ALVAREZ ANNA

Inside an American Tragedy

Macmillan

In North America between 1894 and 1930, the rise of the “New Woman” sparked controversy on both sides of the Atlantic and around the world. As she demanded a public voice as well as private fulfillment through work, education, and politics, American journalists debated and defined her. Who was she and where did she come from? Was she to be celebrated as the agent of progress or reviled as a traitor to the traditional family? Over time, the dominant version of the American New Woman became typified as white, educated, and middle class: the suffragist, progressive reformer, and bloomer-wearing bicyclist. By the 1920s, the jazz-dancing flapper epitomized her. Yet she also had many other faces. Bringing together a diverse range of essays from the periodical press of the late nineteenth and early twentieth centuries, Martha H. Patterson shows how the New Woman differed according to region, class, politics, race, ethnicity, and historical circumstance. In addition to the New Woman’s prevailing incarnations, she appears here as a gun-wielding heroine, imperialist symbol, assimilationist icon, entrepreneur, socialist, anarchist, thief, vamp, and eugenicist. Together, these readings redefine our understanding of the New Woman and her cultural impact.

Sojourners in Search of the Soviet Promise Knopf Books for Young Readers
A NEW YORK TIMES NOTABLE BOOK ONE OF THE NEW YORKER’S BEST BOOKS OF THE YEAR Carrying a single suitcase,

Kailash arrives in post-Reagan America from India to attend graduate school. As he begins to settle into American existence, Kailash comes under the indelible influence of a charismatic professor, and also finds his life reshaped by a series of very different women with whom he recklessly falls in and out of love. Looking back on the formative period of his youth, Kailash’s wry, vivid perception of the world he is in, but never quite of, unfurls in a brilliant melding of anecdote and annotation, picture and text. Building a case for himself, both as a good man in spite of his flaws and as an American in defiance of his place of birth, Kailash weaves a story that is at its core an incandescent investigation of love—despite, beyond, and across dividing lines.

Immigrant, Montana Modern Library
Return to the multiverse of Magic: The Gathering as the hunt for Liliana Vess is on in the aftermath of the War of the Spark. The Planeswalkers have defeated Nicol Bolas and saved the Multiverse—though at grave cost. The living have been left to pick up the pieces and mourn the dead. But one loss is almost too great to bear: Gideon Jura, champion of justice and shield of the Gatewatch, is gone. As his former comrades Jace and Chandra struggle to rebuild from this tragedy, their future, like the future of the Gatewatch, remains uncertain. As the Gatewatch’s newest member, Kaya aims to help write that future. In joining, she pledged an oath to protect the living and the dead, but now that oath will be tested. The grieving guild masters of Ravnica have tasked her with a grave mission suited to her talents as a hunter and assassin—a mission she is ordered to keep secret from the Gatewatch. She must track

down and exact retribution on the traitor Liliana Vess. But Liliana Vess has no interest in being found. Forsaken by her friends, she fled Ravnica after the defeat of Bolas. She was hostage to his wicked will, forced to assist in his terrible atrocities on pain of death—until Gideon, the last one who believed in her goodness, died in her place. Haunted by Gideon’s final gift, and hunted by former allies, Liliana now returns to a place she’d thought she’d never see again, the only place she has left: home.

The Lessons of Tragedy Hachette UK

One of the most compelling, yet little known stories of race relations in the twentieth century is the account of blacks who chose to leave the United States to be involved in the Soviet Experiment in the 1920s and 1930s. In *Blacks, Reds, and Russians*, Joy Gleason Carew offers insight into the political strategies that often underlie relationships between different peoples and countries. Interviews with the descendents of figures such as Paul Robeson and Oliver Golden offer rare personal insights into the story of a group of emigrants who, confronted by the daunting challenges of making a life for themselves in a racist United States, found unprecedented opportunities in communist Russia.

