Opel Corsa B The Corsa was once a staple for the Opel brand, in its former heydays under General Motors. From the bubble-shaped second-generation (B) which inaugurated its local presence, to the attitude-packed ...
REVIEW | The new 2021 Opel Corsa is a little charmer
Owning a car was a distant dream till 50 years of my age. Finally, I could buy a petite beauty — a German company car Opel Corsa Sail. It was a “pre-owned” one (decent word for second hand). The ...
