Glen Duncan delivers a powerful, sexy new version of the werewolf legend, a riveting and monstrous thriller--with a profoundly human heart. Jake Marlowe is the last werewolf. Now just over 200 years old, Jake has an insatiable appreciation for good scotch, books, and the pleasures of the flesh, with a voracious libido and a hunger for meat that drives him crazy each

full moon. Although he is physically healthy, Jake has slipped into a deep existential crisis, considering taking his own life and ending a legend that has lived for thousands of years. But there are two dangerous groups--one new, one ancient--with reasons of their own for wanting Jake very much alive.

Melina Rosenthal worships at the altar of all things fashion. Her dream is to work for the crème de la crème fashion magazine, Eclipse, and she'll do much anything to get there. Even fixing up the image of a gorgeous, sexy public figure who's all playboy, all the time. Even if he's the guy who broke her heart a year ago... Even if Hayden Dean is a werewolf. Since his father's death,

Hayden's the heir apparent to the San Francisco Wolf Pack—well, once he settles down. Hayden isn't interested in giving up his partying ways, except he's pretty sure he's found his fated mate, and the fact that she's a non-shifter is bad news. Now he must find a compromise between the traditions of his wolf world and his certainty that Melina is his...before fate (or another werewolf) bites them both in the butt. Each book in the San Francisco Wolf Pack series is a standalone, full-length story that can be enjoyed out of order. **The Werewolf's Guide to Life** Adaptive Books

The days grow colder. The nights grow longer. And every time the moon rises, the wolf inside her grows a little stronger. Cheyenne Clark—a woman whose hatred for werewolves has turned her into the very beast she most despises—prowls the Arctic Circle on the trail of an ancient secret, hunting for the one thing that could remove the lycanthropic curse and make her human again. Yet standing between Chey and her goal are a werewolf hunter armed with a diabolically brilliant weapon, a centuries-old werewolf with her own mysterious agenda...and Chey's own complicated feelings for the man who doomed her to this existence but on whom her life now depends. Worse, with every hour that passes, the wolf inside Chey becomes more powerful. It

won't be long before the woman disappears completely, and only the beast is left.

*Dark Shadow of the Werewolf Crown*

Shares deadpan advice for surviving and thriving as a werewolf, providing coverage of such topics as breaking the news to a spouse, post-attack etiquette, and avoiding government abduction.

"Sequel to Good Bones " "Bones: Book Two " Werewolves don't have a how-to manual—nor do men embarking on a new life together. It's been a few weeks since Dylan Warner wolfed out and killed Andy, the crazed werewolf who originally turned him and later tried to murder Chris Nock. Architect Dylan and handyman Chris are still refurbishing Dylan's old house as they work out the structure of their relationship. They come from very different backgrounds, and neither has had a long-term lover before, so negotiating their connections would be challenge enough even if Dylan didn't turn into a beast once a month. To make matters worse, Dylan's house is haunted, and events from both men's pasts are catching up with them. Dylan has to cope with the aftermath of killing Andy, and Chris continues to suffer the effects of a difficult childhood. In his quest to get rid of the ghost, Dylan rekindles old friendships and faces new dangers. At the same time, Chris's father makes a sudden reappearance, stirring up old emotions. If Dylan and Chris want to build a lasting relationship, they'll have to meet these challenges head-on.

Buck and Billy Jo are initiated into the Brotherhood of the Silver Bullet. As part of a cohesive team, the werewolf hunters fight

several brutal battles with their formidable foes. Both sides suffer heavy losses. The casualties of an ongoing confrontation mount up. Despite the fact that the brotherhood has access to advanced technology, this war with the werewolves must be fought with conventional weapons and silver bullets. In the interim, the secret organization's scientists work relentlessly to discover an effective cure for lycanthropy. Each new day brings a new ray of hope. One sunny April morning, Buck and Billy Jo announce that they plan to depart for beautiful British Columbia. The couple has had its fill of killing the dark demons of the night. It is time for a fresh start somewhere else. Wishing his friends all the best, Steven Cervi, the commander of the elite unit, informs Buck and Billy Jo of recent werewolf activity in their former homeland. They are persuaded to join the brotherhood for one last duel to the death with the werewolves. An unexpected situation erupts. Catastrophic consequences follow. Buck Lanark experiences first hand the crimson tears of a werewolf.

