DOYLE O'DONNELL

The Book Thief Zondervan Publishing Company

A debut entry in a new trilogy by the author of the Jenna Fox Chronicles introduces Princess Lia, who flees an unwanted marriage and expectations about her supernatural legacy only to be pursued by her jilted fiancé and a ruthless assassin.

The Magic Strings of Frankie Presto Simon and Schuster

Lady Victorious, a strong, beautiful, leader, who after the death of her husband, is willing to live out her life caring for her daughter, Zoe. What Victorious doesn't know is she must face an unknown destiny, that like her mother, she must embrace to save the world. Lord Devare, a

confident, brash, and sometimes arrogant warrior, who is also known to be a caring and giving man. He has shunned his past and learned to live for the day, by the day. But life is about to change for Devare also. He too shares the same destiny as Victorious, but it is unknown to him as well. These two people have four days to meet, survive the battles of the war for Earth, and fall in love. Together, they must learn what their roles are in this destiny, and how to save the world. Many will join and fight for their crusade, and many will be lost. All of this to save humanity and keep the realm of Earth free of the Devastator's reign. What is the ultimate sacrifice to save the world?

A Clean Romance Simon and Schuster
 A rom-com manga on ice, perfect for fans of Princess Jellyfish and Wotakoi. Kokoro is the talk of the figure-skating world, winning trophies and hearts. But little do

they know... he's actually a huge nerd! From the beloved creator of You're My Pet (Tramps Like Us). Chitose is a serious young woman, working for the health magazine SASSO. Or at least, she would be, if she wasn't constantly getting distracted by her childhood friend, international figure skating star Kokoro Kijinami! In the public eye and on the ice, Kokoro is a gallant, flawless knight, but behind his glittery costumes and breathtaking spins lies a secret: he's actually a hopeless romantic otaku, who can only land his quad jumps when Chitose is on hand to recite a spell from his favorite magical girl anime!

The Book of Magic St. Martin's Press
 Pretty, flighty Daisy Devreaux can either go to jail or marry the mystery man her father has chosen for her. Arranged marriages don't happen in the modern world, so how did the irrepressible Daisy

find herself in this fix? Alex Markov, as humorless as he is deadly handsome, has no intention of playing the loving bridegroom to a spoiled little feather-head with champagne tastes. He drags Daisy from her uptown life to a broken down traveling circus and sets out to tame her to his ways. But this man without a soul has met his match in a woman who's nothing but heart. Before long, passion will send them flying sky high without a safety net... risking it all in search of a love that will last forever.

The Broadcast History of an Olympic Marquee Sport Macmillan

It's been three months since the Winterians were freed and Spring's king, Angra, disappeared—thanks largely to the help of Cordell. Meira just wants her people to be safe. When Cordellan debt forces the Winterians to dig their mines for payment, they unearth something powerful and possibly dangerous: Primoria's lost chasm of magic. Theron is hopeful and excited—with this much magic, the world can finally stand against threats like Angra. But Meira knows that the last time the world had access to so much magic, it spawned the Decay. So when the king of Cordell orders the two on a mission across the kingdoms of Primoria to discover the chasm's secrets, Meira plans to use the trip to garner support to keep the chasm shut and Winter safe—even if it means clashing with Theron. But can she do so without endangering the people she loves? Mather just wants to be free. The horrors inflicted on the Winterians hang fresh and raw in Januari—leaving Winter vulnerable to Cordell's growing oppression. When Meira leaves to search for allies, he decides to take Winter's security into his own hands. Can he rebuild his broken kingdom and protect them from new threats? As the web of power and deception is woven tighter, Theron fights for magic, Mather fights for freedom—and Meira starts to wonder if she should be fighting not just for Winter but for the world.

See, here's the thing. My friends think my new soccer practice partner, Graham Fordham, is a complete hottie. I guess he is, but he and I have this understanding. We're friends because we both think dating is an annoying pain in the butt. Don't get me wrong. I love my bff's, but they've both lost their minds a little since boys came on the scene. All I want to focus on is making varsity soccer as a freshman. Crazy hard, but I know I can do it with Graham's help (yes, he's an amazing athlete, and no, I have not noticed the muscles in his legs when we're

