Byron is safe. Zandria has  
committed herself to life  
as a fast-tracker, but  
she's determined to make

the most of it. As a first-  
generation fast-tracker,  
Zandria is a designated  
newbie. Most fast-trackers  
considered her a  
temporary interloper, but  
her recent business

acquisitions, and especially her engagement, changed everything. With her recently secured internship, Zandria plans to immerse herself in politics. As high-ranking politician Zandria could improve worker-level conditions and combat fast-tracker corruption. Everything Zandria has learned about fast-trackers isn't enough to prepare her for their

politics or marriage. Zandria is in over her head but she fears there's nothing she can do about it. She trapped.
