Learning French with parallel text is the most rewarding and effective method to learn a language. Existing vocabulary is refreshed, while new vocabulary is instantly put into practice. The French grammar easily sinks in through our cleverly written and well formatted stories. Recommended for beginners-, intermediate level learners of French and as a refreshers course. It is so easy and enjoyable even absolute beginners with no prior knowledge can start learning. While we feel anyone at any level can work with these stories, a basic understanding of French would be recommended to achieve the maximum learning effect and pleasure. Our entertaining stories contain European culture and characters. Our stories are fun to read so you maintain concentration and learn from motivation.

Four-Dimensional Model Assimilation of Data T&p Books

Presents a textbook for learning how to write and speak in the Eastern dialect of the Armenian language.

Englisch ohne Mühe heute National Academies Press

Aims to take users from scratch to having a solid base in the language within six months, and to feel comfortable in as little as three months. In only half an hour a day users will move ahead naturally until they are at ease with all the basic structures needed for communication and become familiar with the basic words and grammar. The method comprises two phases: the passive phase, in which users simply repeat what they hear and read, and the active phase, in which users begin to create sentences and imagine themselves in a variety of everyday situations.

Celebrated artist Francisco de Goya confronts demons real and imagined in this vivid portrayal of the end of his life. Francisco de Goya is considered one of the most important Spanish painters of the late eighteenth and early nineteenth centuries, last of the Greats and first of the modernists. But his sumptuous images stemmed from a mind in torment, especially later in his life. Goya: The Terrible Sublime is a graphic novel inspired by Goya's life, in particular focusing on his final years, as he struggles with assorted physical ailments that threaten to take his mind, as well. Recovering from a serious illness in Cadiz, Spain, which has left him deaf, Goya suffers from terrible headaches, high fevers, and hallucinations, beset by visions of death that will become all too real with the advent of the Spanish War of Independence. Still, the monsters in his delusions are not real—but his friend Asensio Julia is, and he belongs to another world. From the mind of the terror master El Torres and the art of Fran Galán comes a terrifying story that brings readers into the artist's world of madness and dark paintings, a historical miasma populated by recognizable figures like Manuel Godoy and the Duchess of Alba and swathed in an aesthetic of cobweb-shrouded palaces and beautiful grotesques living in the shadows. This unique graphic novel tells a horror story, melding the artist's unique style and vision with the story of a man plagued by unreality. Yet even as the artist faces dreadful images of witchcraft and pure evil, he knows that he must not fall into what lurks beyond the dream of reason.

[Overcoming School Refusal](#) MIT Press

Tips on how to study Norwegian and the rudiments of pronunciation provide learners with the basic tools for self-instruction. Each of the 13 lessons is designed with the novice language learner in mind, and moves from day-to-day dialogue to a comprehensive breakdown of the grammatical elements contained in the previous dialogue. Important cultural notes give a context to the user, while exercises reinforce newly acquired concepts and terminology at the end of each chapter. The appendix contains a full glossary, commonly heard Norwegian expressions, and a key to the exercises. Includes 2 companion CDs.

Français en Pratique Simon and Schuster

School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. Overcoming School Refusal helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

[Japanese with Ease](#) Routledge

This volume explores and evaluates the development, multiple applications, and usefulness of four-dimensional (space and time) model assimilations

of data in the atmospheric and oceanographic sciences and projects their applicability to the earth sciences as a whole. Using the predictive power of geophysical laws incorporated in the general circulation model to produce a background field for comparison with incoming raw observations, the model assimilation process synthesizes diverse, temporarily inconsistent, and spatially incomplete observations from worldwide land, sea, and space data acquisition systems into a coherent representation of an evolving earth system. The book concludes that this subdiscipline is fundamental to the geophysical sciences and presents a basic strategy to extend the application of this subdiscipline to the earth sciences as a whole.

This book aims to take users from scratch to having a solid base in German within six months, and to feel comfortable with the language in as little as three months. In only half an hour a day users will move ahead naturally until they are at ease with all the basic structures needed for communication and become familiar with the basic words and grammar of German. The method comprises two phases: the passive phase, in which users simply repeat what they hear and read, and the active phase, in which users begin to create sentences and imagine themselves in a variety of everyday situations.

Algerian Arabic Assimil France

"Babel is an endlessly interesting book, and you don't have to have any linguistic training to enjoy it . . . it's just so much fun to read." —NPR English is the world language, except that 80 percent of the world doesn't speak it. Linguist Gaston Dorren calculates that to speak fluently with half of the world's people in their mother tongues, you'd need to know no fewer than twenty languages. In Babel, he sets out to explore these top twenty world languages, which range from the familiar (French, Spanish) to the surprising (Malay, Javanese, Bengali). Whisking readers along on a delightful journey, he traces how these languages rose to greatness while others fell away, and shows how speakers today handle the foibles of their mother tongues. Whether showcasing tongue-tying phonetics, elegant but complicated writing scripts, or mind-bending quirks of grammar, Babel vividly illustrates that mother tongues are like nations: each has its own customs and beliefs that seem as self-evident to those born into it as they are surprising to outsiders. Babel reveals why modern Turks can't read books that are a mere 75 years old, what it means in practice for Russian and English to be relatives, and how Japanese developed separate "dialects" for men and women. Dorren also shares his experiences studying Vietnamese in Hanoi, debunks ten myths about Chinese characters, and discovers the region where Swahili became the lingua franca. Witty and utterly fascinating, Babel will change how you look at and listen to the world. "Word nerds of every strain will enjoy this wildly entertaining linguistic study." —Publishers Weekly (starred review)

Ukrainian: A Comprehensive Grammar is a complete reference guide to modern Ukrainian grammar. The authors have consulted a great number of sources, in addition to a wide range of native speakers. The result is the first true reference grammar of Ukrainian to be published outside Ukraine, it will be the standard reference work for years to come. The volume is organized to enable students of the language to find the information they seek quickly and easily, and to promote a thorough understanding of Ukrainian grammar. It presents the complexities of the language in a systematic and user-friendly form. Features include * detailed tables in each chapter for easy reference * numerous examples throughout * thorough descriptions of all parts of speech * list of grammatical terms in English and Ukrainian * complete descriptions of the word-formational processes of Ukrainian * an overview of past and present changes in the language * bibliography of works relating to Ukrainian * full index.

How Language Comes to Children McGraw-Hill

ALGERIAN ARABIC: Easy Stories With English Translations is a fun yet challenging collection of simple, short stories aimed at both young and adult learners of the spoken language of Algeria. Designed with high-beginners to low-intermediate learners in mind, this book will improve your comprehension and build on your vocabulary as you progress through each carefully crafted mini story. Our collection of easy stories progresses in length and difficulty, mindfully written at the student's level, making it a perfect literary tool for solo learners, teachers and parents. Inside you'll find: 1. 12 mini stories that increase in length and difficulty as you progress. 2. Each story covers a particular theme and uses intentional vocabulary and expressions related to that theme. 3. Comprehension exercises (in Arabic) designed to test your understanding of the text. 4. Vocabulary lists of all key terms used in each story. Importantly, these stories have been written purposefully in the spoken vernacular of Algeria. No standard or formal dialect. You'll read as you hear people speak naturally in Algeria.
