In My Place Condemned He Stood

Growth Groups is a 10 week practical, 'hands-on' training program to develop effective small group ('Growth Group') leaders. A training program useful for all Christian ministry, not just Growth Groups, because it deals with the fundamentals of gospel work.

Faithful Leaders The Trellis and the Vine All Christian ministry is a mixture of trellis and vine. There is vine work: the prayerful preaching and teaching of the word of God to see people converted and grow to maturity as disciples of Christ. Vine work is the Great Commission. And there is trellis work: creating and maintaining the

physical and organizational structures and programs that support vine work and its growth. Colin Marshall and Tony Payne dig back into the Bible's view of Christian ministry, and argue that a major mind-shift is required if we are to fulfill the Great Commission of Christ, and see the vine flourish again. --from publisher description
 The Trellis and the Vine
 The Ministry Mind-Shift That Changes Everything
 The ministry mind-shift that changes everything. "This is the best book I've read on the nature of church ministry", says Mark Dever. "The Trellis and the Vine is a dangerous book to read. It demolishes precious and much-loved idols..." says Ben Pfahlert.

They dig back into the Bible's view of Christian ministry, and argue that a major mind-shift is required if we are to fulfil the Great Commission of Christ, and see the vine flourish again. It also now includes an index of Bible verses referenced throughout the text. --from publisher description.

 The Care of Souls
 Cultivating a Pastor's Heart
 Drawing on a lifetime of pastoral experience, *The Care of Souls* is a beautifully written treasury of proven wisdom which pastors will find themselves turning to again and again. Harold Senkbeil helps remind pastors of the essential calling of the ministry: preaching and living out the Word of God while orienting others in the same direction. And he offers practical and fruitful advice—born out of his five decades as a pastor—that will benefit both new pastors and those with years in the pulpit. In a time when many churches have lost sight of the real purpose of the church, *The Care of Souls* invites a new generation of pastors to form the godly habits and practical wisdom needed to minister to the hearts and souls of those committed to their care.

 Six Steps to Loving Your Church (workbook)
 From the Ministry of the Few to the Ministry of the Pew
 A stimulating video-based course for small groups that will help people to change their whole mindset about church; to learn that 'loving' your church doesn't just mean enjoying it or liking it, but actively serving and loving the people who are the church in whatever way possible.

The Compelling Community
 Where God's Power Makes a Church Attractive
 "Every believer in Jesus Christ deserves the opportunity of personal nurture and development." says LeRoy Eims. But all too often the opportunity isn't there. We neglect the young Christian in our whirl of programs, church services, and fellowship groups. And we neglect to raise up workers and leaders who can disciple young believers into mature and fruitful Christians. In simple, practical, and biblical terms, LeRoy Eims revives the lost art of disciple making. He explains: - How the early church disciplined new Christians - How to meet the basic needs of a growing Christian - How to spot and train potential workers - How to develop mature, godly leaders "True growth takes time and tears and love and patience," Eims states. There is no instant maturity. This book examines the growth process in the life of a Christian and considers what nurture and guidance it takes to develop spiritually qualified workers in the church.

The Leadership Formula
 Moody Publishers
 Effective leadership is important. Nowhere is this more true than in the church. Jeramie Rinne offers readers a concise overview of the Bible's teaching on spiritual leadership, setting forth an easy-to-understand "job description" for elders that is focused on enabling pastors and church leaders to effectively shepherd

their congregations. Giving practical guidance to new elders and helping church members better understand and support their spiritual leaders, this conversational book emphasizes purposeful ministry rather than project management. It will also bolster leaders' confidence by encouraging them to embrace their pastoral calling with grace, wisdom, and a clarity of vision.

How to Shepherd God's People Like Jesus
 B&H Books

Second chair leaders play a critical role in churches across the world. They serve in paid and unpaid capacities, and include laity, ordained clergy, bivocational, licensed local pastors and others who lead significant ministries, but who are not the lead or senior pastor. Mike Bonem, author of *Leading from the Second Chair*, takes that important work to the next level, with *Thriving in the Second Chair*. Here, Bonem points readers beyond their external circumstances to the ways they can act and think differently. He highlights ten key factors that will help second chair leaders do more than just survive. These deep "springs" will enable them to thrive, so that their lives and ministries are fulfilling, vital, and sustainable. The first three springs relate to the single most important professional relationship for any second chair leader – their relationship with the first chair. The next four look at some of the most common and essential aspects of the second chair's job. The final three springs are arguably the deepest and most important. They enable second chairs to thrive even if they're struggling with the first seven. These three springs offer help for staying spiritually anchored, overcoming loneliness, and becoming re-energized.

The Ministry Mind-Shift That Changes Everything
 InterVarsity Press

What does a community that testifies to God's power look like? God's people are called to a togetherness and commitment that transcends all natural boundaries—whether ethnic, generational, or economic. But such a community can be enjoyed only when it relies on the power of God in the gospel. In *The*

Compelling Community, pastors Mark Dever and Jamie Dunlop cast a captivating vision for authentic fellowship in the local church that goes beyond small groups. Full of biblical principles and practical advice, this book will help pastors lead their congregations toward the kind of community that glorifies God, edifies his people, and attracts the lost.

