Rape Of America exposes the abject failure of our so-called political leaders to stand up for the historical standards and integrity of America and instead pursue their own selfish personal gratification. To add fuel to the fire of America's destruction is hatred between the two parties which has escalated to the point

of destroying America. *Bad Fat Black Girl*

 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when

• coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party

Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter

where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of

The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

The Five Love Languages Simon and Schuster
In this YA contemporary queer romance from the author of *Hot Dog Girl*, an openly gay track star falls for a closeted, bisexual teen beauty queen with a penchant

for fixing up old cars. Now available in paperback! Morgan, an elite track athlete, is forced to transfer high schools late in her senior year after it turns out being queer is against her private Catholic school's code of conduct. There, she meets Ruby, who has two hobbies: tinkering with her baby blue 1970 Ford Torino and competing in local beauty pageants, the latter to live out the dreams of her overbearing mother. The two are drawn to each other and can't deny their growing feelings. But while Morgan—out and proud, and determined to have a fresh start—doesn't want to have to keep their budding relationship a secret, Ruby isn't ready to come out yet.

With each girl on a different path toward living her truth, will they be able to go the distance together?

“Sesali Bowen is poised to give Black feminism the rejuvenation it needs. Her trendsetting writing and commentary reaches across experiences and beyond respectability. I and so many Black girls still figuring out who they are in this world will gain so much from whatever she has to say.”—Charlene A. Carruthers, activist and author of *Unapologetic: A Black, Queer and Feminist Mandate for Radical Movements*
“Sesali perfectly vocalizes the inner dialogue, and daily mantras needed to be

a *Bad Bitch*.”—Gabourey Sidibe, actor, director, and author of *This is Just My Face: Try Not To Stare* “A powerful call for a more inclusive and 'real' feminism.”—*Publishers Weekly* (starred review) “Bowen writes from an authentic space for Black women who are often left out of feminist conversations due to respectability politics, but who are just as deserving of the same voice and liberation.”—*Booklist* (starred review) From funny and fearless entertainment journalist Sesali Bowen, *Bad Fat Black Girl* combines rule-breaking feminist theory, witty and insightful personal memoir, and cutting cultural analysis for an

unforgettable, genre-defining debut. Growing up on the south side of Chicago, Sesali Bowen learned early on how to hustle, stay on her toes, and champion other Black women and femmes as she navigated Blackness, queerness, fatness, friendship, poverty, sex work, and self-love. Her love of trap music led her to the top of hip-hop journalism, profiling game-changing artists like Megan Thee Stallion, Lizzo, and Janelle Monae. But despite all the beauty, complexity, and general badassery she saw, Bowen found none of that nuance represented in mainstream feminism. Thus, she coined Trap Feminism, a contemporary framework that

interrogates where feminism meets today's hip-hop. *Bad Fat Black Girl* offers a new, inclusive feminism for the modern world. Weaving together searing personal essay and cultural commentary, Bowen interrogates sexism, fatphobia, and capitalism all within the context of race and hip-hop. In the process, she continues a Black feminist legacy of unmatched sheer determination and creative resilience. *Bad bitches: this one's for you.* [Good for a Girl](#) Mango Media Inc. In the bestselling tradition of *The Five People You Meet in Heaven* and *Humans of New York* comes a collection of authentic, emotional, and

inspiring stories about life's most important moments, as curated by the editors at Love What Matters. "90% of the reads bring me to tears. I just can't believe the love this world truly has when all we see is hate. This is so uplifting."

—Shelsea Where do you go when you want to feel inspired? When you want to forget about the divisiveness and the anger? For over five million people, that place is Love What Matters, a digital platform dedicated to finding and sharing the daily moments of kindness, compassion, and love that so often go overlooked. This curated collection of powerful stories features first person accounts and photographs that

perfectly capture each moment: A husband learning he's about to be a dad. A new mom embracing her body. A cashier inadvertently teaching a young girl a lesson about patience. A bagel from a stranger that saved a homeless man's life. From long overdue adoptions to military heroes returning home; from a fireman's touching 9/11 tribute to what an old dinner plate found at a bake sale can teach us all about life—these are the moments that matter. They are genuine. Authentic. Raw. And they are perfect in their imperfection—just like all of us. You will no doubt experience goosebumps and tears, but this mosaic of life's moments will leave you with something even

more profound: a reminder that, in the end, love always wins. "This really is the best page on Facebook. It renews your love of humanity. There are still good people. We need more reports of acts of kindness."

How to Fall in Love with Anyone Simon & Schuster

Drs. Lindsay and Lexie Kite know firsthand how hard filtering out media influence is when it comes to self-image. Both struggled as young women to overcome the expectations of body size and shape, but were able to learn to love, appreciate, and reclaim their own bodies, eventually earning their PhDs in body image resilience. The twin sisters founded the nonprofit

Beauty Redefined and have made it their mission to help other women see themselves without societal expectations distorting their self-perception. More than a Body is a self-help book focused on going beyond body positivity, showing how a mindset focused on appearance sets women up for insecurities and self-judgement. In this book, they offer an action plan for readers to combat that mindset, and instead learn how the body can be "an instrument, not an ornament," with practical, actionable steps to take when consuming media, exercising, practicing self-reflection and self-compassion, and finding a purpose in life.

