*Caddie Woodlawn*, which has been captivating young readers since 1935, was awarded the John Newbery Medal for the most distinguished contribution to American literature for children. Now it is in a brand-new edition with lively illustrations by Trina Schart Hyman. In her new foreword, Carol Ryrie Brink lovingly recalls the real Caddie, who was her grandmother, and tells how she often "sat spellbound, listening, listening!" as Caddie told stories of her pioneer childhood. Children everywhere will love redheaded Caddie with her penchant for pranks. Scarcely out of one scrape before she is into another, she refuses to be a "lady," preferring instead to run the woods with her brothers. Whether she is crossing the lake on a raft, visiting an Indian camp, or listening to the tales of the circuit rider, Caddie's adventures provide an exciting and authentic picture of life on the Wisconsin frontier in the 1860s. And readers will discover, as Caddie learns what growing up truly means, that it is not so very different today.

**Caddie Woodlawn** Bethlehem Books

An illustrated edition of the Newbery Medal-winning *Caddie Woodlawn*, which has been captivating young readers since 1935. Caddie Woodlawn is a real adventurer. She'd rather hunt than sew and plow than bake, and tries to beat her brother's dares every chance she gets. Caddie is friends with Indians, who scare most of the neighbors—neighbors who, like her mother and sisters, don't understand her at all. Caddie is brave, and her story is special because it's based on the life and memories of Carol Ryrie Brink's grandmother, the real Caddie Woodlawn. Her spirit and sense of fun have made this book a classic that readers have taken to their hearts for more than seventy years.

*Happy Little Family* Aladdin

The adventures of an eleven-year-old tomboy growing up on the Wisconsin frontier in the mid-nineteenth century.

*Gone-Away Lake* Scholastic Inc.

Chronicles the adventures of eleven-year-old Caddie growing up with her six brothers and sisters on the Wisconsin frontier in the mid-nineteenth century.

*Thaddeus of Warsaw* HarperCollins

Carol Ryrie Brink's Newbery Award-winning novel is brought to exuberant life as a musical. Caddie (the iconic, high-spirited Wisconsin pioneer girl beloved by generations of readers) leads her willing siblings in a series of thrilling adventures, not always with the approval of her traditional Bostonian mother. Her father, however, encourages her antics, that she might thrive amidst the new, tougher ways of the West. In a dramatic climax, Caddie single-handedly defuses a potentially deadly clash between the terrified settlers and the local Dakota tribe through a daring and dangerous act. But her action only deepens her conflict with her mother. Ultimately, Caddie learns invaluable lessons about reconciling the headstrong child she's been, and the responsible adult she is soon to be. Through it all, the sacredness of tradition--passed from one generation to the next--is powerfully dramatized.--From publisher description.

*Winter Cottage* Caddie Woodlawn

The Newbery Medal-winning childhood classic of life on a Florida farm—part of the Regional series from the author of the Mr. Small picture books. Birdie and her family are trying to build a farm in Florida. But it's not easy with the heat, droughts, and cold snaps—and neighbors that don't believe in fences. But Birdie won't give up on her dream of strawberries, and her family won't let those Slaters drive them from their home! This Newbery Medal-winning novel presents a realistic picture of life on the Florida frontier. This ebook features an illustrated biography of Lois Lenski including rare images and never-before-seen documents from the author's estate.

*A Guide for Using Caddie Woodlawn in the Classroom* Simon and Schuster

A play for children based on the author's Newbery Award winner, Caddie Woodlawn, that relates the experiences of her maternal grandmother growing up on the Wisconsin frontier during the 1860s.

*The Sign of the Beaver* Ye Galleon Press

A Wall Street Journal writer's conversation-changing look at how reading aloud makes adults and children smarter, happier, healthier, more successful and more closely attached, even as technology pulls in the other direction. A miraculous alchemy occurs when one person reads to another, transforming the simple stuff of a book, a voice, and a bit of time into complex and powerful fuel for the heart, brain, and imagination. Grounded in the latest neuroscience and behavioral research, and drawing

widely from literature, *The Enchanted Hour* explains the dazzling cognitive and social-emotional benefits that await children, whatever their class, nationality or family background. But it's not just about bedtime stories for little kids: Reading aloud consoles, uplifts and invigorates at every age, deepening the intellectual lives and emotional well-being of teenagers and adults, too. Meghan Cox Gurdon argues that this ancient practice is a fast-working antidote to the fractured attention spans, atomized families and unfulfilling ephemera of the tech era, helping to replenish what our devices are leaching away. For everyone, reading aloud engages the mind in complex narratives; for children, it's an irreplaceable gift that builds vocabulary, fosters imagination, and kindles a lifelong appreciation of language, stories and pictures. Bringing together the latest scientific research, practical tips, and reading recommendations, *The Enchanted Hour* will both charm and galvanize, inspiring readers to share this invaluable, life-altering tradition with the people they love most.

*Caddie Woodlawn* Open Road Media

When a ferocious storm hits their ship, young Mary and Jean become stranded on a deserted island. They're not the only survivors; with them are four babies. Immediately the sisters set out to make the island a home for themselves and the little ones. A classic tale of courage and dedication from a Newbery Medalist author.

*Caddie Woodlawn* Simon and Schuster

The story of a little Idaho town named Opportunity.

**Shen of the Sea** Teacher Created Resources

Stories about Caddie Woodlawn and her family and neighbors in Wisconsin in the years 1863 to 1866. The first book of "Caddie Woodlawn" covered one year, 1864-1865.

*A Frontier Story* Houghton Mifflin Harcourt

This enchanting Newbery Honor Book is a "magical find" (School Library Journal). Half moorfolk and half human, and unable to shape-shift or disappear at will, Moqi threatens the safety of the Band. So the Folk banish her and send her to live among humans as a changeling. Named Saaski by the couple for whose real baby she was swapped, she grows up taunted and feared by the villagers for being different, and is comfortable only on the moor, playing strange music on her bagpipes. As Saaski grows up, memories from her forgotten past with the Folks slowly emerge. But so do emotions from her human side, and she begins to realize the terrible wrong the Folk have done to the humans she calls Da and Mumma. She is determined to restore their child to them, even if it means a dangerous return to the world that has already rejected her once.

At the time of her death in 1981, Carol Brink retained one remaining unpublished manuscript--the one that people in Idaho had been waiting for years to see. In *A Chain of Hands*, this accomplished author detailed many of the hands that had touched hers. Brink, too, revealed in non-fiction form many of the people, places, and events that played prominent roles in her fictional books for adults and children.
