DEMARCUS ROWAN

The First Fragment Modern Library
 Now as sumptuously packaged as they are critically acclaimed—new deluxe trade paperback editions of the beloved stories. Husain Haddawy's rapturously received translation of *The Arabian Nights* is based on a landmark reconstruction of the earliest extant manuscript version. Readers of this classic will also want to own *Sindbad*, a collection of four later stories associated with the Arabian Nights tradition, including "Sindbad the Sailor" and "Aladdin and the Magic Lamp."
The Decameron (□□□) W. W. Norton & Company
 The Arab world's greatest folk stories re-imagined by the acclaimed Lebanese novelist Hanan al-Shaykh, published to coincide with the world tour of a magnificent musical and theatrical production directed by Tim Supple
The Annotated Mrs. Dalloway Mit Press
 This work comprises a literary comparison of surviving alternative versions of selected narrative-cycles from the "Nights." Pinault

draws on the published Arabic editions - especially Bulaq, MacNaghten, and the fourteenth-century Galland text recently edited by Mahdi - as well as unpublished Arabic manuscripts from libraries in France and North Africa. The study demonstrates that significantly different versions have survived of some of the most famous tales from the "Nights." Pinault notes how individual manuscript redactors employed - and sometimes modified - formulaic phrases and traditional narrative topoi in ways consonant with the themes emphasized in particular versions of a tale. He also examines the redactors' modification of earlier sources - Arabic chronicles and Islamic religious treatises, geographers' accounts and medieval legends - for specific narrative goals. Comparison of the narrative structure of diverse story-collection also sheds new light on the relationship of the embedded subordinate-narrative to the overarching frame-tale. All cited passages from the "Nights" and other Arabic story-collections have been fully translated into English.

The Arabian Nights W. W. Norton & Company
 A Buzzfeed Best Book of the Year A dynamic French-Syrian translator, lauded for her lively poetic voice, tackles the

enchanted world of Aladdin in this sparkling new translation. Long defined by popular film adaptations that have reductively portrayed Aladdin as a simplistic rags-to-riches story for children, this work of dazzling imagination—and occasionally dark themes—finally comes to vibrant new life. “In the capital of one of China’s vast and wealthy kingdoms,” begins Shahrazad—the tale’s imperiled-yet-ingenious storyteller—there lived Aladdin, a rebellious fifteen-year-old who falls prey to a double-crossing sorcerer and is ultimately saved by the ruse of a princess. One of the best-loved folktales of all time, Aladdin has been capturing the imagination of readers, illustrators, and filmmakers since an eighteenth-century French publication first added the tale to *The Arabian Nights*. Yet, modern English translators have elided the story’s enchanting whimsy and mesmerizing rhythms. Now, translator Yasmine Seale and literary scholar Paulo Lemos Horta offer an elegant, eminently readable rendition of Aladdin in what is destined to be a classic for decades to come.

The Arabian Nights W. W. Norton & Company

The essays in this volume scrutinize the expanse of sources for *The Arabian Nights* or *The Thousand and One Nights* in all of their static and dynamic complexity. They follow the trajectory of the *Nights*’ texts, the creative, scholarly commentaries, artistic encounters and relations to science.

No Country for Old Men Penguin Books India

No library’s complete without the classics! This edition collects the beloved tales of *Arabian Nights*, translated by Sir Richard Burton. They are ancient stories, but they still enchant our imaginations today. Ali Baba and the Forty Thieves. Sinbad the Sailor. Aladdin. These and the other Middle Eastern stories collected in *Arabian Nights* are delightful, fascinating, and fun for fans and first-time readers alike. A scholarly introduction provides new information and context for these well-known stories.

Arabian Nights is a compelling look at a long-gone culture—and the perfect addition to any home library.

Story-Telling Techniques in the Arabian Nights BRILL

This blistering novel—from the bestselling, Pulitzer Prize-winning author of *The Road*—returns to the Texas-Mexico border, setting of the famed *Border Trilogy*. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning’s headlines. *No Country for Old Men* is a triumph.

Global Commodification, Translation, and the Culture Industry W W Norton & Company Incorporated

Here is a special abridged English translation of a major Indo-Persian epic: a panoramic tale of magic and passion, a classic hero’s odyssey that has captivated much of the world. It is the spellbinding story of Amir Hamza, the adventurer who in the service of the Persian emperor defeats many enemies, loves many women, and converts hundreds of infidels to the True Faith before finding his way back to his first love. In Musharraf Ali Farooqi’s remarkable abridged rendition, this masterwork is captured with all its colorful action and fantastic elements intact. Appreciated as the seminal Islamic epic or enjoyed as a sweeping tale as rich and inventive as Homer’s epic sagas, *The Adventures of Amir Hamza* is a true literary treasure.

