YAMILET KENDRICK

Scab for Treasurer?

HarperCollins

Robin Loxley, the 5th
grade outlaw of

Nottingham Elementary,
tells all! From Epic!

Originals comes a comic-
inspired illustrated novel
series that treats growing
up as an adventure. Fifth
grade has just started,
and the school bully,

Nadia, already rules
recess with an unfair
Playground Tax. Robin
refuses to be pushed
around, but all she can
think about is winning
back her best friend, Mary
Ann, after a disastrous
fallout over the summer.
To do so, she will have to
stand up to Nadia, face
the wrath of Assistant
Principal Johnson, and
become a legendary
outlaw at Nottingham
Elementary--all while
forming a merry band of

new friends along the
way.

Arabel and Mortimer
Harper Collins

Before there was Lois
Lowry's *The Giver* or M. T.
Anderson's *Feed*, there
was Robert Cormier's *I
Am the Cheese*, a
subversive classic that
broke new ground for YA
literature. A boy's search
for his father becomes a
desperate journey to
unlock a secret past. But
the past must not be
remembered if the boy is

to survive. As he searches for the truth that hovers at the edge of his mind, the boy—and readers—arrive at a shattering conclusion. “An absorbing, even brilliant job. The book is assembled in mosaic fashion: a tiny chip here, a chip there. . . . Everything is related to something else; everything builds and builds to a fearsome climax. . . . [Cormier] has the knack of making horror out of the ordinary, as the masters of suspense know how to

do.”—The New York Times Book Review “A horrifying tale of government corruption, espionage, and counter espionage told by an innocent young victim. . . . The buildup of suspense is terrific.”—School Library Journal, starred review An ALA Notable Children’s Book A School Library Journal Best Book of the Year A Horn Book Fanfare A Library of Congress Children’s Book of the Year A Colorado Blue Spruce Young Adult Book Award Nominee
Pip Bartlett's Guide to

Sea Monsters (Pip Bartlett #3) Little, Brown Books for Young Readers Tired of gangster movies and a steady diet of candy wrappers, three theater mice decide to rob a cheese shop.

The Big Fat Surprise HarperCollins Emmy was a good girl. At least she tried very hard to be good. She did her homework without being told. She ate all her vegetables, even the slimy ones. And she never talked back to her nanny, Miss Barmy, although it was almost impossible to

keep quiet, some days. She really was a little too good. Which is why she liked to sit by the Rat. The Rat was not good at all Hilarious, inventive, and irresistably rodent-friendly, *Emmy and the Incredible Shrinking Rat* is a fantastic first novel from acclaimed picture book author Lynne Jonell. [Curtsies & Conspiracies](#) Houghton Mifflin Harcourt Another sweet, classic bedtime tale from Arnold Lobel, the beloved author and illustrator of the Newbery Honor and Caldecott Honor award-

winning *Frog and Toad* books. While his mother and father are away, a little elephant goes to visit his uncle. And what a time they have! Uncle Elephant makes wishes come true, tells amazing stories, and trumpets the dawn. The visit is perfect, except for one thing—it ends much too soon. This Level Two I Can Read is geared toward kids who read on their own but still need a little help. The classic *Frog and Toad* stories by Arnold Lobel have won numerous awards and honors,

including a Newbery Honor, a Caldecott Honor, ALA Notable Children's Book, Fanfare Honor List (Horn Book), School Library Journal Best Children's Book, and Library of Congress Children's Book.

Why Butter, Meat and Cheese Belong in a Healthy Diet Dial Press Challenges popular misconceptions about fats and nutrition science, revealing the distorted claims of nutrition studies while arguing that more dietary fat can lead to better health, wellness,

and fitness.

A Novel! Open Road Media Yummy bowls of fix-in-a-jiff blends go with crudités, breads, crackers, chips, and more. When you're serving party nibbles, there's always room for another appetizer. Whip up some Pumpkin Pepita Hummus to add a dash of color and flavor to a harvest-themed gathering, or put out a bowl of Cheesy Pub Dip to get those football fans cheering. These dips can even add a zesty twist to your next meal: try Watermelon Cucumber

Salsa as a topping for salad on a hot summer day, or drop a scoop of Cilantro Peanut Pesto into your stir-fry to take it to the next level. These flavorful recipes require little to no cooking and will delight any palate. James Bradford is a chef in northern Utah. He specializes in the creative preparation of local ingredients.

