KEAGAN BARKER

A Novel Simon and Schuster
First published by New American Library in 1984.
The Stones of Summer Simon and Schuster
#1 NEW YORK TIMES BESTSELLER The latest from legendary master storyteller Stephen King, a riveting, extraordinarily eerie, and moving story about a man whose mysterious affliction brings a small town together—a timely, upbeat tale

about finding common ground despite deep-rooted differences. Although Scott Carey doesn't look any different, he's been steadily losing weight. There are a couple of other odd things, too. He weighs the same in his clothes and out of them, no matter how heavy they are. Scott doesn't want to be poked and prodded. He mostly just wants someone else to know, and he trusts Doctor Bob Ellis. In the small town of Castle Rock, the setting of many of King's most iconic stories, Scott is engaged in a low grade—but escalating—battle with the lesbians next door whose dog regularly drops his business on Scott's lawn. One of

the women is friendly; the other, cold as ice. Both are trying to launch a new restaurant, but the people of Castle Rock want no part of a gay married couple, and the place is in trouble. When Scott finally understands the prejudices they face—including his own—he tries to help. Unlikely alliances, the annual foot race, and the mystery of Scott's affliction bring out the best in people who have indulged the worst in themselves and others. From Stephen King, our "most precious renewable resource, like Shakespeare in the malleability of his work" (The Guardian), *Elevation* is an antidote to our

divisive culture, as gloriously joyful (with a twinge of deep sadness) as “It’s a Wonderful Life.”

Different Seasons HarperCollins UK

A frightening suspense novel about nine-year-old Trisha, who becomes lost in the woods as night falls.

Stephen King goes to the movies

Borgo Press

Now an HBO limited series starring Ben Mendelsohn! Evil has many faces...maybe even yours in this #1 New York Times bestseller from master storyteller Stephen King. An eleven-year-old boy’s violated corpse is discovered in a town park. Eyewitnesses and fingerprints point unmistakably to one of Flint City’s most popular citizens—Terry Maitland, Little League coach, English teacher, husband, and father of two girls. Detective Ralph Anderson, whose son Maitland once coached, orders a quick and very public arrest. Maitland has an alibi, but Anderson and the district attorney soon have DNA evidence to go with the fingerprints and witnesses. Their case seems ironclad. As the investigation expands and horrifying details begin to emerge, King’s story kicks into high gear, generating strong tension

and almost unbearable suspense. Terry Maitland seems like a nice guy, but is he wearing another face? When the answer comes, it will shock you as only Stephen King can.

City of Night (Dean Koontz’s Frankenstein, Book 2) John Wiley & Sons

A monumentally devastating plague leaves only a few survivors who, while experiencing dreams of a battle between good and evil, move toward an actual confrontation as they migrate to Boulder, Colorado.

Stephen King Goes to the Movies Penguin
From legendary master storyteller Stephen King, a riveting story about “an ordinary man in an extraordinary condition rising above hatred” (The Washington Post) and bringing the fictional town of Castle Rock, Maine together—a “joyful, uplifting” (Entertainment Weekly) tale about finding common ground despite deep-rooted differences, “the sign of a master elevating his own legendary game yet again” (USA TODAY). Although Scott Carey doesn’t look any different, he’s been steadily losing weight. There are a couple of other odd things, too. He weighs the same in his clothes and out of them, no

matter how heavy they are. Scott doesn’t want to be poked and prodded. He mostly just wants someone else to know, and he trusts Doctor Bob Ellis. In the small town of Castle Rock, the setting of many of King’s most iconic stories, Scott is engaged in a low grade—but escalating—battle with the lesbians next door whose dog regularly drops his business on Scott’s lawn. One of the women is friendly; the other, cold as ice. Both are trying to launch a new restaurant, but the people of Castle Rock want no part of a gay married couple, and the place is in trouble. When Scott finally understands the prejudices they face—including his own—he tries to help. Unlikely alliances, the annual foot race, and the mystery of Scott’s affliction bring out the best in people who have indulged the worst in themselves and others. “Written in masterly Stephen King’s signature translucent...this uncharacteristically glimmering fairy tale calls unabashedly for us to rise above our differences” (Booklist, starred review). Elevation is an antidote to our divisive culture, an “elegant whisper of a story” (Kirkus Reviews, starred review), “perfect for any fan of small towns, magic, and the

