Petit Inuit et les deux questions New York : Franklin Watts
This portrait of Ituko presents childhood in one of the world's coldest and harshest regions -- near the Arctic Circle. Ituko is an Inuit, a group of people native to a northern region that spans from

the tip of Siberia across Alaska into Canada to the coast of Greenland.

Inuit Canada : Reflexive Approaches to Native Anthropological Research
ABDO

The Inuit people have inhabited their northern homelands since ancient times. Readers discover the many facets of ancient Inuit life and the way it's still reflected in modern Inuit culture. They explore Inuit hunting

methods and art, as well as many other topics that meet common social studies curriculum standards. This information is presented through engaging main text, eye-catching fact boxes, and detailed maps. Readers also learn through colorful photographs and historical images of the Inuit people's past and present.

Yale University Press

An introduction to the Inuit Indians of the Arctic.

Inuit Peter Lang

The 19 Eskimo, or Inuit, stories in this volume were collected by Dr Daniel Neuman in his travels across Alaska between 1910 and 1921, along with over 3,000 artefacts which now form the Neuman Collection in Juneau Alaska. These stories were extracted from Dr Neuman's collection, translated and

published by Mrs Renee Riggs, wife of then Governor of Alaska Thomas Riggs. More recently governments in Canada and Greenland have ceased using the term "Eskimo" in official documents. Instead, Canada has officially replaced the term "Eskimo" with "Inuit." In recognition of this change, the title of this book has been altered from "Animal Stories from Eskimo-Land" to "Animal Stories from the Land of the Inuit." These children's stories are not

like your typical Western fairy tale, with a princess in distress being rescued by a Knight in shining armour. Like most Native American children's tales, these impart a lesson, or a wisdom, to teach Inuit children important life lessons while also being extremely entertaining. These 19 children's stories are enhanced by 15 colourful headpieces and 7 full page colour plates. The stories in this volume are: The Journey to Eskimo Land Ivango or the Lost Sister The Robin, the Crow and the Fox The

Proud Mouse The Crow and the Daylight The Orphan Boy A Race Between a Reindeer and a Tom-Cod Why They Have Summer on St. Lawrence Island The Lost Son The Crow and the Owl The Running Stick The Treacherous Crow and His Cousin, the Mink Good and Bad Weather How the White Whales Happened A Giant and His Drum Lovek and Seranak The Caribou A Fox Story Mi-e-rak-puk

Inouk le petit Inuit

Story World

Two gifted northern writers, Rachel A. Qitsualik and Sean A. Tinsley, have collaborated to produce mesmerizing prose interpretations of Inuit creation stories. Readers will be drawn in by the humour, wisdom, and depth of these inspired tellings, which invite a contemporary audience to learn from and be moved by the

complex spiritual metaphors of ancient Inuit knowledge. Illustrated in full colour.

The Inuit Inhabit Media

Après les bouleversements liés à la sédentarisation des années 1950 et suite à leur lutte politique, les sociétés inuit accèdent à présent à des formes d'autonomie territoriale : au Nunavut et ailleurs, l'heure est au partenariat, et le gouvernement compte sur les anthropologues pour participer au renouveau culturel, les « traditions »

étant sollicitées pour faire face aux défis du présent. Que signifie ce partenariat et quels sont ses fondements idéologiques ? Comment les anthropologues réagissent-ils à la multiplication des procédures d'accès au terrain et autres contraintes déontologiques ? Que penser du statut des « elders », devenus interlocuteurs privilégiés des nouveaux projets pédagogiques et d'une anthropologie souvent tournée vers l'idée de

sauvetage culturel ?
 Quelle place pour
 l'anthropologie de la
 jeunesse et comment
 aborder les rapports
 interculturels entre les
 Inuit et la société
 eurocanadienne ? Le
 présent ouvrage aborde
 ces interrogations
 épistémologiques
 sensibles et engage à une
 pratique prononcée de la
 réflexivité dans ce
 contexte en constante
 évolution, où l'implication
 citoyenne du chercheur
 est hautement valorisée.
 In the wake of the
 upheavals caused by the