Shepherding in the Fruit of the Spirit
 Crossway

Explore the things that really matter for a successful ministry. "Well done, good and faithful servant." Every ministry leader wants to hear these words when they meet their Lord. But what does successful ministry look like? There are many books on leadership strategies and church structures, but this one looks at what matters most: the character and attitude of church leaders. It recognizes that the spiritual health of the church leaders in large part determines the spiritual health of the congregation and therefore the success of the ministry. In this short, punchy, challenging and at times surprising book, Rico Tice draws on decades of experience in church leadership to call fellow pastors and others with oversight of areas of church ministry to define success biblically, fight their sin, lead themselves and serve their churches. A must-read on pastoral leadership for pastors, elders, worship leaders, youth leaders and anyone else with a leadership role in church ministry.

10 Practices Great Christians Have in Common
 Gospel-Centred

A Display of God's Glory focuses on what Scripture teaches on four of the most basic components of church polity—deacons, elders, congregationalism, and membership. Dever presents a biblical model that aims to bless the Church and create an atmosphere that will withstand the pressure of community life. May God use our efforts to help us better understand His intentions for our life together in the church.

The Living Church
 Thomas Nelson

This book is about a sentence 40 years in the making: "My aim is to preach the gospel by prayerfully expounding the Bible to the people God has given me to love" (Phillip Jensen). Join Phillip Jensen and Paul Grimmond as they explore each phrase in this carefully wrought statement, and show not only why faithful, powerful, biblical preaching is so important, but how to go about it. --from publisher website.

Pastoral Leadership Is... Lorenz Publishing Company

David McDonald wrestles with a vital, and for him, a very personal question: is there hope beyond cure?

Preaching the Very Words of God Crossway

"Church is not a meeting you attend or a place you enter," write pastors Tim Chester and Steve Timmis. "It's an identity that is ours in Christ. An identity that shapes the whole of life so that life and mission become 'total church.'" With that as their premise, they emphasize two overarching principles to govern the practice of church and mission: being gospel-centered and being community-centered. When these principles take precedence, say the authors, the truth of the Word is upheld, the mission of the gospel is carried out, and the priority of relationships is practiced in radical ways. The church becomes not just another commitment to juggle but a 24/7 lifestyle where programs, big events, and teaching from one person take a backseat to sharing lives, reaching out, and learning about God together. In *Total Church*, Chester and Timmis first outline the biblical case for making gospel and community central and then apply this dual focus to evangelism, social involvement, church planting, world missions, discipleship, pastoral care, spirituality, theology, apologetics, youth and children's work. As this insightful book calls the body of Christ to rethink its perspective and practice of church, it charts a middle path between the emerging church movement and conservative evangelicalism that all believers will find helpful.

The Archer and the Arrow InterVarsity Press

Christians often struggle to know where to start when it comes to telling others about God, Jesus, sin, and salvation. In this short book, J. Mack Stiles challenges us to view evangelism as something we do together instead of something we do alone, helping churches cultivate a culture of evangelism that goes beyond simply creating new programs or adopting the latest method.

The seventh volume in the 9Marks: Building Healthy Churches series, this book will help Christians joyfully embrace evangelism as a way of life as it equips them to share their faith with those who don't yet know Jesus. Part of the 9Marks: Building Healthy Churches series.

A Peculiar Glory Crossway

Pastor, it's time to turn down the noise and focus on what matters. Today's pastoral world is packed with books, conferences, and seminars teaching you different techniques for being an all-star pastor, growing your church quickly, and changing the world. But the key to true success is much harder and much simpler. Pastors are called to be faithful, to have exemplary character, and to love Jesus. Without faithfulness, their ministry ends up harming others rather than helping them. Churches need pastors with sound doctrine and a sound life. *Character Matters* was written to help you slow down, cut through the noise and distractions, and focus on what matters—the fruit of the Spirit. Each chapter is a guided, biblical meditation on one aspect of each piece of the fruit of the Spirit. As you reflect and focus on the simple things that matter, you'll see your heart change and your ministry follow, slowly, surely, and by the power of the Spirit.

In *The Leadership Formula*, pastor and author Juan Sanchez helps churches identify the necessary qualities in leaders and commission them for leadership in the church, for the sake of the world.

Becoming the Community God Wants You to Be Crossway

God has provided a way for all people, not just scholars, to know that the Bible is the Word of God. John Piper has devoted his life to showing us that the glory of God is object of the soul's happiness. Now, his burden in this book is to demonstrate that this same glory is the ground of the mind's certainty. God's peculiar glory shines through his Word. The Spirit of God enlightens the eyes of our hearts. And in one self-authenticating sight, our minds are sure and our hearts are satisfied. Justified certainty and solid joy meet in the peculiar glory of God.

The Deliberate Church InterVarsity Press

Thriving in the Second Chair Moody Publishers

The Reformers viewed the gospel as not merely one thing among many in the life of a church but rather the means by which the church exists. When the gospel is rightly declared and applied to God's people, the church becomes "a creature of the Word." She understands, embraces, and lives out the reality of Christ's birth, life, death, and resurrection in more than her doctrinal statement. The gospel impacts all the church is and does. *Creature of the Word* lays out this concept in full, first examining the rich, scripture-based beauty of a Jesus-centered church, then clearly providing practical steps toward forming a Jesus-centered church. Authors Matt Chandler, Eric Geiger, and Josh Patterson write what will become a center- ing discussion piece for those whose goal is to be part of a church that has its theology, culture, and practice completely saturated in the gospel.