Woke Racism

Grove/Atlantic, Inc. Fans of Laura Ingalls Wilder's Little House books will enjoy a citified version as Sydney Taylor

gives a charming glimpse at a time when daily life was very different, but family and faith were surprisingly the same. Ella, Henny, Sarah, Charlotte, and Gertie are back! Life is never dull for the loving, Jewish, all-of-a-kind family on New York's Lower East Side in the early 1900s. Stand-alone chapters make this a perfect read-aloud, as the story follows the five sisters who are very busy, especially now that baby Charlie is growing so quickly. Ella gets a big role in the Purim play,

Henny gets into trouble at school and runs away, Sarah gets her ears pierced, Charlotte has a scary kitchen accident, and Gertie finally is old enough to have a book of her own. And the girls befriend a young boy named Guido whose mother is very ill. Generations of readers have loved following the exploits of these very recognizable girls. This title, although written later, picks up right where the first, *All-of-a-Kind Family*, ended.

Lost Treasures: The Great

Cheese Conspiracy - Book #4 Sourcebooks, Inc. Winner of the Pulitzer Prize "A masterwork . . . the novel astonishes with its inventiveness . . . it is nothing less than a grand comic fugue."—The New York Times Book Review *A Confederacy of Dunces* is an American comic masterpiece. John Kennedy Toole's hero, one Ignatius J. Reilly, is "huge, obese, fractious, fastidious, a latter-day Gargantua, a Don Quixote of the French Quarter. His story bursts with wholly original characters,

denizens of New Orleans' lower depths, incredibly true-to-life dialogue, and the zaniest series of high and low comic adventures" (Henry Kisor, Chicago Sun-Times).

New York Times bestselling author and acclaimed linguist

John McWhorter argues that an illiberal neoracism, disguised as antiracism, is hurting Black communities and weakening the American social fabric. Americans of good will on both the left and the right are secretly asking themselves the same question: how has the conversation on race in America gone so crazy? We're told to read books and listen to music by people of color but that wearing certain clothes is "appropriation." We hear that being white automatically gives you

privilege and that being Black makes you a victim. We want to speak up but fear we'll be seen as unwoke, or worse, labeled a racist. According to John McWhorter, the problem is that a well-meaning but pernicious form of antiracism has become, not a progressive ideology, but a religion—and one that's illogical, unreachable, and unintentionally neoracist. In *Woke Racism*, McWhorter reveals the workings of this new religion, from the original sin of "white privilege"

and the weaponization of cancel culture to ban heretics, to the evangelical fervor of the "woke mob." He shows how this religion that claims to "dismantle racist structures" is actually harming his fellow Black Americans by infantilizing Black people, setting Black students up for failure, and passing policies that disproportionately damage Black communities. The new religion might be called "antiracism," but it features a racial

essentialism that's barely distinguishable from racist arguments of the past. Fortunately for Black America, and for all of us, it's not too late to push back against woke racism. McWhorter shares scripts and encouragement with those trying to deprogram friends and family. And most importantly, he offers a roadmap to justice that actually will help, not hurt, Black America.

"Last stop! Everybody out!" Jonathan is trying not to make a mess, but someone has put a subway station in his apartment. So Jonathan goes to City Hall to fix the computer. A newly designed Classic Munsch picture book introduces this hilarious tale about problem solving to a new generation of young readers.

Processed Cheese
Scholastic Inc.