shift to a sedentary
 lifestyle in the 1950s, and
 after a long political
 struggle, Inuit societies
 are now obtaining forms
 of territorial autonomy. In
 Nunavut, and other
 places, a new partnership
 is being formed, and the
 government is counting
 on anthropologists to
 participate in this cultural
 renewal which draws on
 'traditions' in order to face
 the challenges of the
 present. What is the
 significance of this
 partnership, and what is
 its ideological grounding?
 How have anthropologists

reacted to the emergence
 of new procedures for
 access to the field and
 other deontological
 constraints? What of the
 status of elders, who have
 become central agents in
 pedagogical projects, as
 well as in an anthropology
 often geared to the idea
 of cultural salvage? What
 place can be made for an
 anthropology of youth,
 and how are the
 relationships between
 Inuit communities and
 Euro-Canadian society to
 be approached? This
 volume tackles these
 sensitive theoretical

questions, and urges a distinctly reflexive practice in this constantly evolving context, one in which the scholar's civic engagement is highly valued.

The Inuit Houghton Mifflin Harcourt

This title introduces readers to the Inuit people. Text covers traditional ways of life, including social structure, homes, food, art, clothing, and more. Also discussed is contact with Europeans, as well as how the people keep their culture alive today. Table of contents,

map, fun facts, timeline, glossary, and index included. Aligned to Common Core Standards and correlated to state standards. Big Buddy Books is an imprint of Abdo Publishing, a division of ABDO.

Inuit Morality Play
Capstone

An exploration of the Inuit, discussing their history, dress, survival skills, society, and more.

Contes des enfants du monde - Petit Inuit The Rosen Publishing Group, Inc
James Houston helped

introduce Inuit culture to the world with his remarkable art and stories. Here are four of his exciting Inuit folk tales--"The White Archer", "Akavak," "Tikta'liktak" and "Wolf Run"--collected in one beautiful volume. "The White Archer" and "Tikta'liktak" were both named an Eskimo Legend CLA Book of the Year for Children in the 1960s. James Houston made his first journey to the Canadian Arctic in 1948 in search of a new land to paint. He lived with Inuit and Indian

people in the Arctic for 12 years and grew to understand them and their way of life."Houston's knowledge of the Inuit people and their culture is astounding. And his description of the Arctic is both powerful and sometimes frightening--a cold, lonely world that can do strange things to men's minds." --Toronto StarAges 8 and up
The Inuit Springer Nature
 This beautiful compendium of tales shares eight classic Inuit creation stories from the

Baffin region. From the origins of day and night, thunder and lightning, and the sun and the moon to the creation of the first caribou and source of all the Arctic's fearful storms, this book recounts traditional Inuit legends in the poetic and engaging style of authors Rachel and Sean Qitsualik-Tinsley.

Life Among the Inuit

Inhabit Media
 De Alaska, Guatemala, Tanzania, Siberia, India, Nueva Zelanda, China o Marruecos provienen los niños y las niñas de estos

cuentos. Historias para aprender cómo se vive en esos lugares, cómo se visten sus habitantes, qué animales hay o qué se come. Una manera muy positiva de acercar a los pequeños lectores a nuevos mundos.

Nuk petit Inuit ABDO

A lonely old woman adopts, cares for, and raises a polar bear as if he were her own son, until jealous villagers threaten the bear's life, forcing him to leave his home and his "mother," in a retelling of a traditional Inuit folktale.
Petit Inuit StarWalk Kids

Media

Inuits : habitants des côtes situées au nord du Groenland et de l'Amérique du Nord. On les a appelés à tort « Esquimaux », mot qui signifie « mangeurs de viande crue ». Inuit

signifie « les gens » et c'est ainsi qu'ils se nomment eux-mêmes. Le climat de ces régions est rigoureux et imprévisible. La vie y est très dure. À la lecture de ce conte, découvre la vie de cet

enfant Inuit. Une première initiation à la culture d'une ethnie du bout du monde. Cette histoire est tirée du recueil Contes des enfants du monde, aussi disponible en version numérique. Idéal pour les 3-6 ans.