practicing. Seriously. I haven't. Because that would be a complete disaster and ruin everything in my entire life, and no, I'm not exaggerating). But when late night practices, pizza disasters, accidental dates, and ice cream food fights change all the rules between us, suddenly everything that matters to me is about to go into a major crash and burn. Mitch Albom creates his most unforgettable fictional character—Frankie Presto, the greatest guitarist to ever walk the earth—in this magical novel about the bands we join in life and the power of talent to change our lives. In his most stunning novel yet, the voice of Music narrates the tale of its most beloved disciple, young Frankie Presto, a war orphan raised by a blind music teacher in a small Spanish town. At nine years old, Frankie is sent to America in the bottom of a boat. His only possession is an old guitar and six precious strings. But Frankie's talent is touched by the gods, and his amazing journey weaves him through the musical landscape of the 20th century, from classical to jazz to rock and roll, with his stunning talent affecting numerous stars along the way, including Hank Williams, Elvis Presley, Carole King, Wynton Marsalis and even KISS. Frankie becomes a pop star himself. He makes records. He is adored. But his gift is also his burden, as he realizes, through his music, he can actually affect people's futures—with one string turning blue whenever a life is altered. At the height of his popularity, Frankie Presto vanishes. His legend grows. Only decades later, does he reappear—just before his spectacular death—to change one last life. With its Forest Gump-like romp through the music world, The Magic Strings of Frankie Presto is a classic in the making. A lifelong musician himself, Mitch Albom delivers a remarkable novel, infused with the message that “everyone joins a band in this life” and those connections change us all.

Kiss and cry. Ice magic! I'll Be Back Right After This My Memoir St. Martin's Press Alisha's Heavenly Adventures Penguin Darker than the night, like a piece of reality had been ripped out of the world to grant a view into the endless abyss of the void, a shape rose from the low hills of the moor, towering above all. Sherlock Holmes, his brother Mycroft, and their

associate Mary Morstan are some of the most adept mages in London, safeguarding the peace of the city. Their daily life of solving crimes is interrupted when an ancient threat rises in Dartmoor. The magical entity of London herself forces the Holmes brothers to throw themselves against the attackers to protect her citizens at the cost of their lives. Secrets and betrayal, heartbreak and blackmail force the trio apart, yet they can only stand against the Beasts of London together. The Hound is coming. A Steamy Paranormal Fae Fantasy Romance Dorrance Publishing This deluxe edition of The House At Pooh Corner is the perfect way to celebrate the enduring popularity of A. A. Milne's classic work and a stunning companion to the Winnie-the-Pooh 80th Anniversary Edition. The interior features the unabridged text and Ernest H. Shepard's charming illustrations in full color on cream-colored stock. It is an impressive package for new fans and collectors both. Three cheers for Pooh!

SHE HATES USING MAGIC . . . Ever since the death of her parents, Sara Temple has rejected her magical gifts. Then, in a moment of extreme danger, she unknowingly sends out a telepathic cry for help—to the one man she is convinced she never wants to see again. HE'S A POWERFUL WIZARD . . . Jackson Slater thought he was done forever with his ex-fiancée, but when he hears her desperate plea, he teleports halfway around the world to aid her in a situation where magic has gone suddenly, brutally wrong. THEY'VE BEEN CHOSEN TO SAVE THE WORLD . . . But while Sara and Jack remain convinced they are completely mismatched, the Wizard Council feels otherwise. A dark force is killing some of the world's most influential wizards, and the ex-lovers have just proved their abilities are mysteriously amplified when they work together. But with the fate of the world at stake, will the violent emotions still simmering between them drive them farther apart . . . or bring them back into each other's arms?

It's Magic! Kiss and cry. Ice magic! I'll Be Back Right After This My Memoir

With a single kiss, a young maid saves her beloved from the Snow Queen's icy imprisonment. When splinters from an evil troll's magic mirror get into the heart and eye of Kai, he is tricked into accompanying the Snow Queen to her palace, and only the innocence and kindness of Gerda's heart can save him. The inspiration for Frozen, Hans Christian's Andersen's “The Snow Queen” is one of the most beloved

fairy tales in history.

It was a beautiful, warm summer day, the day Danny died. Suddenly Wren was alone and shattered. In a heartbroken fury, armed with dark incantations and a secret power, Wren decides that what she wants—what she must do—is to bring Danny back. But the Danny who returns is just a shell of the boy Wren fell in love with. His touch is icy; his skin, smooth and stiff as marble; his chest, cruelly silent when Wren rests her head against it. Wren must keep Danny a secret, hiding him away, visiting him at night, while her life slowly unravels around her. Then Gabriel DeMarnes transfers to her school, and Wren realizes that somehow, inexplicably, he can sense the powers that lie within her—and that he knows what she has done. And now Gabriel wants to help make things right. But Wren alone has to undo what she has wrought—even if it means breaking her heart all over again.