Forsaken Dreams Vintage

THE NEW YORK TIMES BESTSELLER "The seminal book on the child-separation policy." —Rachel Maddow The award-winning NBC News correspondent lays bare the full truth behind the Trump administration’s systematic separation of families at the US-Mexico border. Los Angeles Times Book Prize Finalist | American Bar Association's Silver Gavel Award Finalist In June 2018, Donald Trump’s most notorious decision as president had secretly been in effect for

months before most Americans became aware of the astonishing inhumanity being perpetrated by their own government. Jacob Soboroff was among the first journalists to expose this reality after seeing firsthand the living conditions of the children in custody. His influential series of reports ignited public scrutiny that contributed to the president reversing his own policy and earned Soboroff the Cronkite Award for Excellence in Political Broadcast Journalism and, with his colleagues, the 2019 Hillman Prize for Broadcast Journalism. But beyond the headlines, the complete, multilayered story lay untold. How, exactly, had such a humanitarian tragedy—now deemed “torture” by physicians—happened on American soil? Most important, what has been the human experience of those separated children and parents? Soboroff has spent the past two years reporting the many strands of this complex narrative, developing sources from within the Trump administration who share critical details for the first time. He also traces the dramatic odyssey of one separated family from Guatemala, where their lives were threatened by narcos, to seek asylum at the U.S. border, where they were separated—the son ending up in Texas, and the father thousands of miles away, in the Mojave desert of central California. And he joins the heroes who emerged to challenge the policy, and who worked on the ground to reunite parents with children. In this essential reckoning, Soboroff weaves together these key voices with his own experience covering this national issue—at the border in Texas, California, and Arizona; with administration officials in Washington, D.C., and inside the disturbing detention facilities. *Separated* lays out

compassionately, yet in the starkest of terms, its human toll, and makes clear what is at stake as America struggles to reset its immigration policies post-Trump.

A novel Yale University Press
 Finalist for the Pulitzer Prize (Biography)
 A New York Times bestseller, this “epic and elegant” biography (Wall Street Journal) profoundly recasts our understanding of the Vietnam War. Praised as a “superb scholarly achievement” (Foreign Policy), *The Road Not Taken* confirms Max Boot’s role as a “master chronicler” (Washington Times) of American military affairs. Through dozens of interviews and never-before-seen documents, Boot rescues Edward Lansdale (1908–1987) from historical ignominy to “restore a sense of proportion” to this “political Svengali, or ‘Lawrence of Asia’ ” (The New Yorker). Boot demonstrates how Lansdale, the man said to be the fictional model for Graham Greene’s *The Quiet American*, pioneered a “hearts and minds” diplomacy, first in the Philippines and then in Vietnam. Bringing a tragic complexity to Lansdale and a nuanced analysis to his visionary foreign policy, Boot suggests Vietnam could have been different had we only listened. With contemporary reverberations in Iraq, Afghanistan, and Syria, *The Road Not Taken* is a “judicious and absorbing” (New York Times Book Review) biography of lasting historical consequence.

Tearing Down Walls, Walking in His Grace Cambridge University Press
 A visionary novel from the author of *Super Sad True Love Story* and *Little Failure*. *The Russian Debutante's Handbook* introduces Vladimir Girshkin, one of the most original and unlikely heroes of recent times. The twenty-five-

year-old unhappy lover to a fat dungeon mistress, affectionately nicknamed “Little Failure” by his high-achieving mother, Vladimir toils his days away as a lowly clerk at the bureaucratic Emma Lazarus Immigrant Absorption Society. When a wealthy but psychotic old Russian war hero appears, Vladimir embarks on an adventure of unrelenting lunacy that takes us from New York's Lower East Side to the hip frontier wilderness of Prava--the Eastern European Paris of the nineties. With the help of a murderous but fun-loving Russian mafioso, Vladimir infiltrates the Prava expat community and launches a scheme as ridiculous as it is brilliant. Bursting with wit, humor, and rare insight, *The Russian Debutante's Handbook* is both a highly imaginative romp and a serious exploration of what it means to be an immigrant in America.

