**Kodansha's Pocket Kanji Guide** University of Hawaii Press  
 Essential Japanese Kanji uses a natural approach to learning the most basic kanji encountered in everyday situations in Japan. This new edition is packed with fun quizzes and useful exercises for those wishing to improve their Japanese ability. It has been repackaged in a more compact, value-for-money size while losing none of the content that has made it a long-selling favorite. Key features of Essential Japanese Kanji include: Introductory quizzes to introduce everyday situations in which the Kanji are used A vocabulary section to help you understand the readings and meanings of each Kanji New character charts presenting all the Kanji clearly and systematically Definitions, readings, stroke orders and compounds for each character Practice sections help you to improve your skills Advanced Placement Exam practice questions follow the format of the College Board exam Everyday tasks like finding a street address or buying a train ticket in Japan require a basic working knowledge of kanji—the Japanese system of writing based on Chinese characters. Essential Japanese Kanji, teaches you the kanji you'll need in everyday situations in lessons prepared by teachers from the prestigious University of Tokyo.  
**Mastering Japanese Kanji** Tuttle Publishing  
 This comprehensive book helps you learn the 92 basic Kana characters and 2,136 standard Kanji characters. Complete, compact and authoritative—this Japanese language book provides all the information needed to learn kanji and kana, including the 92 basic hiragana and katakana phonetic symbols (known collectively as Japanese Kana) and the 2,136 standard Joyo Kanji characters that every Japanese person learns in school. This new and completely revised edition reflects recent changes made to the official Joyo kanji list by the Japanese government. The kana and kanji are presented in an easy and systematic way that helps you learn them quickly and retain what you have learned and improve your mastery of the Japanese language. The ability to read Japanese and write Japanese is an essential skill for any student and will build on their previous knowledge and improve on their overall capacity to learn Japanese. A concise index allows you to look up the Kanji in three different ways (so the book also serves as a Japanese Kanji dictionary) and extra spaces are provided to allow you to practice writing Japanese. Japanese Kanji and Kana contains: All 2,136 official Joyo kanji with readings and

definitions. Characters are graded by their JLPT examination levels. Up to 5 useful vocabulary compounds for each kanji. Brush and pen cursive forms as well as printed forms. 19 tables summarizing key information about the characters. Kanji look-up indexes by radicals, stroke counts and readings.  
**Remembering the Kanji** Tuttle Publishing  
 This is an invaluable study guide for learning Chinese characters. More than a simple update, 250 Essential Chinese Characters Volume 2 offers 250 more characters in the extremely useful learning format that learners and teachers alike continue to praise. Following in the footsteps of Volume 1, it includes everything that today's learners and teachers want: tips for Chinese language mastery throughout; special exercises in AP-exam format; progressive review sections; and several indexes. Master each character's radical, stroke count and meaning. Grow in proficiency by learning compound words. Example sentences show how to use them in context. Review activities reinforce your learning progress. Helpful writing guides and practice grids for every character. After studying this book together with its companion, 250 Essential Chinese Characters, Volume 1, you'll have learned 500 of the most important characters in Chinese, and thousands of words in which they appear. Whether you're new to Chinese or coming back for review, each of these 250 characters offers you ways to learn Chinese and improve your abilities to read Chinese and write Chinese.  
**A Complete Course on How Not to Forget the Meaning and Writing of Japanese Characters** Harmony  
 "This is the best kanji book available today. Designed for beginners with a basic knowledge of Japanese to use in the classroom or for self-study."—Modern Language Journal  
 Everyday tasks like finding a street address or buying a train ticket can be an ordeal in Japan if you don't read kanji—the system of Japanese writing based on Chinese characters. Unfortunately, the kanji characters taught in most textbooks are not always those that you'll encounter in everyday situations. To fill this gap, a group of teachers from the prestigious University of Tokyo have pooled their talents to create 250 Essential Japanese Kanji Characters in two volumes: a practical way to learn the kanji most frequently used in daily life in Japan. Each lesson helps you master a new group of kanji, using an extremely effective approach that focuses on you, the learner, taking an active part. Introductory Quizzes introduce everyday situations where you encounter kanji. Vocabulary sections help you understand the readings and meanings of the kanji. New Character Charts teach you new kanji systematically—for each character you'll learn its meanings, its basic on-kun readings, its stroke order, common compounds, and derivations. Practice sections help you improve your skills in recognizing and using the kanji. Advanced Placement Exam

Practice Questions for each lesson follow the format of the College Boards Japanese Language and Culture examination. You'll also encounter authentic and practical materials that help you understand how kanji are used in real-life situations. Emails and texts, choosing the best dictionary in a library, understanding the weather report, navigating floors in a Tokyo department store—all are easier when you know kanji. After studying this book together with its companion 250 Essential Japanese Characters, Volume 1 you will have learned 500 of the most important characters in Japanese and thousands of words in which they appear.  
**Seikatsu No Naka No Kanji** Tuttle Publishing  
 Volume 2 (4th ed.) updated to include the 196 kanja approved in 2010 for general use.  
**Building Word Power in Japanese** FrancoAngeli  
 A photographic guide to the key words and phrases in Japanese. This attractive ebook is a perfect travel companion and provides a practical guide to Japan and Japanese language and culture.  
**Revised Edition (JLPT Level N4) The Japanese Characters Needed to Learn Japanese and Ace the Japanese Language Proficiency Test** Kodansha Amer Incorporated  
 NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. "A brilliant and thoroughly modern guide to learning new languages."—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero*  
 At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.
