expression, by eliminating the excessive use of such words as 'and', 'but', 'for', 'nor', 'or', 'so', 'yet', etc. - Choosing Transitional Expression -- Some transitional words and transitional phrases belong to more than one category. A transitional expression can change the whole meaning of a sentence. Therefore, you should choose the transition that best conveys your meaning. You should also avoid repetition and use different transition words or phrases in the same category if necessary. - Placing transitional words: There are three options for placing transitional words: The beginning of a sentence [Most common], The middle of a sentence, The end of a sentence [Least Common]; Example: Their products come with an insurance pack that covers accidental damage, theft, and breakage for a year. Furthermore, customers can also avail for an additional year of warranty. [Use of transitional word 'furthermore' at the beginning of a sentence] - Their products come with an insurance pack that covers accidental damage, theft, and breakage for a year. Customers, furthermore, can also avail for an additional year of warranty. [Use of transitional word 'furthermore' in the middle of a sentence] - Their products come with an insurance pack that covers accidental damage, theft, and breakage for a year. Customers can also avail for an additional year of warranty, furthermore. [Use of transitional word 'furthermore' in the end of a sentence]

English Grammar: Being a Complete View of the Words and Sentences of the English Language Waxmann Verlag

~ Welcome to English Sentence Structure ~ This short 40 page booklet briefly describes the hierarchical assembly of English, starting with the alphabet and ending with sentences. Special focus is given to understanding 'modules,' which are groups of words that work together. Diagrams are presented to visually illustrate how sentences are constructed from words and modules. After reading this book you should understand the basics of English sentence construction and how thinking in modules makes English easier.

Base-1 method: A structural-functional approach to word, sentence and discourse readability T&P Books Publishing Limited

This is the second book for J C Sum's "Unwritten: A Hands-off Book Test that Transcends Words." "Unwritten" is a professionally designed and produced book that allows you to bring the traditional book test beyond just words by incorporating visual drawings as the focus of the thoughts and revelations. It is perfect for performers looking to present a visual book test routine. The 260-page 5.5" x 8.5" book is in the form of an English language guide for travelers which gives motivation for the book content, layout and format. From a presentation point of view, the English language guide for travelers also allows for a variety of interesting introductory pattern presentations. The nature of the book makes it perfect for shows for corporate events, travel fairs, tourist attractions, cruise ships, schools & libraries. The full "Unwritten" routine consists of two different basic effects. Effect 1 - Any Word Drawing A spectator opens the book to any page and chooses a word describing something that she can visualize in her mind. Without asking for the page number or any specifics of the word (such as the length of the word or the letters it contains), the performer correctly draws out the image that the spectator is visualizing. Effect 2 - Imagined Drawing Prediction A spectator opens the book to any page and mentally selects a word from the last line of a chosen paragraph. She makes a simple drawing that represents the word and then uses her imagination to add to the sketch to make it into a larger picture. A sealed envelope that has been in full view from the start of the show is opened to reveal a prediction drawing that correctly matches the spectator's imagined drawing! Note: Instead of a prediction, you can perform the effect as a drawing duplication. Both effects can be performed individually or together to form a complete routine. The routine can be performed in casual settings or close-up, parlour and large-scale stage shows. "Unwritten" includes the following features: - Can be Performed Completely Hands Free - The Book Can be Freely Examined During Performance - No Pumping for Page Numbers, Length of Word or Specific Letters - No Peeks - No Switches - No Pre-Show Work - No Sleight of Hand - No Memory Work or Cribbs - No Assistants - Large Fonts Make the Text Easy to Read - Can Be Performed Stand-Alone or with Other Book Tests

Hands-on, theory-neutral and non-technical, this textbook is a basic introduction to the structure of English words and sentences. Assuming no prior knowledge of linguistic analysis, it presents the facts in a straightforward manner and offers a step-by-step guide from small to large building blocks of language. Every chapter contains numerous exercises and discussion questions, which provide essential self-study material, as well as in-chapter tasks which lead students to a more comprehensive understanding of linguistic issues. The book also features concise chapter summaries, suggestions for further reading, an inclusive glossary and two consolidation chapters which encourage students to secure their understanding of the English language. The dedicated

companion website includes further exercises, answers and solutions to the exercises, as well as useful links.

