 The success of Harry Lorrequer was the reason for writing Charles O'Malley. That I myself was in no wise prepared for the favor the public bestowed on my first attempt is easily enough understood. The ease with which I strung my stories together,--and in reality the Confessions of Harry Lorrequer are little other than a note-book of absurd and laughable incidents,--led me to believe that I could draw on this vein of composition without any limit whatever. I felt, or thought I felt, an inexhaustible store of fun and buoyancy within me, and I began to have a misty, half-confused impression that Englishmen generally labored under a sad-colored temperament, took depressing views of life, and were proportionately grateful to any one who would rally them even passingly out of their despondency, and give them a laugh without much trouble for going in search of it.

The Limba are rice farmers living in the hills of northern Sierra Leone who have, until recently, been somewhat despised by their neighbours. Yet they possess a subtle and fascinating literature, as illustrated by this detailed study of their stories, collected and translated by Dr. Finnegan. Their literary and artistic value emerges clearly when the significance of their 'oral' character is realized. The introductory chapters full consider such points as the importance of the actual delivery, the part played by the story-teller, and the changing forms arising from the originality of individual narrators. The book throws light on the general study of oral composition and performance as well as on the literary spirit of a previously unstudied West African people.

Limba Stories and Story-Telling Univ of California Press

"The story of David is the greatest single narrative representation in antiquity of a human life evolving by slow stages through time, shaped by the pressures of political life, family, the impulses of body and spirit, and the eventual sad decay of the flesh. In its main character, it provides the first full-length portrait of a Machiavellian prince in Western literature."--BOOK JACKET. "The beautiful, musical David, loved by all, resourceful slayer of Goliath, is revealed through his life to be a calculating political animal. To advance his own cause, he becomes a collaborator with the archenemies of Israel, the Philistines. Later he commits adultery with Bathsheba, and compounds the betrayal with murder. But through the author's empathy and skill, David also emerges as a fully realized character, a man of passion and intelligence who navigates the ambiguities of belief, loyalty, ambition, temptation, and circumstance with uneven success."--BOOK JACKET.

The sacrificial nature of Jesus' crucifixion stands at the core of the Christian faith, and it serves as a focal point for the forty days of Lent. The essential meaning of his death as a victim of sacrifice is widely recognized, but there is more to the sacrificial representation than many realize. Jesus is not, for example, described in the New Testament only as a Passover lamb. That type of lamb sacrifice had nothing to do with addressing sin. His sacrifice involved concepts beyond Passover. Jesus and his early followers drew upon Jewish Scriptures to describe his death in light of several other Israelite practices and traditions, such as Day of Atonement rituals, guilt-sacrifice, and more. In this book, Tatlock draws upon his understanding of ancient sacrifice to explain the complex portrayal of the

crucifixion in the New Testament. He shares about his personal challenges and insights in a series of daily reflections for the Lenten season or for any other time of the year.

We meet George Fortescue and Ronald Trimm. The former appears gentle and ordinary, whilst Trimm is successful, but deprived because of his frigid, controlling, wife. Pornographic magazines fill the void until he encounters a willing widow. Two rapes and murders occur, but it is Fortescue who receives the attention of the police.

A landmark event: the complete Hebrew Bible in the award-winning translation that delivers the stunning literary power of the original. A masterpiece of deep learning and fine sensibility, Robert Alter's translation of the Hebrew Bible, now complete, reanimates one of the formative works of our culture. Capturing its brilliantly compact poetry and finely wrought, purposeful prose, Alter renews the Old Testament as a source of literary power and spiritual inspiration. From the family frictions of Genesis and King David's flawed humanity to the serene wisdom of Psalms and Job's incendiary questioning of God's ways, these magnificent works of world literature resonate with a startling immediacy. Featuring Alter's generous commentary, which quietly alerts readers to the literary and historical dimensions of the text, this is the definitive edition of the Hebrew Bible.

What happens when you bring a looney Irishmen into the British Army? Even more interesting, what happens when that army turns him loose on the French? Set during the Peninsular War, this is the rollicking story of an Irish dragoon, Charles O'Malley, and his equally uninhibited servant, Mickey Free. It is a mixture of riotous fun, humor, love-making, and military adventure; but it also shows the darker side of a very real, and very deadly, war. Volume One takes you from O'Malley's induction into the army, and through the British peninsular campaigns ending in the tragic and bloody Battle of Talavera (1809). Volume Two continues the story, and presents O'Malley's adventures up to and including the Battle of Waterloo in 1815. Taken together, they present both an entertaining and a sobering view of the war that finally ended the Napoleonic threat. 37 Illustrations "The great war amid which these scenes are enacted, and the romantic countries and inhabitants of Portugal, Spain, and France, afford a great variety of scenery, of adventure, and of comic and tragic incident. Your interest never flags for a moment." "With a combination of hilarious adventures and serious battle scenes, Charles O'Malley will charm you like no Irishman ever has."

This volume contains the first volume of Charles James Lever's phenomenally popular 1840 novel, "Charles O'Malley: The Irish Dragoon". This fantastic novel would make for a great addition to any bookshelf, and is highly recommended for fans and collectors of Lever's seminal work. Charles James Lever (1806 - 1872) was an Irish novelist. Other works by this author include: "The Dodd Family Abroad" (1854) and "Nuts and Nutcrackers" (1845). Many vintage texts such as this are increasingly scarce and expensive, and it is with this in mind that we are republishing this book now, in an affordable, high-quality, modern edition. It comes complete with a specially commissioned biography of the author.

When Mr Stanroyd is found hanged in his own mill, his three young daughters are forced to realise that they are now mill-owners, a position quite unbecoming to a Victorian young lady. The eldest, the enchanting and redoubtable Severel, confides her hopes and fears - and the strange course of events - to her diary. Who killed whom? Which of the three girls married? Which of them was so shocked that she was deprived of speech? What happened to Uncle Eli and to raffish Cousin Bertie from Australia? Who was raped by whom? And who hanged dear Papa? 'Very rumbustious and buoyant' Scotsman

"This book is enormously important, beautifully reasoned and written with crystal clarity by an author of wide scholarly experience, brilliant insights and extraordinary erudition. It is the first book length study I've seen that reasons from the individual psychology of all stakeholders. It ultimately provides the only truly revealing way to understand the personal and civic conundrums surrounding dying, which have always been characterized by irrational thinking, inconsistencies of behavior and paradoxes of personal viewpoints."—Sherwin Nuland, M.D., author of *How We Die* "Once you acknowledge the profound and inescapable ambivalence that shapes our attitudes toward death, what can we learn about our death-dealing policies and practices, from end-of-life care and assisted suicide to the death penalty? Robert Burt's *Death is That Man Taking Names* provides extraordinary insights in eloquent and elegant prose. All thoughtful people who are seriously interested in the deeper roots and broader implications of our policies concerning death should read this remarkably original and provocative book."—Thomas H. Murray, President, The Hastings Center, and author of *The Worth of a Child*

Anything he can do, I can do better. At least that was what Cassie Bucknell thought before she pinned on Ben Wilder's badge and took to patrolling the streets of Cactus Creek, Texas. Cassie has been in love with Ben since primer school, but Ben treats her like a little sister. When they are picked to swap jobs for a month as part of the annual Cactus Creek Challenge in their Texas hometown, the schoolhouse is thrown into an uproar, the jail becomes a temporary bank vault, and Cassie and Ben square off in a battle of wills that becomes a battle for their hearts.