Hidden somewhere, in nearly every major city in the world, is an underground seduction lair. And in these lairs, men trade the most devastatingly effective techniques ever invented to charm women. This is not fiction. These men really exist. They live together in houses known as Projects. And Neil Strauss, the bestselling author and journalist, spent two years living among them, using the pseudonym Style to protect his real-life identity. The result is one of the most explosive and controversial books of the last decade—guaranteed to change the lives of men and transform the way women understand the

opposite sex forever. On his journey from AFC (average frustrated chump) to PUA (pick-up artist) to PUG (pick-up guru), Strauss not only shares scores of original seduction techniques but also has unforgettable encounters with the likes of Tom Cruise, Britney Spears, Paris Hilton, Heidi Fleiss, and Courtney Love. And then things really start to get strange—and passions lead to betrayals lead to violence. The Game is the story of one man's transformation from frog to prince to prisoner in the most unforgettable book of this generation.

Pretty Good for a Girl Houghton Mifflin
The author of the groundbreaking work *Slut!* explores the

phenomenon of slut-shaming in the age of sexting, tweeting, and “liking.” She shows that the sexual double standard is more dangerous than ever before and offers wisdom and strategies for alleviating its destructive effects on young women’s lives. Young women are encouraged to express themselves sexually. Yet when they do, they are derided as “sluts.” Caught in a double bind of mixed sexual messages, young women are confused. To fulfill the contradictory roles of being sexy but not slutty, they create an “experienced” identity on social media—even if they are not sexually active—while ironically referring to themselves and their friends as “sluts.” But this

strategy can become a weapon used against young women in the hands of peers who circulate rumors and innuendo—elevating age-old slut-shaming to deadly levels, with suicide among bullied teenage girls becoming increasingly common. Now, Leora Tanenbaum revisits her influential work on sexual stereotyping to offer fresh insight into the digital and face-to-face worlds contemporary young women inhabit. She shares her new research, involving interviews with a wide range of teenage girls and young women from a variety of backgrounds as well as parents, educators, and academics. Tanenbaum analyzes the coping mechanisms young

women currently use and points them in a new direction to eradicate slut-shaming for good.

The Girl Who Changed My Life Harper Collins

"The rawness of Good for a Girl serves as a push to demand that the next crop of female athletes has it better." —The Washington Post
 "A must read—for anyone who loves running, for anyone who has a daughter, and for anyone who cares about creating a better future for young women." — One of the most decorated collegiate athletes of all time and a national champion as a pro, Lauren Fleshman has grown up in the world of running. But every step of the way, she has seen how our sports systems—originally

designed for men and boys—fail women and girls. Girls drop out of sports at alarming rates once they hit puberty, and female collegiate athletes routinely fall victim to injury, eating disorders, or mental health struggles as they try to force their way past a natural dip in performance for women of their age. Written with heart and verve, *Good for a Girl* is Fleshman's story of falling in love with running, being pushed to her limits and succumbing to injuries, and fighting for a better way for female athletes. Drawing on not only her own story but also emerging research on the physiology and psychology of young athletes of any gender, Fleshman gives voice

to the often-silent experience of the female athlete and argues that the time has come to rebuild competitive sports with women at their center.

Dating Sucks, But You Don't Simon and Schuster

The first book devoted entirely to women in bluegrass, *Pretty Good for a Girl* documents the lives of more than seventy women whose vibrant contributions to the development of bluegrass have been, for the most part, overlooked. Accessibly written and organized by decade, the book begins with Sally Ann Forrester, who played accordion and sang with Bill Monroe's Blue Grass Boys from 1943 to 1946, and continues into the present with artists such as Alison Krauss, Rhonda

Vincent, and the Dixie Chicks. Drawing from extensive interviews, well-known banjoist Murphy Hicks Henry gives voice to women performers and innovators throughout bluegrass's history, including such pioneers as Bessie Lee Mauldin, Wilma Lee Cooper, and Roni and Donna Stoneman; family bands including the Lewises, Whites, and McLains; and later pathbreaking performers such as the Buffalo Gals and other all-girl bands, Laurie Lewis, Lynn Morris, Missy Raines, and many others.

Love What Matters
Simon and Schuster
Judge Judy has heard enough. As a family court judge in New York City and now in her successful TV courtroom show, she has listened to thousands of excuses, complaints, and tales of woe from women of every background, and she's ready to rule. Women, she states with her trademark frankness, need to wise up, stop subjugating who they are, and stop making stupid decisions in the name of love. They hide their talents and opinions so they won't

offend. They tiptoe through life letting others take credit for their ideas because they would rather be liked than respected. They spend their lives trying to please everyone but themselves, and then they wonder why they feel so frustrated and unfulfilled. Beauty Fades, Dumb Is Forever presents Judge Judy's ten hard and

true lessons for happiness: Beauty fades, dumb is forever. Don't crawl when you can fly. What goes up must come down. Denial is a river in Egypt. Master the game--then play it. You're the trunk of the tree. You can't teach the bull to dance. Failure doesn't build character. Letting go is half the fun. You can be the hero of your own story.
