In order to decode the files and figure out what happened to her twin, Fallyn turns to the Justice Team. What she doesn't expect is the sexy bodyguard who shows up needing a little personal fixing of his own. Tony Gerard sees failure every time he looks in the mirror. The former Supreme Court police officer lives with the knowledge that the Chief Justice—a man who was like a father to him—died on his watch. Now he's sure he can't protect anyone. When his first assignment for the Justice Team lands him in the media spotlight, working side-by-side with the country's foremost political fixer, Tony wants to run the other way. But Fallyn's devil-may-care attitude and tantalizing beauty bring out all of his protective instincts. As Fallyn and Tony peel back the layers of a government scandal that threatens to bring down the most powerful man in the world, sparks fly along with the intoxicating danger. Desire and passion escalate with their perilous search for the truth as they find relief in each other's arms from their respective demons. But will he once again fail to protect someone he loves? *Missing Justice* A one-night stand and a missing child put these two on opposite sides of solving a murder. A rising star at the FBI, Taylor Sinclair has a perfect close rate on cold cases. When the bones of a senator's murdered wife turn up eight years after her kidnapping, the case lands on Taylor's desk, putting her in the crosshairs of the media—and the killer. Success will solidify her career at the Bureau, but a provocative one-night stand with cocky PI Matt "Mad Dog" Stephens could ruin it. Matt's on the hunt for the killer as well, along with the senator's still-missing child, and believes joining forces with Taylor will get them both the answers they need. He's determined to get the sexy agent to work with him—in and out of the bedroom—but Taylor is convinced the senator is a murderer. Matt is just as certain he's innocent. With a child's life on the line, Matt and Taylor must plunge into the world of undercover ops as they battle a dangerous attraction that could prove fatal to them both. *Defending Justice* Former prosecutor and now hot-shot defense attorney, Jackie DelRay, is a star in the shark-infested judicial waters of Washington, DC. Behind her

take-no-prisoners façade, she hides a painful secret and a longing for FBI Special Agent Beckett Pearson—the man who captured her heart during a passion-filled weekend in college. The same man who still holds a grudge over a case Jackie refused to prosecute years before. When Beck is arrested for the shocking murder of the FBI director's estranged wife, Jackie breaks every rule she's known about being emotionally involved with her client. Knowing the risks to her heart and her career, she rushes to defend him. A former model and football star, Beck has finally found his home with the Bureau. He wants nothing to do with the sexy lawyer who left him without a goodbye twelve years ago and then destroyed his first, and most important, missing persons investigation. Now, with his freedom on the line, Jackie's brilliant legal mind may be his one hope at staying out of prison. When their investigation is mired by political alliances and reckless greed, Beck and Jackie battle corruption at the highest levels. That battle includes resisting the long-buried passion they'd shared twelve years earlier. But will a killer bent on stopping their investigation give them a fight they are bound to lose?
