IELTS Speaking Test Practice - IELTS Speaking Exam Preparation & Language Practice for the Academic Purposes and General Training Modules by IELTS Success Associates will help you improve your grammar, language skills, vocabulary and fluency for the IELTS speaking test. This book contains 16 IELTS practice speaking tests. IELTS Speaking Test Practice is designed for upper-intermediate to advanced learners of English. The book has extensive grammar and language usage sections to help you raise your IELTS speaking test score. This study guide is conveniently organised into 8 parts: PART 1: The study guide begins with an overview of the format of the IELTS speaking test and provides you with tips for better performance on your exam. PART 2: You will learn what aspects of grammar and what types of sentence constructions examiners are looking for in each part of your interview. PART 3: There are exercises teaching you how to use conditional sentences on the IELTS speaking tasks. PART 4: The book then shows a complete sample speaking exam, with the following sections for each of the three speaking tasks: PART 5: In the next section of the study

guide, we provide useful conversational phrases for you to practise for your speaking test. PART 6: There is also a special section on vocabulary improvement for the speaking text. You will study lists of words that are categorised according to the topics most commonly tested on the IELTS speaking exam. PART 7: The book has three more complete speaking practice exams, with model responses for each of the tasks and teacher's comments on each response. You will then complete exercises that ask you to analyse how the vocabulary, grammar and phrases are used in the sample tests. Each of the three speaking practice exams has three tasks each, just like the real IELTS speaking test. There are twelve speaking tasks, and texts for twelve model responses are provided. PART 8: There are twelve additional speaking practice tests at the end of the book to provide you with further practice for the exam.