joys and challenges of doing the right thing" (Publishers Weekly, starred review). 1922 Simon and Schuster
 Master storyteller Stephen King presents the classic "wondrously frightening" (Publishers Weekly) #1 New York Times bestseller about a writer's horrific and haunting pseudonym. "I'm back...I'm back from the dead and you don't seem glad to see me at all, you ungrateful son of a bitch." After thirteen years of international bestseller stardom with his works of violent crime fiction, author George Stark is officially declared dead—revealed by a national magazine to have been killed at the hands of the man who created him: the once well-regarded but now obscure writer Thad Beaumont. Thad's even gone so far as to stage a mock burial of his wildly successful pseudonym, complete with tombstone and the epitaph "Not a Very Nice Guy." Although on the surface, it seems that Thad can finally concentrate on his own novels, there's a certain unease at the prospect of leaving George Stark behind. But that's nothing compared to the horror about to descend upon Thad's new life. There are the vicious, out-of-control nightmares, for starters. And

how is he able to explain the fact that everyone connected to George Stark's untimely demise is now meeting a brutal end of their own in a pattern of homicidal savagery...and why each blood-soaked crime scene has Thad's fingerprints all over it? Thad Beaumont may have once believed that George Stark was running out of things to say, but he's going to find out just how wrong he is...
A Yeoman's Notes, 1942-1969 Simon and Schuster
 Fans of Stephen King's *The Dark Tower* will definitely want this picture book about a train engine and his devoted engineer. Engineer Bob has a secret: His train engine, Charlie the Choo-Choo, is alive...and also his best friend. From celebrated author Beryl Evans and illustrator Ned Dameron comes a story about friendship, loyalty, and hard work.
The Outsider Simon and Schuster
 Stephen King Goes to the Movies is the 2021 Stephen King Catalog calendar theme. Jam packed full of art, photos, trivia, quotes, movie history, et el. On the set of *Maximum Overdrive* with photos and interview with Stephen King. Every page is illustrated.

The Institute Scribner

A collection of five short stories that have been made into movies includes "The Mangler," in which a skeptical writer investigates a supposedly haunted hotel room that has apparently caused at least forty-two deaths.

Anchor

"Smithy is an American original, worthy of a place on the shelf just below your Huckles, your Holdens, your Yossarians." —Stephen King
 Every so often, a novel comes along that captures the public's imagination with a story that sweeps readers up and takes them on a thrilling, unforgettable ride. Ron McLarty's *The Memory of Running* is this decade's novel. By all accounts, especially his own, Smithson "Smithy" Ide is a loser. An overweight, friendless, chain-smoking, forty-three-year-old drunk, Smithy's life becomes completely unhinged when he loses his parents and long-lost sister within the span of one week. Rolling down the driveway of his parents' house in Rhode Island on his old Raleigh bicycle to escape his grief, the emotionally bereft Smithy embarks on an epic, hilarious, luminous, and extraordinary journey of discovery and redemption.

The Memory of Running Gallery Books
 Stephen King Dollar Baby: The Book by
 Anthony Northrup In the late 1970s,
 Stephen King had the idea of selling his
 short stories for ONE DOLLAR and a
 contract to let young filmmakers make
 their own films based on his works. After
 King's approval, these films were only
 available for viewing at film festivals
 around the world. For the last forty-plus
 years and over hundreds of films made,
 The Dollar Baby program has made a
 serious impact not only on the Stephen
 King world, but the film industry itself.
 Unfortunately, for Stephen King fans,
 unless you attended these film festivals,
 you basically would never be able to see
 them. In fact, most Stephen King fans
 have never even heard of the Dollar Baby
 program. Well, that's where I come in. I
 have been interviewing Dollar Baby
 filmmakers and reviewing their films for
 eight years. During that time, not only
 have I also hosted two Dollar Baby Film
 fests at Crypticon Horror Con in Minnesota,
 but I also built a trust, a bond, and a
 friendship with all of the Dollar Baby
 community. As a major Stephen King fan, I
 decided it was time to pull the curtain

back and show the fans just what they
 have been missing. In this book, readers
 will learn all about the Dollar Baby
 program, fun facts, trivia, personal stories
 from the fans themselves, special guests
 contributors, essays, Where Are They
 Now?, 55 exclusive interviews with the
 Dollar Baby filmmakers and reviews of
 their films, and a whole lot more! I cover
 every possible angle of the Dollar Baby
 program and it's all here to enjoy! So, sit
 back, relax, and get ready to go behind
 the exclusive curtain and prepare
 yourselves to enter...Stephen King Dollar
 Baby: The Book!