Bones crack, skin stretches and limbs twist into unimaginable positions. Coarse hair erupts from beneath pale skin to blanket the morphing form from head to toe as a guttural growl of pain fills the night. What was once a man has become something feral, wild and dangerous. Under the full moon, the werewolf emerges to prowl the streets, searching for human prey, so bolt your doors, lock your windows and pray the beast doesn't find you before the new dawn. Welcome to Living Dead Press' first werewolf anthology, where the werewolf mythos is explored deep into its dark and hidden depths. Whether you like your werewolves bloodthirsty, cursed or sympathetic, you will find it here. And maybe, when you finish these tales of tortured souls, when the next full moon appears in the night sky, you might think twice when you hear an animalistic howl floating on the wind.

Angel Svabodina is a rookie forensic anthropologist, enjoying the beginning of her new career. That joy comes crashing down when she figures out the skeleton she's working on is not human and then it vanishes. She throws herself fully into the case without thinking about the parties involved, a psychopomp associate, and paranormal mafia families made up of vampires and werewolves--or the consequences. When she sees there's no avoiding the inevitable, Angel has to suck it up and work with the werewolves to solve the case but can she trust them? Werewolves and witches are in a centuries-old feud, but that doesn't stop the shivers running down her spine from one wolf in particular. Rights and wrongs become blurred, as she is tormented by her past and accepting who she truly is while searching for the skeleton.

What's more, nothing comes for free, including information. To get what she needs from the werewolf don, Angel has to meet with the fae queen. Can she meet her without repercussions and solve the case?

It takes more than silver bullets to kill a werewolf. This is an omnibus edition of the three books in the *Autobiography of a Werewolf Hunter* trilogy. Sylvester James knows what it is to be haunted. His mother died giving birth to him and his father never let him forget it—until the night he was butchered by a werewolf. Alone in the world, Sylvester is taken in by Michael Winterfox, a Cheyenne mystic. Winterfox, once a werewolf hunter, trains the boy to be a warrior—teaching him how to block out pain, stalk, fight, and kill. Bit by bit all that makes Sylvester human is sacrificed to the hunt. Now, Sylvester's hatred has become a monster all its own, robbing him of conscience and conviction as surely as the Beast's bite. As he follows his vendetta into the

outlands of the occult, options become scarce. And he learns it takes more than silver bullets to kill a werewolf—to kill a werewolf, it takes a hunter with a perfect willingness to die. This edition features the previously published *Autobiography of a Werewolf Hunter*, *Heart of Scars*, and *The Lineage* in Brian P. Easton's *Autobiography of a Werewolf Hunter* trilogy.

#### Werewolf Within iUniverse

When things go bump in the night, the government calls Psi-Mechs, Inc. With a combination of technology and psi powers, they alone have the tools and training required to bump back. Geoff Ringer was a police detective, who never wanted to be more than that. Although he knew he had a telekinetic talent, it wasn't something he wanted anyone to know about. Even though his reticence made him a loner, he hid his power from his friends and colleagues. Using it also reminded him of that night, which he never wanted to think about again. When a werewolf attack in the police station forces him to expose his talent to save the lives of his colleagues, Ringer is forced to flee to Psi-Mechs to hide. The company is at war, though, and Ringer finds himself on the losing side of a battle to the death. Will Ringer and the Psi-Mechs team be able to defeat the ancient evil, or will it claim the Earth for all time? One thing is certain for Ringer—the time to hide is past. As Ringer learns to embrace his powers, only one question remains—will they be enough to turn the tide? Psi-Mech, Inc. Because things do go bump in the night.

