research and historical sources to examine this champion's life and achievements. Kelly charts how Sir Barton broke track records, scored victories over other champions, and sparked the yearly pursuit of Triple Crown glory.

Neverworld Wake Rowman & Littlefield
This book is a comprehensive travel guide to over 100 public horseback riding trails

and campgrounds in Wisconsin. Trail riding enthusiasts can explore more than 1,500 miles of recreational trails. Privately owned equestrian trails and campgrounds are featured in the various ads throughout the book. This is a user-friendly guide, full-size, full-color, and spiral binding. Planning your riding experiences is easy with the regional layout of the book, allowing the rider to completely explore all the equestrian trails in any particular area. The book includes trail details, maps, where to eat, where to stay, local contact information, and pages for your own notes. In addition, the book contains educational articles dealing with equestrian trail issues, such as riding responsibly, volunteerism, trail problems and solutions, and working with land managers to benefit equestrian trails. Horsemen and women will find this a valuable tool in planning a horseback riding vacation in Wisconsin.

Equine Lameness for the Layman
Ballantine Books

Now on Netflix as a 4-part documentary series! "Pollan keeps you turning the pages . . . cleareyed and assured." —New York Times A #1 New York Times

Bestseller, New York Times Book Review 10 Best Books of 2018, and New York Times Notable Book A brilliant and brave investigation into the medical and scientific revolution taking place around psychedelic drugs--and the spellbinding story of his own life-changing psychedelic experiences When Michael Pollan set out to research how LSD and psilocybin (the active ingredient in magic mushrooms) are being used to provide relief to people suffering from difficult-to-treat conditions such as depression, addiction and anxiety, he did not intend to write what is undoubtedly his most personal book. But upon discovering how these remarkable substances are improving the lives not only of the mentally ill but also of healthy people coming to grips with the challenges of everyday life, he decided to explore the landscape of the mind in the first person as well as the third. Thus began a singular adventure into various altered states of consciousness, along with a dive deep into both the latest brain science and the thriving underground community of psychedelic therapists. Pollan sifts the historical record to separate the truth about these mysterious drugs from the

myths that have surrounded them since the 1960s, when a handful of psychedelic evangelists inadvertently catalyzed a powerful backlash against what was then a promising field of research. A unique and elegant blend of science, memoir, travel writing, history, and medicine, *How to Change Your Mind* is a triumph of participatory journalism. By turns dazzling and edifying, it is the gripping account of a journey to an exciting and unexpected new frontier in our understanding of the mind, the self, and our place in the world. The true subject of Pollan's "mental travelogue" is not just psychedelic drugs but also the eternal puzzle of human consciousness and how, in a world that offers us both suffering and joy, we can do our best to be fully present and find meaning in our lives.

Wisconsin Horse Trails Carriage Assoc. of America

Little girls. Fat hairy ponies. Hook-nosed riding teachers, riders on backward, and horses gone madly off course. The artist Norman Thelwell published his first pony cartoon in 1953, and quite by accident, his name became synonymous with these kinds of images. "The response was

instantaneous," he wrote in his autobiography. "Suddenly I had fan mail...I dreamed up some more horsey ideas and people went into raptures." The "Thelwell pony" soon became the most-often referenced source of horse-humor the world over. In 1957, Thelwell's first collection of pony cartoons, *Angels on Horseback*, was published, followed by *A Leg at Each Corner* in '61, and *Riding Academy* in '63. In this Anniversary Special Collection, readers get all three classics, featuring page after page of Thelwell's hilarious cartoons along with his often blisteringly accurate advice for survival in and around the equine herd. Whether audiences open *Pony Calvacade* out of nostalgia or curiosity, the delightful details of Thelwell's illustrations and timeless wit of his caricatures and asides are a surefire way to change a day for the better, and certain to send a new generation of fat-hairy-pony-lovers out to the barn to test the truths within.

A Man Walks Into a Barn TAN Books
Mummy Bunny is really dumb. Daddy Bunny is even dumber. And Baby Bunny is the dumbest bunny of all! One day, Baby Bunny drives Mummy Bunny and Daddy

Bunny into town. They go bowling at the library, have a picnic in the carwash and return home to find Little Red Goldilocks has been sleeping in their porridge and eating their beds! Join the stupidest family around for a barmy adventure that will have you in stitches, from Dav Pilkey, creator of *Captain Underpants!*

Learning to Fall Harlequin

All from the reference book that Publishers Weekly calls "one of the most impressive reference volumes in the world."

Show Barn Blues Penguin

Wild Herd Whispering is about the incredible Exmoor ponies as they reveal their true natures through the world of herd energy and dynamics. Starting with the dramatic winter arrival from the moor of a tiny five week old wild-born foal who faces the bleakest future, it is the big herd at Holt Ball Farm that decides how she will survive and thrive. The book follows the adventures of the ponies, revealing characters and behaviours that take you on a heart-rending, thought-provoking and enriching journey of equine enlightenment. This is an opportunity to catch up with adorable orphan Monsieur Chapeau and his friends and majestic stallion Bear, as their lives evolve and entwine with the wild herds of Exmoor. It follows the endearing, exciting and at times perilous experiences of the ponies including unwelcome nighttime adventures, the quest to find foals lost in the wilderness and an entire moorland herd in jeopardy. With an expanding herd and challenges to face, author Dawn Westcott looks to the ponies themselves for help and inspiration: they in turn respond in a way that offers magical

insights into what is going on in their hearts and minds. This book is an invaluable reference for people interested in better understanding and winning the trust and friendship of ponies. It also highlights the challenges of safeguarding the endangered Exmoor ponies of Exmoor National Park.