[English Words and Sentences](#) English Words and SentencesAn Introduction

This Book Covers The Following Topics: How to Start a Sentence Using 'AS' Using 'AFTER' and 'BEFORE' Using 'AT' Using 'BY' Using 'FOR/FROM' Using 'IF' Using 'OF/ON/OUT' Using 'TO' Using 'IN' Using 'WITH' Using 'WH-WORDS' 'Asking Questions' Using 'VERB WORD' Using 'ING' FORM of VERBS Using 'PAST PARTICIPLES' Using '-LY Words' Using 'PRONOUNS' Transitional Expressions Miscellaneous Exercises: 1(A) and 1(B) Exercises: 2(A) and 2(B) Sample This: There are different ways to start a sentence in English. Using pronouns (I, we, you, they, he, she, it) is the most popular way to begin a sentence. But there are many other words that are widely used to start a sentence. They might be question words (what, where, etc.). They might be words formed from verbs, ending in -ing, -ed, -en, etc. Besides, words such as 'to', 'in', 'with', 'if', 'after' are also used to begin a sentence. Here, you will learn various words and phrases to start a sentence with. Important Note: Starting a sentence with 'and' or 'but' is correct or not! Using 'And' or 'But' to begin a sentence is generally considered grammatically incorrect. But there is no hard and fast rule in this regard. So, you can use 'And' or 'But' to begin a sentence. But avoid excessive use of these words to begin a sentence. Use these words at the beginning of a sentence only when they really give strength to your language. Note: It is said that a sentence should not be begun with a conjunction of any kind, especially one of the FANBOYS (for, and, nor, but, or, yet, so). But this is not a hard and fast rule. Particularly in spoken English, starting a sentence with 'And' or 'But' is common. 01. AS (used in place of 'when'; while something else is happening) As a person ages, his body weakens physically. As another year draws to a close, our attention turns to a new year. As news of PM's hospitalization spread, fans and admirers began lining up outside the hospital. As the summer season approaches, I look forward to eating ice-creams. As the day progressed, over a hundred protestors gathered at the office. As the situation in the town worsened, jittery people rushed back to their homes. As the train pulled into the station, passengers rushed towards it. As the war widened, they had to leave the city. As we grow older, we are more in control of our lives. As we progress, it is going to become more and more difficult. 02. AS (used in place of 'because') As a policeman myself, I am aware of all the laws. As he got busy, his wife picked up the son. As sanitary workers are absent on most of the days, sweeping of roads is also irregular resulting in the trash along the road. As the electric cables are hanging loosely, it may anytime lead to a major accident if any passer-by comes into contact. As the night temperature rose owing to the cloudy sky, there was some respite from cold conditions. 03. AS (used in place of 'like') As a great poet, he played with words. As in the past, the party president distanced herself from the government's unpopular decision. 04. AS (used to introduce two events happening at the same time) As the bus was nearing, he moved aside. As the forces were conducting searches, the militants fired upon them, triggering an encounter. As the mercury levels are dropping each day, difficulties for the poor are constantly rising. 05. AS (used to add information) As you know, I have sent him a letter. 06. AS (used to show 'in the way') As an interim arrangement, he directed the authorities not to return the land. As part of the deal, they will hand over control of five towns. As penance, he vowed to never scold any kid ever again. POPULAR IDIOMS AND PHRASES WITH "AS": AS AGAINST SOMETHING (meaning: in comparison or contrast with something) -- As against last time four days, the fair will last for five days this year. As against the estimated revenues of dollar 400 million for April, only dollar 100 million had been received during the month. AS AND WHEN (meaning: at the time when (used to refer to an uncertain future event)) -- As and when I get a chance to settle into my retired life, I will think about things to do. AS EARLY AS (meaning: done before the expected, usual or planned time) -- As early as 5 a.m. on Sunday, she was surprised to see the milkman. AS FAR AS (meaning: facts or an opinion about a particular aspect of something) -- As far as we can know right now, we are sticking to everything as planned. AS FOR SOMEBODY/SOMETHING (meaning: with regard to; used to start talking about somebody/something) As for children between the age of 6 and 12 years, a fee of dollar 1 needs to be paid to enter the zoo. As for David, he is doing fine. As for the difficulty in searching for honest people, it is not such a big task.