Two men haunted by the same ghost... Falling for "the other man" in my marriage was never part of the plan. Then again, according to Nicolae Ursache, I am the other man, and human wedding vows don't apply. Not to werewolves. Nicolae is a smug, arrogant alpha male stereotype--and I do mean alpha in the literal sense--but when the same people who killed my wife kidnap my teenage daughter, he's my only chance at getting her back. The fact that Nicolae was my wife's rightful mate means that we share a mutual interest in bringing Ellie home, but I never could've imagined how he planned to do it. I will do anything to protect my daughter. Even if it means becoming the plaything, or worse, of the man I loathe most. - This dark shifter romance contains material suitable for adult audiences only. It is a standalone with full resolution. \*\*NOTE: There is no mpreg in this

universe.\*\* 18+ readers only.

BY THE LIGHT OF THE MOONHell on Wheels... Werewolf Guardian, Damon Trahan lives by a Code: Protect the Pack with his life. Damon has experienced death and betrayal, now all he wants is the freedom of his Harley and the loyalty of the men he rides with, the only family he has left. Those are the things he knows and believes in. Love and the hurt that comes with it has no place in his world...Until he receives new orders: Rescue female werewolf, Ava Renfroe from a Pack of rogue wolves. Hell on Heels... Bartender Ava Renfroe is tired of Alpha males running her life. Being raised as the daughter of a Military General made her want independence more than air—and she has it! Until she's kidnapped. Damon Trahan, her alpha male rescuer and bossy pain-in-the-ass, is exactly the kind of man she doesn't want, but try telling that to her libido. His brooding good looks are panty-dropping hot. Too bad he's bat-shit crazy and thinks he's a werewolf. Worse, he claims she's a werewolf too. But when Damon shifts in front of her, she begins to doubt everything she's known to be true. Hell to pay... On the run from the rogues, Ava and Damon can't ignore the red hot passion between them. But Damon knows it can't last. Will he sacrifice everything he's ever known to have the one thing he's never meant to have? Or will the war between the Packs destroy them before love is given a chance? BENEATH A BLOOD LUST MOONMurder brought them together...will destiny tear them apart? Werewolf Braxton Devereaux would do anything to protect his mother from his abusive father, even commit murder. Or so everyone assumes.

Pack Law justice is swift and unforgiving when it comes to bloodshed, and soon werewolf Assassins are out to balance the scales - Braxton's life for his father's. On the run, Braxton flees on his Harley to the anti-extradition state of Missouri, but before he crosses the border, he is felled by an Assassin's bullet, and an unsuspecting blonde. Kate Wolph is in a legal battle to avoid losing her Bed and Breakfast to foreclosure. The last thing she needs is an injured wolf to care for, let alone a gorgeous man with blank eyes and a deadly smile. But the supernatural world of danger that surrounds him threatens to swallow more than just her life. Can Braxton track down the real killer before the Assassins find him, or will Pack Justice cost him not only his life but the life of the only woman he's ever loved? DESIRES OF A FULL MOONSome scars run too deep. Werewolf Jayden Parker tried to leave his personal demons behind in Louisiana when he joined the Guardians in the Arkansas Pack. But when his Pack Master puts him on a mission to stop a stalker that's targeting a female, Jayden comes face to face with his haunted past and the woman he once failed to protect. Shamed and abandoned by her family, werewolf Haley Guthrie is forced to start over in Arkansas. Instead of a fresh start, she finds herself in danger and has to rely on Guardian, Jayden to protect her. In a twist of fate Jayden and Haley are reunited, only to discover an undeniable passion that refuses to be ignored. Jayden refuses to fail Haley again and vows to catch the stalker before he can harm her. Will Jayden lay down his life for the one woman who can set his soul and heart free? Or will they both lose everything before love is given a second chance?
