Unleashing the Miraculous in Your Everyday World Zondervan
 Discover the wonder of a life with God you can't contain. The pages of scripture are full of ordinary people who walked with God as he poured himself out through them to a world in need. What if God never changed? What if he is still speaking to us and longing to work miraculously through us? What if it isn't a matter of more training or effort but simply receiving and releasing everything he already purchased? "Life in the Overflow" invites you to know God intimately as your Daddy in a way that spills out of you naturally. Filled with disarming honesty and fervent expectation, this book mirrors a reflection of who you are, who your God is and what he actually longs to do through "ordinary, messy kids" today!

A Study in the Necessity of Mystical Religion Hendrickson Publishers

Hendrickson presents two classic works on the Holy Spirit by A. W. Tozer, together in one volume for the first time. A superb addition to the best-selling Hendrickson Christian Classics series, Life in the Spirit combines Tozer's How to Be Filled with the Spirit and The Counselor: Straight Talk About the Holy Spirit from a Twentieth Century Prophet. In Tozer's own words, How to be Filled with the Holy Spirit "was made available to the Christian public with the prayer that it may lead thirsty believers to the fountain of living waters." Since its publication, hundreds of thousands of copies of this practical yet deeply devotional guide have been sold. How to be Filled with the Holy Spirit will refresh and open the reader to the filling of the Holy Spirit. In The Counselor, Tozer speaks to the current conflict and confusion about the Holy Spirit from a balanced, biblical perspective--not academic, but practical. Tozer promises that the Holy Spirit "is willing--yes, willing--to do for us all that Jesus would do if He were here on earth." The chapters of this book were originally preached as sermons at Southside Alliance Church in Chicago.

Whether spoken or written, Tozer's words were designed to "promote personal heart religion" among God's people.

Have you ever asked yourself what changed when you were "born again?" You look in the mirror and see the same reflection - your body hasn't changed. You find yourself acting the same and yielding to those same old temptations - that didn't seem to change either. So you wonder, Has anything really changed? The correct answer to that question is foundational for receiving from God. If you lack this basic understanding, you'll forever ask yourself doubt-filled questions like: "How could God love somebody like me?" and "How can I possibly expect to receive anything from the Lord? I don't deserve it, I'm not good enough!" Spirit, Soul, and Body will help you eliminate those and other doubt-filled questions that destroy your faith. If you have trouble receiving from God, this is a must-read!

Living in the Spirit offers a comprehensive compilation of perspectives concerning the person and ministry of the Holy Spirit. George Wood's ability to express orthodox Pentecostal theology in creative and refreshing ways is unique. He lucidly expresses his desire that Pentecostals resist being content with memories of powerful past encounters with the Spirit and instead seek to be overwhelmed by the Spirit and demonstrate the enduring evidence of His fullness.

What if the Supernatural Became Normal and Natural in Your Life? How would your world change if you regularly experienced the miraculous? And what if this happened everywhere you went in a way that attracted people to Jesus? It wouldn't just make a difference in your world; it would make the world different. It might sound too good to be true...but that's the Spirit Contemporary life. While working as a first responder in an ambulance, Leon Fontaine longed to see God's power at work outside the four walls of a church. He learned through many life-changing experiences that we can all unlock the miraculous in a way that works anywhere—at home, in a hospital, at work—with anyone! The Spirit Contemporary way of life involves communicating with others as Jesus would: using their language, stories, and settings. Leon draws on biblical truth and personal stories to reveal how this dynamic first-century faith can be yours when you live so in tune with God that you're guided in ways that are both natural and supernatural. "In a world seeking an authentic, transparent, and genuine touch of God, Leon equips us with a Christ-centered, Spirit-empowered, Bible-based, kingdom prescription." --Samuel Rodriguez, president, National Hispanic Christian Leadership Conference, author of *Be Light* "When 'Spirit' and 'Contemporary' are synergized, phenomenal outcomes will happen in the church...I believe this valuable resource will help the church go to higher levels of impact and influence in the years ahead." -- Dr. Elmer L. Towns, co-Founder of Liberty University "The Spirit Contemporary Life is a grace-based approach to moving in the gifts of the spirit. You will be greatly

blessed by it. --Joseph Prince, senior pastor, New Creation Church

Love Gives Life: A Study of 1 Corinthians 13 We are to pursue love as we seek spiritual gifts because love gives life to gifts and love outlives gifts. That's Paul's main idea in 1 Corinthians 13, and this study will help you not only to see that in the text but to seek it in your life. The thirteenth chapter of First Corinthians is about having a love strategy. Paul relativizes what we tend to value most (usually our personal distinctives and niches), places love in central view, and summons us to use every power and resource we have for the good of those whom God has placed in our lives. This is the excellent way of love, and it is worthy of our pursuit. Here's what others are saying about this work: If you're like me, you have either heard or taught love from 1 Corinthians 13. You may even think that you have heard most, if not all of the insights of 1 Corinthians 13. I did. That is, until I read Evan May's take on the text. Evan brings us into Paul's thoughts in a clear and engaging way, which is somewhat hard to do. Not only that, he brings clarity to the definition of love which has been hijacked and is now defined as "undogmatic" and "untheological." However, love is very dogmatic and very theological. In a world

where social media has made us, "fall for the delusion that what makes us significant is mainly what causes us to stand out from everyone else, rather than what helps us to serve everyone else," what we all need now is a little bit of love, properly understood that is. Read this book! Curtis Allen Rap artist Voice, author of *Education or Imitation: Bible Interpretation for Dummies Like You and Me* Evan May's *Love Gives Life: A Study of 1 Corinthians 13* is a good example of what Paul says in 1 Cor. 14:26, "Let all things be done for building up." It is brief, unpretentious, but says what must be said to bring the message of the "love chapter" to the heart of the reader. May has been personally moved by Paul's words, and he wants to convey to us the same blessing he has found. He has a wonderful gift for simple, conversational writing, with the most natural and appropriate illustrations. He never assaults the reader, but nurtures him gently, so that we find ourselves growing in grace, almost by surprise. No academic trappings here, but May's understanding of the passage is substantial. I hope that many take the opportunity to learn from this book. Dr. John Frame Professor of Systematic Theology and Philosophy at Reformed Theological Seminary and author of the *Theology of Lordship* series The apostle Paul told his dear friend Timothy, with regard to Christian discipleship, "The aim of our charge is love that issues from a pure heart and a good conscience and a sincere faith." That is, love is the necessary consequence of the Gospel he preached. Today, that charge is unfortunately blunted by all manner of social and cultural influences, reduced to the idea that "love" is somehow synonymous with quiet and unconditional acceptance. My dear friend Evan May looks back to Paul as the apostle reminded his students in Corinth about the true meaning of love, and why it actually changes the world. The study notes Evan has produced ought to sting a little as we remember that somehow the love of God is both patient and unrelenting toward wrongdoing, both kind and truthful, both eternal and immediate. I recommend this study without qualification, and hope to see more from Evan in the future. Frank Turk Speaker, writer, and blogger at www.teampyro.blogspot.com