The Adventures of Amir Hamza Liveright Publishing

Marie de France’s beautiful poems of courtly love, enchantment, and mystery are now available in a Norton Critical Edition. Marie de France was a medieval poet who was probably born in France and who lived in England during the twelfth century. Prominent among the earliest poets writing in the French vernacular, Marie de France helped shape the style and genres of later medieval poetry. This Norton Critical Edition includes all of Marie’s *lais* (short narrative verse poems); selected fables; and a generous excerpt from Saint Patrick’s *Purgatory*, a long poem based on a well-known medieval legend. Each text is accompanied by detailed explanatory annotations. For comparative reading, two *lais*, “*Bisclavret*” and “*Yöneç*,” are accompanied by Marie’s facing-page originals. “*Backgrounds and Contexts*” is thematically organized to provide readers with a clear sense of Marie’s inspirations. Topics include “*The Supernatural*,” “*Love and Romance*,” “*Medical Traditions*,” “*Fable Sources and Analogues: Similar Themes*,” and “*Purgatory and the Afterlife*.” Ovid, Chaucer, Andreas Capellanus, Boccaccio, Aristotle, and Bede are among the authors included. From the wealth of scholarly work published on Marie de France, Dorothy Gilbert has chosen excerpts from nine pieces that address issues of history and authorship as well as major themes in the *lais*, fables, and Saint Patrick’s *Purgatory*. The contributors are Thomas Warton, Abbé Gervais de la Rue, Joseph Bedier, Leo Spitzer, R. Howard Bloch, E. A. Francis, Jill Mann, and Jacques Le Goff. A selected bibliography is also included.

The Norton Anthology of Theory and Criticism Tin House Books

The pirate is the original enemy of humankind. As Cicero famously remarked, there are certain enemies with whom one may negotiate and with whom, circumstances permitting, one may establish a truce. But there is also an enemy with whom treaties are in vain and war remains incessant. This is the pirate, considered by ancient jurists considered to be “the enemy of all.” In this book, Daniel Heller-Roazen reconstructs the shifting place of the pirate in legal and political thought from the ancient to the medieval, modern, and contemporary periods presenting the philosophical genealogy of a remarkable antagonist. Today, Heller-Roazen argues, the pirate furnishes the key to the contemporary paradigm of the universal foe. This is a legal and political person of exception, neither criminal nor enemy, who inhabits an extra-territorial region. Against such a foe, states may wage extraordinary battles, policing politics and justifying military measures in the name of welfare and security. Heller-Roazen defines the piracy in the conjunction of four conditions: a region beyond territorial jurisdiction; agents who may not be identified with an established state; the collapse of the distinction between criminal and political categories; and the transformation of the concept of war. The paradigm of piracy remains in force today. Whenever we hear of regions outside the rule of law in which acts of “indiscriminate aggression” have been committed “against humanity,” we must begin to recognize that these are acts of piracy. Often considered part of the distant past, the enemy of all is closer to us today than we may think. Indeed, he may never have been closer.

Piracy and the Law of Nations Bloomsbury Publishing

The Decameron, written by legendary author Giovanni Boccaccio is widely considered to be one of the greatest books of all time. This great classic will surely attract a whole new generation of readers. For many, *The Decameron* is required reading for various courses and curriculums. And for others who simply enjoy reading timeless pieces of classic literature, this gem by Giovanni Boccaccio is highly recommended. Published by Classic Books International and beautifully produced, *The Decameron* would make an ideal gift and it should be a part of everyone’s personal

library.

Arabian Nights' Entertainments ... Liveright Publishing

"I have used this textbook for four courses on children's literature with enrollments of over ninety students. It is without doubt the most well organized selection of literary fairy tales and critical commentaries currently available. Students love it." —Lita Barrie, California State University, Los Angeles This Norton Critical Edition includes: · Seven different tale types: "Little Red Riding Hood," "Beauty and the Beast," "Snow White," "Sleeping Beauty," "Cinderella," "Bluebeard," and "Tricksters." These groupings include multicultural versions, literary rescriptings, and introductions and annotations by Maria Tatar. · Tales by Hans Christian Andersen and Oscar Wilde. · More than fifteen critical essays exploring the various aspects of fairy tales. New to the Second Edition are interpretations by Ernst Bloch, Walter Benjamin, Max Lüthi, Lewis Hyde, Jessica Tiffin, and Hans-Jörg Uther. · A revised and updated Selected Bibliography.