**A Lavishly Illustrated Guide to All the
 Films Based on Stephen King's Fiction**

Jane is a very good girl. But #1 New York
 Times bestselling author Dean Koontz
 shows that appearances can be
 deceiving—in a deadly way... She appears
 out of nowhere, a beautiful teenage girl in
 the middle of traffic on a busy day. Paul
 and Carol Tracy are drawn to her—she's
 the child they never thought they could
 have. But then Carol's nightmares
 begin—the ghastly sounds in the
 night...the bloody face in the mirror...the

razor-sharp ax. Jane can't remember her
 past. And as Carol attempts to help her
 uncover who she was, she has no idea of
 the horrors that await...

The Store Simon and Schuster

The #1 New York Times Bestseller An
 Esquire Best Book of the Year A Wall
 Street Journal Favorite Book of the Year A
 Goodreads Choice Awards Finalist From
 legendary storyteller Stephen King, whose
 "restless imagination is a power that
 cannot be contained" (The New York
 Times Book Review), comes a thrilling new
 novel about a good guy in a bad job. Billy
 Summers is a man in a room with a gun.
 He's a killer for hire and the best in the
 business. But he'll do the job only if the
 target is a truly bad guy. And now Billy
 wants out. But first there is one last hit.
 Billy is among the best snipers in the
 world, a decorated Iraq war vet, a Houdini
 when it comes to vanishing after the job is
 done. So what could possibly go wrong?
 How about everything. This spectacular
 can't-put-it-down novel is part war story,
 part love letter to small town America and
 the people who live there, and it features
 one of the most compelling and surprising
 duos in King fiction, who set out to avenge

the crimes of an extraordinarily evil man. It's about love, luck, fate, and a complex hero with one last shot at redemption. You won't put this story down, and you won't forget Billy.

The Stand Simon and Schuster

Stephen King's legendary debut, the bestselling smash hit that put him on the map as one of America's favorite writers "Gory and horrifying. . . . You can't put it down." —Chicago Tribune Unpopular at school and subjected to her mother's religious fanaticism at home, Carrie White does not have it easy. But while she may be picked on by her classmates, she has a gift she's kept secret since she was a little girl: she can move things with her mind. Doors lock. Candles fall. Her ability has been both a power and a problem. And when she finds herself the recipient of a sudden act of kindness, Carrie feels like she's finally been given a chance to be normal. She hopes that the nightmare of her classmates' vicious taunts is over . . . but an unexpected and cruel prank turns her gift into a weapon of horror so destructive that the town may never recover.

Stephen King Goes to Hollywood

Popular Press

The Frankenstein story is updated to the 21st century by the great American storyteller Dean Koontz. Now someone new is playing god.

Elevation Penguin

This book investigates who Lady Godiva was, how the story of her naked horseback ride through Coventry arose, and how the whole Godiva legend has evolved from the thirteenth century through to the present day. Traces the erotic myth of Lady Godiva back to its medieval origins. Based on scholarly research but written to be accessible to general readers. Combines history, literature, art and folklore. Focuses on the twin themes of voyeurism and medievalism. Contributes to our understanding of cultural history, medievalism and the history of sexuality. *Storm of the Century* Stephen King Goes to the Movies

"No refunds. No exchanges. No exit. Juniper, Arizona, is an off-the-map desert town the retail giant called The Store has chosen for its new location. It has everything you could possibly want under one roof, at unbelievable prices. But this place demands something of its customers

that goes beyond brand loyalty. At The Store, one-stop shopping has become last-stop shopping ... Bill Davis is the only one in town who senses evil lurking within The Store. But he can't stop his two teenage daughters from taking jobs there and falling under the frightening influence of its sadistic manager. When Bill finally takes a stand, he'll get much more than he bargained for--at a terrifying cost"--

On Writing Simon and Schuster

In the middle of the night, in a house on a quiet street in suburban Minneapolis, intruders silently murder Luke Ellis' parents and load him into a black SUV. The operation takes less than two minutes. Luke will wake up at The Institute, in a room that looks just like his own, except there's no window. And outside his door are other doors, behind which are other kids with special talents--telekinesis and telepathy--who got to this place the same way Luke did: Kalisha, Nick, George, Iris, and 10-year-old Avery Dixon. They are all in Front Half. Others, Luke learns, graduated to Back Half, "like the roach motel," Kalisha says. "You check in, but you don't check out." In this most sinister of institutions, the director, Mrs.

Sigsby, and her staff are ruthlessly dedicated to extracting from these children the force of their extranormal gifts. There are no scruples here. If you go along, you get tokens for the vending

machines. If you don't, punishment is brutal. As each new victim disappears to Back Half, Luke becomes more and more desperate to get out and get help. But no

one has ever escaped from The Institute.