Governor Bill Hoeksma of Michigan is a simple, gun-loving son of a billionaire who idolises George W. Bush. When a mysterious illness afflicts members of his inner circle, his conspiring advisors point to a rumoured viral weapons attack – via monkeypox-carrying prairie dogs – launched by the Wisconsin government. Governor Bill decides the Michigan militia should lead the military response, chaos ensues, and he falls unwittingly into a scheme of his powerful father's

making. That scheme begins with cheese research and a Hollywood movie star. How it will end all depends on two unlikely heroes: an aging lesbian state senator, and a high-school teacher born and raised in the Michigan militia. When the conspiracy runs out of road, and guns are drawn in a showdown outside a Cracker Barrel, will anyone emerge victorious from the Great American Cheese War? What readers are saying about The Great American Cheese War: "A rollicking

riot of insanity and I mean that in the most wonderful sense! I laughed my way through this story." "Highly recommended!! This book was a lot of fun, I laughed out loud, and it's a clever satire book. It's well written, engrossing and entertaining." "Enjoy your summer, read this book!" "Satire at its finest. The whole book had me rolling on floor laughing!" *Big Dips* Scholastic Press Troy has a chance to hit the big time—and be reunited with the father he's never known Things

couldn't be going better for Troy White. The Atlanta Falcons' football genius is at the top of his game, helping the team get to the playoffs. Agents and lawyers are knocking on his door with big-money offers for the upcoming season. And his own football team has just won the Georgia State Championship! Troy's celebrating with his friends when another lawyer comes knocking—and this one says, "I think I'm your father." Very quickly Troy's dream come true

becomes a nightmare when his mom and dad become embroiled in a conflict over his future. For Troy, the stakes couldn't be higher as he fights for the right to know the man who calls himself Dad.

Emmy and the Incredible Shrinking

Rat Harper Collins
Kyna likes her friends, her purple hair, and taking photographs. But there's something she definitely doesn't like: the water. Every time she comes near it, she feels the sinister pull of the depths

trying to draw her down to a watery grave. Even the calm water in the bathtub reminds her of the torrential storm that took the lives of her sailing family when she was just a baby. But Kyna's adopted parents love nothing more than to swim and splash about in lakes and streams, or even the local pool. When they decide to spend the summer at a beach house on Lake Champlain, Kyna is convinced that they're trying to teach her something about water that she's not ready to

learn. Little does she know that the water will reveal far more than she ever could have imagined. Inspired by Champ, the legendary monster living in Lake Champlain, Water Steps finds novelist A. LaFaye at her best, expertly interweaving themes of adolescent fears and fantasies, the frustrations and rewards of family, and a world of mystery and magic under the placid surface of nature.

bestselling author *Marie
Claire's September Book
Club Pick* Rear Window

meets Get Out in this
gripping thriller from a
critically acclaimed and
New York Times Notable
author, in which the
gentrification of a
Brooklyn neighborhood
takes on a sinister new
meaning... Sydney Green
is Brooklyn born and
raised, but her beloved
neighborhood seems to
change every time she
blinks. Condos are
sprouting like weeds, FOR
SALE signs are popping up
overnight, and the
neighbors she's known all
her life are disappearing.
To hold onto her

community's past and
present, Sydney channels
her frustration into a
walking tour and finds an
unlikely and unwanted
assistant in one of the
new arrivals to the
block—her neighbor Theo.
But Sydney and Theo's
deep dive into history
quickly becomes a
dizzying descent into
paranoia and fear. Their
neighbors may not have
moved to the suburbs
after all, and the push to
revitalize the community
may be more deadly than
advertised. When does
coincidence become

conspiracy? Where do people go when gentrification pushes them out? Can Sydney and Theo trust each other—or themselves—long enough to find out before they too disappear? Nurk is a quiet homebody of a shrew. But when a mysterious plea for help arrives in the mail, he invokes the spirit of his fearless warrior-shrew grandmother, Surka, and sets off to find the sender. It seems the prince of the dragonflies has been kidnapped, and Nurk is his

last hope for rescue. Such a mission would be daunting for even the biggest, baddest, and bravest of shrews, and Nurk is neither big nor bad, and only a little brave. But he does his very best--and hopes his grandmother would be proud. Nurk is a warm, wonderful, and hilarious illustrated adventure about courage, family legacies, and friendships of a most unusual nature.