When Dreams Travel Penguin Group

A generous and erudite book...We're in the company of someone who loves The Arabian Nights, and who has generously shared that love with us through this companion.' - Michele Roberts, Independent on Sunday 'Superlative...just the sort of relaxed, informative book that Edmund Wilson might have written had he grown interested in the Middle East and its early literature.' - Michael Dirda, Washington Post 'Irwin organizes his material like a good storyteller...he gives us the crystallized sum of The Nights: anecdote, history, moral fable, aphorism, story after story, wonder upon wonder. This monumental, infinitely faceted gem should be every writer's bedtime sampler.' - Michael Moorcock, New Statesman & Society 'A work both learned and witty...Robert Irwin has wonderfully deepened the pleasures and the interest in reading The Arabian Nights as a supreme work of imaginative fiction.' - Marina Warner, TLS

The Great Fairy Tale Tradition The Arabian Nights

Here there be dragons--this notation was often made on ancient maps to indicate the edges of the known world and what lay beyond. Heroes who ventured there were only as great as the beasts they encountered. This encyclopedia contains more than 2,200 monsters of myth and folklore, who both made life difficult for humans and fought by their side. Entries describe the appearance, behavior, and cultural origin of mythic creatures well-known and obscure, collected from traditions around the world.

The Thousand and One Nights: Sources and Transformations in Literature, Art, and Science Cambridge University Press

Throughout my childhood, my grandmother Yasmina, who was illiterate and grew up in a harem, repeated that to travel is the best way to learn and to empower yourself. "When a woman decides to use her wings, she takes big risks," she would tell me, but she was convinced that if you didn't use them, it hurt.... So recalls Fatema Mernissi at the outset of her mesmerizing new book. Of all the lessons she learned from her grandmother -- whose home was, after all, a type of prison -- the most central was that the opportunity to cross boundaries was a sacred privilege. Indeed, in journeys both physical and mental, Mernissi has spent virtually all of her life traveling -- determined to "use her wings" and to renounce her gender's alleged legacy of powerlessness. Bursting with the vitality of Mernissi's personality and of her rich heritage, *Scheherazade Goes West* reveals the author's unique experiences as a liberated, independent Moroccan woman faced with the peculiarities and unexpected encroachments of Western culture. Her often surprising discoveries about the conditions of and attitudes toward women around the world -- and the exquisitely embroidered amalgam of clear-eyed autobiography and dazzling meta-fiction by which she

relates those assorted discoveries -- add up to a deliciously wry, engagingly cosmopolitan, and deeply penetrating narrative. In her previous bestselling works, Mernissi -- widely recognized as the world's greatest living Koranic scholar and Islamic sociologist -- has shed unprecedented light on the lives of women in the Middle East. Now, as a writer and scholarly veteran of the high-wire act of straddling disparate societies, she trains her eyes on the female culture of the West. For her book's inspired central metaphor, Mernissi turns to the ancient Islamic tradition of oral storytelling, illuminating her grandmother's feminized, subversive, and highly erotic take on Scheherazade's wife-preserving tales from *The Arabian Nights* -- and then ingeniously applying them to her own lyrically embellished personal narrative. Interwoven with vivid ruminations on her childhood, her education, and her various international travels are the author's piquant musings on a range of deeply embedded societal conditions that add up, Mernissi argues, to a veritable "Western harem." A provocative and lively challenge to the common assumption that women have it so much better in the West than anywhere else in the world, Mernissi's book is an entrancing and timely look at the way we live here and now. By inspiring us to reconsider even the most commonplace aspects of our culture with fresh eyes and a healthy dose of suspicion, *Scheherazade Goes West* offers an invigorating, candid, and entertaining new perspective on the themes and ideas to which Betty Friedan first turned us on nearly forty years ago.

The Dreams of Scheherazade W.W. Norton & Company

Considered in its full poetic and philosophical dimensions, the *Romance of the Rose* thus acquires an altogether new significance in the history of literature: it appears as a work that incessantly explores its own capacity to be other than it is.

