Spiritual Lessons for Growing Believers

Workbook is a spiritual-birth-to-spiritual-maturity, high-impact, interactive, fill-in-the-blank study series designed to help

Christians grow into mature believers who actively serve Jesus Christ and is suitable for use in any teaching context—church services, Sunday school, small groups, Bible studies, personal and group devotions, Christian schools, chapels, college and seminary classrooms, adult Bible fellowships, and elsewhere. *Spiritual Lessons for Growing Believers Workbook* begins with four follow-up sessions for new believers, continues with two transition studies (a baptism class and a membership class), covers twenty-six topics from A to Z (assurance to zeal), and includes two training sessions for disciplers. Packed with information that leads to transformation, the *Spiritual Lessons for Growing Believers Workbook* includes the content of the author's new

believers' initial Follow-Up book *Spiritual Lessons for New Believers* and is keyed to the content of the companion book, *Spiritual Lessons for Growing Believers*. In addition, the author has written a follow-up book for children: *Jesus Loves Me: A Follow-Up Guide for Children*. All four discipleship books are available through Westbow Press or the author's website at www.keithpisaniministries.com.

Many are searching for the truth but have no idea where it can be found. Others know and accept the truth of the gospel but need to grow spiritually through exposure to Gods transforming Word. This Bible study is effective for both. It can be used as a personal study or as a group study. The study starts with the foundation of salvation and then covers the many faceted subject of spiritual growth. Growing in Christ

requires effort. It requires making goals. It requires commitment. This book will encourage you along that path. I have known Jim and Sherry Miller for twenty years. Sherrys love for evangelism and theology has always challenged me. I am thrilled for the body of Christ that Sherry has focused her passion for discipleship into writing. Her studies in this book will mature both the discipler and the disciple in the rich treasures of the gospel. Your questions will be answered. Your faith will find traction. Your freedom will be celebrated! Dr. Jim Newcomer, Executive Pastor, Colonial Baptist Church, VA Beach, VA and Biblical Counseling Professor, Virginia Beach Theological Seminary The Bible is both a delightful gift and an insightful counselor; it brings us genuine joy and

much needed wisdom. Sherry Millers discipleship workbook is a valuable guide to help us explore the Scriptures in order to grow together in passion and insight. Dr. Peter Hubbard, Senior Pastor, North Hills Community Church, Greenville, SC

Grace and Peace Congratulations on your first step to developing a personal relationship with God.. Welcome to the Family of God. You have a new address now, it is: The Kingdom of God. The class was developed to aide you in your Christian walk. The class will further develop your personal relationship with our Lord and Savior, JESUS CHRIST. The

purpose of this manual is to give you a concrete purpose of God's word, basic information. This is a crawl before you walk guide. This guide's design is to nurture the born-again Christians in spiritual growth. You get instruction (teaching) not to store, but to use. Spiritual growth means spiritual maturity. When a person is born again, there is a parallel to a newborn baby. The child will only grow physically and mentally if they have proper nourishment or instruction. If they are not given proper nourishment or instruction, they may grow physically, but they will never be all that they can be. The same is true of the born-again Christian. When we are saved--we are delivered from hell. If you get proper nourishment or instructions, you will be

delivered from hell on earth. We have a process to go through. Some people never change, we have to change, (2 Corinthians 5:17). If you are born again, God lives inside of you, not part of God, but all of God—just like a baby born with all of its parts. Our thinking does not comprehend all that we have, that is why we have to go through stages. So sit back, read. Learn and enjoy. Then apply!

Spiritual Growth United Church of God The Perfect Devotional for the Busy Christian "If we don't maintain a quiet time each day, it's not really because we are too busy; it's because we do not feel it is important enough. Quiet time is not just a helpful idea, it is absolutely necessary to spiritual growth." -- George Sweeting, Moody Bible Institute. "God's best for you is closely linked with this

daily meeting with Him. The barometer of your Christian life can be observed by the attention you give to your quiet time each day." -- Stephen F. Olford, pastor and author. What if your daily quiet time was simple, structured and -- most importantly -- life-changing? The One Question Bible Study Series allows you to engage with God's Word as you explore a specific theme. The Spiritual Growth volume teaches you how to grow in your spiritual life. Spiritual growth is a mystery and is more evident in some than in others. The more the Holy Spirit shines upon the mind and puts forth His lifegiving influences in the heart, so much the more sin is seen, felt and loathed as the greatest of all evils. And this is an evidence of spiritual growth, namely, to hate sin as sin and to abhor it on account of its contrariety to the nature of God.