Amity and Prosperity *The Forsaken An American Tragedy in Stalin's Russia*
 The Forsaken An American Tragedy in Stalin's Russia Penguin Books

A Novel Ballantine Books

The author, a toolmaker who accepted a one-year contract to work in the Soviet Union in 1930 and lived there, mostly against his will, for the next forty-four years, vividly depicts Soviet life and Soviet events during that period
 Varsha Ravi

In this unexpected twist on mythology inspired by Sangam India, reincarnated lovers find themselves bound together, connected to their past by a centuries old tragedy that only one of them remembers. In the ruthless martial empire of Naja, Suri is the crown's unflinching blade. But the princess dreams of a life exploring the lands beyond the borders, unshackled by blood. The king and queen offer her freedom, at a price: marriage to a king she's meant to kill,

and the death of Athri, a kingdom her family once nearly destroyed. Her only obstacle lies in the mountains above the Athrian capital of Marai, where a young prophet sees a world struck by catastrophe—a world where a girl lies dead in the temple of the fire god, and the city lies burning below. Centuries later, Suri lives with no recollection of her past lives. Haunted by her family's deaths eighteen years ago, Suri sees the boy bleeding gold on her doormat as an opportunity to unravel the mystery of the car crash that took their lives. But not all gifts are created equal, and the boy soon proves to be more trouble than he's worth, a dangerous link back to a world of gods and wishes.

The Wrong War Penguin

So many of us desire freedom - the freedom that is promised to us when we decide to follow Jesus. The freedom from the burden of our sin, the need to be "good enough," anger, jealousy, and envy. Even though we are believers we would be ashamed to say that we don't always experience peace, contentment, and joy in our life. We are looking for the grace that God has so graciously given to us to be real in our life... Breaking Pride is an eBook based on one simple truth: In order to walk in God's grace we need to tear down the the walls of pride. A lot of believers, even though saved by God's grace, are still walking in pride rather than walking in His grace. Knowing what pride is and learning to identify pride in your life is the first step to overcoming a life filled with pride. Pride is rooted in fear and leads to anger, jealousy, and envy. Sin isn't keeping us from having a relationship with the Lord, it's our pride. So many of us long to have an authentic and REAL relationship with the Lord, and we long to have the fruit of the spirit filled in our

heart. Our desire is to achieve these fruits through will power. But we do not even realize that the pride that lives within our heart is what is blocking the fruit of the spirit from living within us. In *Breaking Pride* you will learn to identify different areas of pride in your life. Filled with encouragement, *Breaking Pride* will take you through a practical reading of what pride may look like in your life... Let's stop building walls of pride and start building the foundation of grace within our lives...

A World to Build Farrar Straus & Giroux Incorporated

This American's memoirs tell of the 45 years he lived in the Soviet Union, experiencing acclaim as a parachutist, imprisonment, marriage, and banishment to Siberia.

The Lascar's Dagger Standard Ebooks

A startling and superbly researched book demythologizing the North's role in American slavery "The hardest question is what to do when human rights give way to profits. . . . Complicity is a story of the skeletons that remain in this nation's closet."—San Francisco Chronicle The North's profit from—indeed, dependence on—slavery has mostly been a shameful and well-kept secret . . . until now. Complicity reveals the cruel truth about the lucrative Triangle Trade of molasses, rum, and slaves that linked the North to the West Indies and Africa. It also discloses the reality of Northern empires built on tainted profits—run, in some cases, by abolitionists—and exposes the thousand-acre plantations that existed in towns such as Salem, Connecticut. Here, too, are eye-opening accounts of the individuals who profited directly from slavery far from the Mason-Dixon line. Culled from long-ignored documents and reports—and bolstered by rarely seen

photos, publications, maps, and period drawings—Complicity is a fascinating and sobering work that actually does what so many books pretend to do: shed light on America's past.

