 Kozier and Erb's Fundamentals of Nursing prepares students for practice in a range of diverse clinical settings and help them

understand what it means to be a competent professional nurse in the twenty-first century. This third Australian edition has once again undergone a rigorous review and writing process. Contemporary changes in the regulation of nursing are reflected in the chapters and the third edition continues to focus on the three core philosophies: Person-centred care, critical thinking and clinical reasoning and cultural safety. Students will develop the knowledge, critical thinking and clinical reasoning skills to deliver care for their patients in ways that signify respect, acceptance, empathy, connectedness, cultural sensitivity and genuine concern. MyNursingLab is an integral part of this text's teaching and learning package. MyNursingLab is an online homework, tutorial and assessment program that has been specifically designed to help students strengthen their understanding of key concepts. Through MyNursingLab's robust gradebook, teaching staff are able to take their courses to a new level of 'online' and

to effectively monitor their students' progress throughout the course. This online system offers you support when you need it: 24 hours a day, 7 days a week at Pearson 24/7. The fourth Australian edition of Kozier and Erb's Fundamentals of Nursing has undergone a rigorous review and writing process and reflects the contemporary changes in the regulation of nursing. It continues to focus on the three core philosophies of person-centred care, critical thinking and clinical reasoning and cultural safety. These three philosophical foundations are interwoven in a meaningful way through each chapter. With an evidence-based approach, students will develop skills in problem solving, critical thinking, clinical reasoning and learn to care for people in ways that signify respect, acceptance, empathy, connectedness, cultural sensitivity and genuine concern. MyLab Nursing can be packaged with this edition to engage students and allow them to apply their knowledge, strengthen their understanding of key concepts and develop critical decision making skills. Note: This edition provides relevant nursing diagnoses written in a way that is reflective of Australia nursing practice and nomenclature and does not refer to NANDA taxonomy of diagnostic terminology.