Grand Theft Horse Trafalgar Square Books

Widely known for her innovative teaching philosophy stressing body awareness, the value of "soft eyes," proper breathing, centering, and balance, Sally Swift has been a pioneering riding instructor for half a century. In book form for the first time, her methods enable horse and rider to achieve harmony, working together naturally, without pain. Unlike traditional teachers, Sally Swift does not believe in forced training techniques that cause stiff bodies and tense riding. Instead, through the use of vivid, unusual, and highly creative images that transcend mechanics ("Pretend you're a spruce tree; the roots grow down from your center as the trunk grows up"), plus a thorough knowledge of human and equine anatomy, this wise and

inspiring teacher enables the conscientious equestrian to reassess habitual responses, in order to ride in natural positions, break through frustrating plateaus, and achieve ever-rising goals with comfort, vitality, and precision. Precise illustrations and photographs never before used in riding books explain anatomy and image work to give mind and body new and relaxed approaches to the inner process of riding. Centered Riding is for those with little experience all the way up to world class. Wild Herd Whispering Houghton Mifflin Harcourt

You might feel sure that a horse is not a Flamingo, a Polar Bear, a Tomato, a Teapot, a pair of Bootlaces, a Taxidermist, a Rat Catcher, or a Flea, but you'd be wrong. Racehorse owners often give their horses bizarre names that would seem to make success impossible. Luckily, thoroughbreds are able to defy such handicaps. A Spaniel has won the Derby (1831), a Crow the St Leger (1976), a Butterfly the Oaks (1860) and, difficult to imagine, Oscar Wilde the Welsh National (1958). It's bonkers. Bonkers won at Southwell in 2002. Over the centuries

there have been hundreds of thousands of different names bestowed or inflicted on racehorses, and in *Fifty Shades Of Hay*, David Ashforth has picked out a selection to baffle, surprise, and amuse in equal measure.

The Origin of Consciousness in the Breakdown of the Bicameral Mind Racing Post

Volume One: Mia Saunders needs money. A lot of money. She has one year to pay off the loan shark who has threatened her father's life and is coming after his unpaid gambling debts. One million dollars to be exact. Her mission is simple—serve as a high-priced escort for her aunt's Los Angeles-based company and pay monthly against the debt. Spend a month with a rich man whom she doesn't have to sleep with if she doesn't want to? Easy money. Unlucky in love with a spirit that never gives up, this curvy motorcycle-riding vixen plans to get in, make her money, and get out. Part of that goal is keeping her heart locked up tight and her eye on the prize. At least that's the way it's supposed to go... Volume Two: Unwilling escort Mia Saunders's journey continues in the second anthology of the Calendar Girl

series! In the next three months, Mia heads to Boston, Oahu, and Washington DC. In April, she poses as girlfriend to philandering Mason Murphy, a professional baseball player who needs a better image, only to find he's not at all what she expected. May finds Mia turning up the heat with Samoan model and fire-dancer Tai Niko as she participates in a swimsuit campaign designed to prove that beauty really does come in all sizes. Mia rounds out June as the arm candy for Warren Shipley, a member of the wealthy one percenters. Although she's pretending to be a gold-digger, Warren turns out to have a heart of gold. However, his devastatingly handsome son, Aaron, a California Senator, is nowhere near as kind. Volume Three: Mia Saunders journey continues in the third wicked hot anthology of the Calendar Girl Series! In the next three months, Mia heads to Miami, Texas, and her hometown, Las Vegas. In July, she serves as the seductress in a music video to platinum selling hip hop artist Anton Santiago. Still dealing with the trauma from June, our girl opens her heart and finds that taking risks in life and love could give her all that she ever needed and

more. In August, Mia heads to Texas to put on her acting hat and pretend to be the long lost sister of oil tycoon and big business man Maxwell Cunningham. The job should have been a snap, only secrets are revealed from her past that change everything she knew to be true. In September, Mia dashes home to sin city where the world around her seems to implode. The people she loves are fighting

battles she isn't prepared for, but desperate to solve before she loses it all. Volume Four: Calendar Girl Mia Saunders has come a long way. She rounds out the end of her year-long journey in Hollywood, New York City, and Aspen. In October, Mia starts her new life working on a celebrity daytime television show where she runs a regular segment about living beautiful. Her guy deals with the aftermath of captivity, and together they find a way to

fight through the storms. Next, Mia travels to the Big Apple to tape a program about being thankful. All of her dreams are coming true...except for one. Finally, in December, our girl finds herself in the winter wonderland of Aspen, Colorado to film a segment on local artists under rather unique circumstances. Prepare to be wowed as Mia's journey merges into the ending everyone has been waiting for.