An American Generation and Its War
Crown

In a distant corner of the globe, a man journeys to the birthplace of his mother, a tourist town destroyed by an industrial spill. In a nameless remote tribe, the chief's second son is born, creating a scramble for succession as their jungles are being destroyed by loggers. In one of the world's sprawling metropolises, a homeless one-armed woman sets out to take revenge upon the men who trafficked her. And, in a small village of shanty shacks connected only by a mud-and-concrete road, a milkmaid watches the girls she calls friends destroy her reputation. In we of the forsaken world... Kiran Bhat tells the stories of four worlds falling apart, through the structure of four linguistic chains, comprised of the accounts of four people witnessing the decline of these worlds, in four acts. Like modern communication networks, these sixteen stories connect along subtle lines, dispersing at the moments where another story is about to take place. They flow together and disconnect. Each story is a parable of its own, into the mind of a distinct human being. These are the tales of not just sixteen strangers, but many different lives, who live on this planet, at every second, everywhere.

An American Tragedy in Stalin's Russia
HMH

An eloquent call to draw on the lessons of the past to address current threats to international order The ancient Greeks hard-wired a tragic sensibility into their culture. By looking disaster squarely in the face, by understanding just how

badly things could spiral out of control, they sought to create a communal sense of responsibility and courage—to spur citizens and their leaders to take the difficult actions necessary to avert such a fate. Today, after more than seventy years of great-power peace and a quarter-century of unrivaled global leadership, Americans have lost their sense of tragedy. They have forgotten that the descent into violence and war has been all too common throughout human history. This amnesia has become most pronounced just as Americans and the global order they created are coming under graver threat than at any time in decades. In a forceful argument that brims with historical sensibility and policy insights, two distinguished historians argue that a tragic sensibility is necessary if America and its allies are to address the dangers that menace the international order today. Tragedy may be commonplace, Brands and Edel argue, but it is not inevitable—so long as we regain an appreciation of the world's tragic nature before it is too late.

War of the Spark: Forsaken (Magic: The Gathering) Rutgers University Press

Faith will not save him. Saker appears to be a simple priest, but in truth he's a spy for the head of his faith. Wounded in the line of duty by a Lascar sailor's blade, the weapon seems to follow him home. Unable to discard it, nor the sense of responsibility it brings, Saker can only follow its lead. The dagger puts Saker on a journey to distant shores, on a path that will reveal terrible secrets about the empire, about the people he serves, and destroy the life he knows. The Lascar's dagger demands a price, and that price will be paid in blood.

An American in the Gulag Beacon Press

The definitive Byron experience is all here in this big, bold novel by one of Australia's most powerful new voices.

A Novel HarperCollins

The Great Depression and the New Deal. For generations, the collective American consciousness has believed that the former ruined the country and the latter saved it. Endless praise has been heaped upon President Franklin Delano Roosevelt for masterfully reining in the Depression's destructive effects and propping up the country on his New Deal platform. In fact, FDR has achieved mythical status in American history and is considered to be, along with Washington, Jefferson, and Lincoln, one of the greatest presidents of all time. But would the Great Depression have been so catastrophic had the New Deal never been implemented? In FDR's Folly, historian Jim Powell argues that it was in fact the New Deal itself, with its shortsighted programs, that deepened the Great Depression, swelled the federal government, and prevented the country from turning around quickly. You'll discover in alarming detail how FDR's federal programs hurt America more than helped it, with effects we still feel today, including: • How Social Security actually increased unemployment • How higher taxes undermined good businesses • How new

labor laws threw people out of work • And much more This groundbreaking book pulls back the shroud of awe and the cloak of time enveloping FDR to prove convincingly how flawed his economic policies actually were, despite his good intentions and the astounding intellect of his circle of advisers. In today's turbulent domestic and global environment, eerily similar to that of the 1930s, it's more important than ever before to uncover and understand the truth of our history, lest we be doomed to repeat it.

We of the Forsaken World... Acropolis Books Incorporated

Traces the lesser-known tale of a group of depression-era Americans who emigrated to Stalinist Russia in search of better opportunities, documenting how they and countless other Americans were arrested, incarcerated within labor camps, or executed over the course of a few years. Reprint.

Grit, Strategy, and the Way Out of Afghanistan Harper Collins

The story of a little-known group of émigrés, Americans who went to Russia during the 1930s in the hope that the Communist promise of a better life was a reality--only to find xenophobia, paranoia and ultimately, in many cases, imprisonment or death in Stalin's Terror.