The Roman de la Rose and the Poetics of Contingency McFarland

The most complete of all remaining surviving fragments sections of *The Canterbury Tales*, the First Fragment contains some of Chaucer's most widely enjoyed work. In *The General Prologue*, Chaucer introduces his pilgrims through a set of speaking portraits, drawn with a clarity that makes no attempt to conceal their peculiarities. The four tales that follow - those of the Knight, Miller, Reeve and Cook - reveal a wide variety of human preoccupations: whether chivalrous, romantic or simply sexual. Brilliantly bawdy and subtly complex, each of these tales is alive with Chaucer's skills as a poet, storyteller and creator of comedy. Winesburg, Ohio (A Group of Tales of Ohio Small-Town Life) Zone Books (NY)

The Arabian Nights W W Norton & Company Incorporated

On the Forgetting of Language W. W. Norton & Company

The stories in the *Thousand and One Nights*, or the *Arabian Nights*, are familiar to many of us: from the tales of Aladdin, Sinbad the Sailor, Ali Baba and his forty thieves, to the framing story of Scheherazade telling these stories to her homicidal husband, Shahrayar. This book offers a rich and wide-ranging analysis of the power of this collection of tales that penetrates so many cultures and appeals to such a variety of predilections and tastes. It also explores areas that were left untouched, like the decolonization of the *Arabian Nights*, and its archaeologies. Unique in its excavation into inroads of perception and reception, Muhsin J. al-Musawi's book unearths means of connection with common publics and learned societies. Al-Musawi shows, as never before, how the *Arabian Nights* has been translated, appropriated, and authenticated or abused over time, and how its reach is so expansive as to draw the attention of poets, painters, illustrators, translators, editors, musicians, political scientists like Leo Strauss, and novelists like Michel Butor, James Joyce and Marcel Proust amongst others. Making use of documentaries, films, paintings, novels and novellas, poetry, digital forums and

political jargon, this book offers nuanced understanding of the perennial charm and power of this collection.

Sindbad: And Other Stories from the Arabian Nights (New Deluxe Edition) OUP Oxford

A magnificent and richly illustrated volume with a groundbreaking translation framed by new commentary and hundreds of images—of the most famous story collection of all time. A cornerstone of world literature and a monument to the power of storytelling, the Arabian Nights has inspired countless authors, from Charles Dickens and Edgar Allan Poe to Naguib Mahfouz, Clarice Lispector, and Angela Carter. Now, in this lavishly designed and illustrated edition of *The Annotated Arabian Nights*, the acclaimed literary historian Paulo Lemos Horta and the brilliant poet and translator Yasmine Seale present a splendid new selection of tales from the Nights, featuring treasured original stories as well as later additions including “Aladdin and the Wonderful Lamp” and “Ali Baba and the Forty Thieves,” and definitively bringing the Nights out of Victorian antiquarianism and into the twenty-first century. For centuries, readers have been haunted by the homicidal King Shahriyar, thrilled by gripping tales of Sinbad’s seafaring adventures, and held utterly, exquisitely captive by Shahrazad’s stories of passionate romances and otherworldly escapades. Yet for too long, the English-speaking world has relied on dated translations by Richard Burton, Edward Lane, and other nineteenth-century adventurers. Seale’s distinctly contemporary and lyrical translations break decisively with this masculine dynasty, finally stripping away the deliberate exoticism of Orientalist renderings while reclaiming the vitality and delight of the stories, as she

works with equal skill in both Arabic and French. Included within are famous tales, from “The Story of Sinbad the Sailor” to “The Story of the Fisherman and the Jinni,” as well as lesser-known stories such as “The Story of Dalila the Crafty,” in which the cunning heroine takes readers into the everyday life of merchants and shopkeepers in a crowded metropolis, and “The Story of the Merchant and the Jinni,” an example of a ransom frame tale in which stories are exchanged to save a life. Grounded in the latest scholarship, *The Annotated Arabian Nights* also incorporates the Hanna Diyab stories, for centuries seen as French forgeries but now acknowledged, largely as a result of Horta’s pathbreaking research, as being firmly rooted in the Arabic narrative tradition. Horta not only takes us into the astonishing twists and turns of the stories’ evolution. He also offers comprehensive notes on just about everything readers need to know to appreciate the tales in context, and guides us through the origins of ghouls, jinn, and other supernatural elements that have always drawn in and delighted readers. Beautifully illustrated throughout with art from Europe and the Arab and Persian world, the latter often ignored in English-language editions, *The Annotated Arabian Nights* expands the visual dimensions of the stories, revealing how the Nights have always been—and still are—in dialogue with fine artists. With a poignant autobiographical foreword from best-selling novelist Omar El Akkad and an illuminating afterword on the Middle Eastern roots of Hanna Diyab’s tales from noted scholar Robert Irwin, Horta and Seale have created a stunning edition of the Arabian Nights that will enchant and inform both devoted and novice readers alike.
