THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent

testament to the human spirit. “The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.”—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving,

and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Norman Vincent Peale What's the secret  
to feeling alive all your life? A positive  
attitude. In this upbeat and practical

guide to joyous living, Dr. Peale shows in  
example after example how the magic of  
attitude can perform miracles in your  
daily existence. He proves that only with  
deep and honest belief -- in yourself,  
your work, and in God -- can these  
miracles occur. He also makes clear that  
the achievement of lasting fulfillment is  
an active process and shows you how to:

- put positive thinking into action
- use the magnificent power of belief
- learn from your mistakes
- make enthusiasm work wonders
- attain self-confidence
- move beyond pain and suffering
- lift depression and live vitally

The Oxford Guide to English Grammar is a systematic account of grammatical forms and the way they are used in modern standard English. It is designed for learners at intermediate and advanced levels and for teachers, and is

equally suitable for quick reference to details or for the moreleisured study of grammatical topics. The emphasis is on meaning in the choice of grammatical pattern, and on the use of patterns in texts and in conversations.
