The Shadow Trap Dark Horse Comics

One of the Republic's elite spies, Theron Shan, embarks on an assignment to uncover dark secrets that could shatter the fragile peace with the Sith and plunge the galaxy back into war! An old Jedi, Ngani Zho--once Theron's mentor, and formerly thought lost in Sith territory--has returned quite a bit more peculiar than before he left. . . Unfortunately, he is the only one who can guide Theron on his mission. Quickly, Theron's hands are full with Zho, a troublesome thief, and the Sith who never should have let that old Jedi return to the Republic! * Direct connections between game and comic! * Written by Alexander Freed, a senior writer of the game! * Starring Theron Shan of the legendary Shan bloodline.

Tangled Fate: Harmony Entwined Del Rey

The Daleks are advancing, their empire constantly expanding. The battles rage on across countless solar systems - and the Doctor finds himself stranded on board a starship near the frontline with a group of ruthless bounty hunters. Earth Command will pay these hunters for every Dalek they kill, every eyestalk they bring back as proof. With the Doctor's help, the bounty hunters achieve the ultimate prize: a Dalek prisoner - intact, powerless, and ready for interrogation. But with the Daleks, nothing is what it seems, and no one is safe. Before long the tables will be turned, and how will the Doctor survive when he becomes a prisoner of the Daleks? An adventure featuring the Tenth Doctor, as played by David Tennant

NEW YORK TIMES BESTSELLER • Join Republic spy Theron Shan as he faces off against the Sith Empire itself in this epic installment of The Old Republic. Light side, dark side—these are just empty words. . . . There are only two sides I care about: us and them. Republic or Empire! The Sith Empire is in flux. The Emperor is missing, presumed dead, and an ambitious Sith lord's attempt to seize the throne has ended fatally. Still, Darth Karrid, commander of the fearsome Imperial battle cruiser Ascendant Spear, continues her relentless efforts to achieve total Sith domination of the galaxy. But Karrid's ruthless determination is more than matched by the steely resolve of Theron Shan, whose unfinished business with the Empire could change the course of the war for good. Though the son of a Jedi master, Theron does not wield the Force—but, like his renowned mother, he has the spirit of rebellion in his blood. As a top covert agent for the Republic, he struck a crucial blow against the Empire by exposing and destroying a Sith superweapon arsenal—which makes him the ideal operative for a daring and dangerous mission to end Ascendant Spear's reign of terror. Joined by hot-headed smuggler Teff'ith, with whom he has an inexplicable bond, and wise Jedi warrior Gnost-Dural, Darth Karrid's former master, Theron must match wits and weapons with a battle-tested crew of the most cold-blooded disciples of the Dark Side. But time is running brutally short. And if they don't seize their one chance to succeed, they will surely have countless opportunities to die.

Star Wars: The Old Republic Volume 3—The Lost Suns Insight Editions

Taking the reader on a journey through queer manifestations in games, this book advocates for video games as a rich, political and cultural medium, which provides us with tools to navigate the future of gaming. Situated at the intersection of New Media, Game, Cultural and Queer Studies, the book navigates diverse interspecies relationships, queer villains from the past, Pokémon memes on border politics, flânerie in post-industrial cities and one-sided erotic fights. It provides new critical engagements with the works of Jose Esteban Muñoz, Bonnie Ruberg, Guy Debord and Jack Halberstam, examining queer representation, gaming subcultures and dissident play practices. Making the bold claim that video games might be the queerest medium today, this book provides organic, self-reflective and, ultimately, thought-provoking thinking in which both games and gamers are queered. This book will be of interest to scholars researching game studies, sex, gender and sexuality in new media, but also readers interested in literature, digital media, society, participatory culture and queer studies.

The second novel set in the Old Republic era and based on the massively multiplayer online game Star Wars: The Old Republic TM ramps up the action and brings readers face-to-face for the first time with a Sith warrior to rival the most sinister of the Order's Dark Lords—Darth Malgus, the mysterious, masked Sith of the wildly popular "Deceived" and "Hope" game trailers. Malgus brought down the Jedi Temple on Coruscant in a brutal assault that shocked the galaxy. But if war crowned him the darkest of Sith heroes, peace would transform him into something far more heinous—something Malgus would never want to be, but cannot stop, any more than he can stop the rogue Jedi fast approaching. Her name is Aryn Leneer—and the lone Knight that Malgus cut down in the fierce battle for the Jedi Temple was her Master. And now she's going to find out what happened to him, even if it means breaking every rule in the book.

Junk Pile! Random House Worlds

"The death of billions is as nothing to us Doctor, if it helps defeat the Daleks." The Great Time War has raged for centuries, ravaging the universe. Scores of human colony planets are now overrun by Dalek occupation forces. A weary, angry Doctor leads a flotilla of Battle TARDISes against the Dalek stronghold but in the midst of the carnage, the Doctor's TARDIS crashes to a planet below: Moldox. As the Doctor is trapped in an apocalyptic landscape, Dalek patrols roam amongst the wreckage, rounding up the remaining civilians. But why haven't the Daleks simply killed the humans? Searching for answers the Doctor meets 'Cinder', a young Dalek hunter. Their struggles to discover the Dalek plan take them from the ruins of Moldox to the halls of Gallifrey, and set in motion a chain of events that will change everything. And everyone. An epic novel of the Great Time War featuring the War Doctor as played by John Hurt.

Annihilation: Star Wars Legends (The Old Republic) Scholastic Incorporated

Set in the aftermath of Rogue One: A Star Wars Story, this action-packed prequel to the hotly anticipated videogame Battlefront II introduces the Empire's elite force: Inferno Squad. After the humiliating theft of the Death Star plans and the destruction of the battle station, the Empire is on the defensive. But not for long. In retaliation, the elite Imperial soldiers of Inferno Squad have been called in for the crucial mission of infiltrating and eliminating the Partisans—the rebel faction once led by notorious Republic freedom fighter Saw Gerrera. Following the death of their leader, the Partisans have carried on his extremist legacy, determined to thwart the Empire—no matter the cost. Now Inferno Squad must prove its status as the best of the best and take down the Partisans from within. But the growing threat of being discovered in their enemy's midst turns an already dangerous operation into a do-or-die acid test they dare not fail. To protect and preserve the Empire, to what lengths will Inferno Squad go . . . and how far beyond them? The Rebellion may have heroes like Jyn Erso and Luke Skywalker. But the Empire has Inferno Squad.