King is an ESL specialist who has taught English as a second language for over 30 years around the world.

Speak English Sentences Everyday Bacal & Associates

This grammar provides a synchronic grammatical description of Mauwake, a Papuan Trans-New Guinea (TNG) language of about 2000 speakers on the north coast of the Madang Province in Papua New Guinea. It is the first book-length treatment of the Mauwake language and the only published grammar of the Kumil subgroup to date. Relying on other existing published and unpublished grammars, the author shows how the language is similar to, or different from, related TNG languages especially in the Madang province. The grammar gives a brief introduction to the Mauwake people, their environment and their culture. Although the book mainly covers morphology and syntax, it also includes a short treatment of the phonological system and the orthography. The description of the grammatical units proceeds from the words/morphology to the phrases, clauses, sentence types and clause combinations. The chapter on functional domains is the only one where the organization is based on meaning/function rather than structure. The longest chapter in the book is on morphology, with verbs taking the central stage. The final chapter deals with the pragmatic functions theme, topic and focus. 13 texts by native speakers, mostly recorded and transcribed but some originally written, are included in the Appendix with morpheme-by-morpheme glosses and a free translation. The theoretical approach used is that of Basic Linguistic Theory. Language typologists and professional Papuanist linguists are naturally one target audience for the grammar. But also two other possible, and important, audiences influenced especially the style the writing: well educated Mauwake speakers interested in their language, and those other Papua New Guineans who have some basic training in linguistics and are keen to explore their own languages.

Text readability is at the core of successful reading instruction and language learning. To counteract the challenges of complex reading content, text leveling is a vital necessity for readers with limited language access. A transdisciplinary analysis of reading development and linguistic interrelations builds the theoretical foundation of the base-1 method. This method focuses solely on structural and functional text elements on the word, sentence and cohesion level. But this book also discusses the significance of other prevalent readability factors, such as the reader's language knowledge or socio-cultural background. The base-1 method is designed to level early reading texts in German and other alphabetic languages. Experimental tests with a German immersion population has led to a preliminary calibration to demonstrate the validity of this approach. Bernd Nuss ist erfahrener Immersionslehrer in verschiedenen Programmen, die sich über Nord-, Zentral- und Südamerika erstrecken. An der E. E. Waddell Language Academy wirkt er schülern als Immersion Facilitator, kooperiert mit Bildungsorganisationen und betreut die Praktika von Gaststudierenden an der Schule. Bernd Nuss has worked as an educator and facilitator in English and German language immersion programs all over the Americas and in Europe. In this capacity, he has also been collaborating as a researcher with universities and other educational institutions in Europe, Asia, and the USA.

This book is designed to enhance written and spoken English of readers. Besides, the book will be of immense help to almost everyone engaged in the pursuit of knowledge-- schoolchildren, college students, parents, teachers and professionals. The 2,000 phrases and sentences in this book highlight the rich tapestry of expressions in the English language. Many words and phrases have intriguing meanings that may not be apparent or register at first glance. Some words have contrasting meanings in different situations. Yet others are just the opposite of what the word or sentence seems to suggest! The book is categorised into 12 segments that classify sentences into various types. This facilitates the reader's search for the correct sentence in specific scenarios and the book can be used as a reference guide to find the right sentence, much like a dictionary is used for words.

Reading improves vocabulary and language skills. Children learn basic sight words as they read. Subconsciously, they absorb information on how to structure sentences and how to use words and other language features effectively in their writing and speaking. Reading promotes achievement in all subjects, not just English. Children who are good readers tend to achieve better across the curriculum. After all, practice makes perfect in almost everything kids do and reading is no different. We aim to enable kids to read confidently, fluently, accurately and with understanding.
